

CONESTOGA

NINETEEN SIXTY TWO

This is your 1962 Conestoga published by the Yearbook Staff, North Miami Senior High School, North Miami, Florida.

*This is your Treasury of
TEN YEARS of Progress.*

A decade has passed; our school has grown from a palmetto swampland into an outstanding institute of learning.

Gone are the days when the school was windowless, and classes were dismissed because of heavy rains. During free periods teachers and students could be found sweeping water out of the building. Workers were setting tile as the new students worked at their desks.

While the first two months of school were in progress, the building was without locks for the doors, yet nothing was stolen. This fact manifests the self-pride our students took in their new school. Our school building involved many people, people whose interest and love grew as the building grew.

North Miami Senior High has increased from a student body of 1334 to approximately 3400. With these students came the life, the pulse beat of our school. Our traditions were formed and through the efforts of our active young people a great school was being built.

As we grew in numbers, we added to our building an auditorium, gymnasium, three additional wings, enlarged our cafeteria, and added wood and metal shops. Our first ten years were characterized by this rapid and industrious growth.

We started with a blueprint, a rough idea of how the finished product will look, and with this constantly before us, we shall strive to fulfill the dreams and hopes of those who laid the foundations for our great school.

Since 1951 (pg. 2.) our school has grown and in the process of growing has changed in many ways.

1962

So ends the first decade of progress.

Through all the trials and tribulations of school life, Mr. Rice can always be seen with a smile.

Throughout our school years we are taught an endless number of facts. Our teachers constantly strive to pry open the locked minds of their students. The teachers who meet with success enjoy this gratifying experience, the others keep trying.

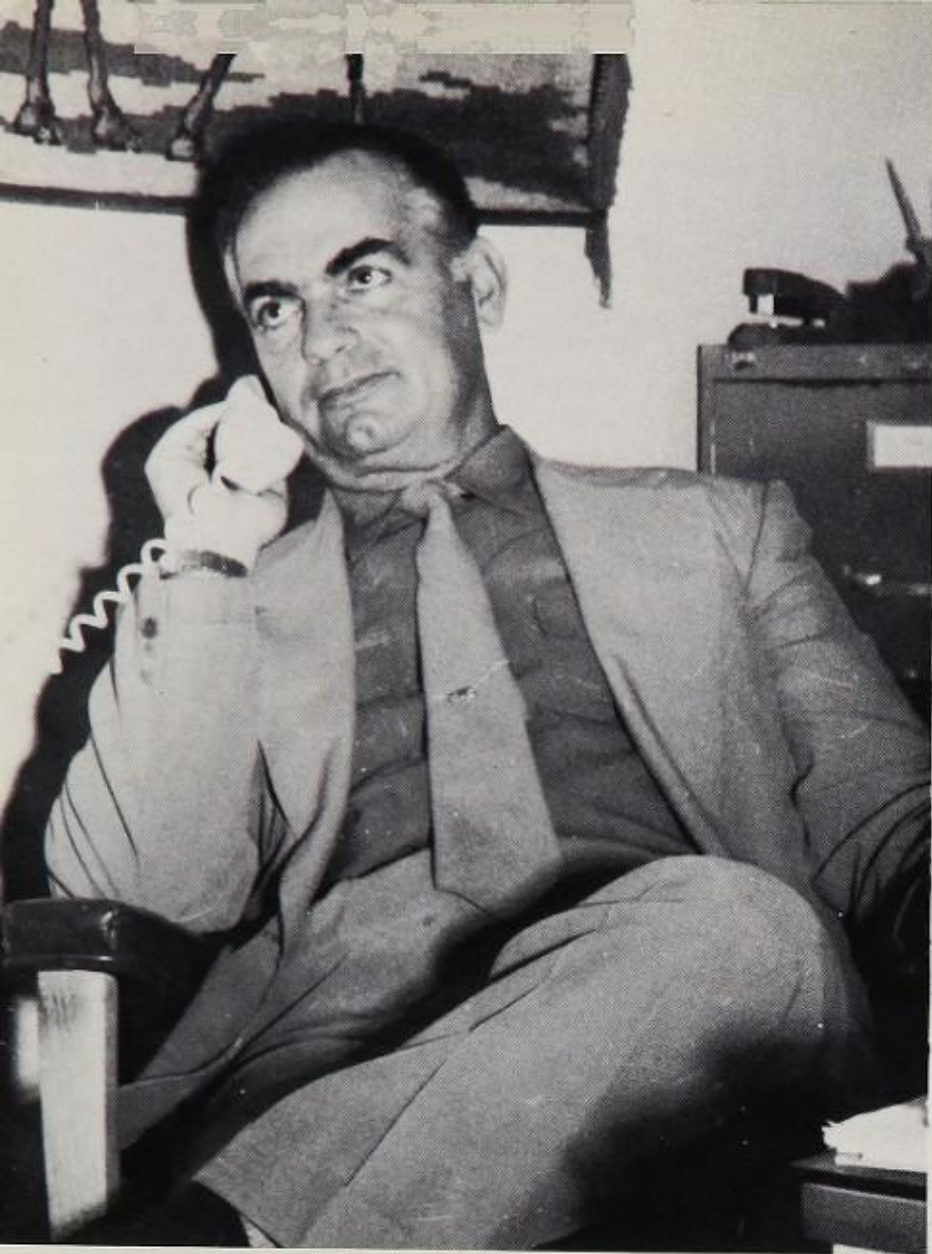

This education has an important purpose. High school students mature so rapidly they must take on responsibility long before their parents ever did. In a few years we will have the world handed to us, with all its defects. The job of correcting these defects is left up to the enterprising young people now graduating high school.

WE have just compiled ten years of progress. We have grown considerably but the greatest growth is yet to come.

W. E. RICE, *Principal*

Mr. Rice talks to the school board concerning school policies.

Mr. Rice relaxes at a football game and discusses proceedings with Mr. Niles.

A Successful School Depends Upon Its Principal

Mr. W. E. Rice has made North Miami High a very successful school in the three years that he has been principal. He has guided our school in its steady growth and administered to its many needs.

Coupled with his ready wit and friendly smile, Mr. Rice has not only been an administrator, but

also a friend to the faculty and student body alike. For this he is admired and respected.

Even with all his work, our principal may be seen at various school functions through the year, such as pep rallies, assemblies, sports events, banquets, and meetings.

Mid-term graduates are extended hearty congratulations from Mr. Rice.

Days filled with a multitude of tasks is the lot of Mrs. Myra Seward, Dean of Girls. Administering firm and friendly guidance, intimate counseling, and service to others makes up only a part of her busy day.

Dean Seward faces tasks with inspired eagerness, and melts away the deepest problem with understanding sympathy or fair discipline.

In her office, Dean Seward cares for absentees, considers requests from students, and listens to complaints or suggestions from parents. She does this with the skill and knowledge acquired over the years in the education profession.

Dean Seward directs the activities of the school supply store.

Dean Seward Fulfills a Multitude of Tasks

By maintaining close contact with parents, Dean Seward is able to better understand the problems of students.

Office workers help Dean Seward carry out her many duties.

Since 1953, students have always seen Mr. Duncan at the athletic ticket office or in the portable, "Pioneerville." Now students, especially the boys, meet him in his new capacity as the Dean of Boys.

Maintaining his position as Dean of Boys, he is a symbol of discipline and order. Dean Duncan, however, is always ready to lend a helping hand, and friendly guidance to students and teachers alike.

Dean Duncan must keep a careful eye on his students.

Strict But Fair Discipline Is Maintained

Mr. Duncan works diligently in his office.

Mr. Duncan stops to check a list for a student.

Dean Duncan keeps an accurate list of absentees.

Mr. Donohoe Oversees Night School Program

Making the school part of the community is an essential element of the evening education program. Handling the tiller for this important aspect of our program is Mr. William Donohoe—our new Night School principal who comes to us from the evening program at Jackson High School.

Our Extra Curricular Life is Guided by Mr. Lipscomb

Truly the nerve center of our extra-curricular life is the office of the Director of Student Activities.

Holding a tight rein on enthusiastic students is only one of the many duties performed by Mr. Howard Lipscomb. Planning social affairs, regulating dates, approving programs, coordinating all student activities, and supervising all elections keeps Mr. Lipscomb and his office constantly busy.

Mrs. Meyers has always kept close contact with students at the school to aid them with their problems.

All Instructional Areas Under Curriculum Department

Mrs. Meredith shares the busy schedule of activities with Mrs. Meyers.

Mrs. Meyers, who is retiring this year, was a charter member of our faculty; she has served our school for ten years. In the infant years of our school she held the position of social studies teacher. As our school grew and we needed a department to supervise instruction Mrs. Meyers was asked to fill this position as curriculum assistant.

Mrs. Meredith, who will be leaving this year, joined our faculty eight years ago. Until this department was formed Mrs. Meredith served as an English teacher.

The activities of the curriculum assistants are numerous. Under their leadership our complete schedule system is operated. Keeping the school's budget balanced and accurate, procuring reading materials for the school, checking lesson plans, are only some of the duties that keep these ladies busy. Perhaps the most important function they perform is to act as consultants to our principal and faculty alike. We owe a great deal to these ladies for their services in these past years.

Upon Mr. Bullington's leadership depends the success of the Guidance Department.

To achieve success in high school and fulfillment of later goals we need professional guidance.

The guidance department, under the direction of Mr. Bullington, aids students in these important undertakings.

A function of this department is to administer testing programs that enable proper academic placement of students.

Personal conferences with reference to present courses and equally important future vocational advice is a daily routine of these aids.

As students near the end of their high school careers and college nears, guidance aids use all their valuable materials to aid the students in the choice of a college and probable courses of study.

Guidance Counselors Ease Path For Students

Emily Wilson and Michelle Newman assist Mrs. Russell in the guidance department.

Specialists in guidance work are Mr. Cox, Mrs. Cadwallader, Mr. Peete, Mr. Bullington, Mr. Schwemmer, Mr. Hyrne, Miss Hill and Mrs. Brown.

The secretaries of our school play an important part in our activities. They are: Mrs. Edith Staire, Mrs. Pauline Fortney, Mrs. Betty Campbell, Mrs. Kathryn Foregger, Mrs. Helen Moore, Mrs. Mary Harris, Mrs. Charlotte Dine, and Mrs. Betty Russell.

Many of the staff members work quite hard at their jobs and never receive credit for this work. Among these people are the secretaries which work in the main office and deans' offices. Among the

tasks of these secretaries are working the IBM machines for grades and attendance, running the switchboard, taking care of new students, and being of general help to the deans.

Secretaries, Librarians Perform Many Tasks

Keeping all the books in order is not an easy job as any one of the librarians will tell you. They must keep a record of all books checked in and out,

file the books in their proper places on the shelves, keep student quiet, and be able to guide and instruct the students as to the types of books available.

These ladies help the students in the library: Mrs. F. Klingmeyer, head librarian; Mrs. R. Bultman, librarian; Mrs. K.

Rohrer, clerk; Mrs. R. LaPerriere, librarian; and Mrs. E. Dallinger, clerk.

FACULTY

Our infant school opened its doors to a 54 member faculty ten years ago. Just as this new school was being initiated by the young, eager, students in their effort to adjust, our faculty was undergoing much the same orientation program.

Our teachers were under great stress due to the crowded, unfinished conditions of the building. They were forced to instruct their students in competition with crews of workmen and torrential rains which necessitated the adjournment of school the first day. These obstacles never daunted the pioneer teachers' spirit. The spirit of building, the freshness of starting a new venture inspired the students to aid their teachers.

These teachers realized the potential of their new school. They could see that the ingredients for an outstanding school were present even then—enthusiasm and anticipation of the students and administration. All the people involved realized they were charter members in an organization they could contribute to and which would in turn influence their lives.

These charter members were joined each year by new groups of faculty members all ready to add their individual building blocks to the construction of the rapidly growing building. Each year the teachers came with new ideas, and energy to build on the strong foundation already established.

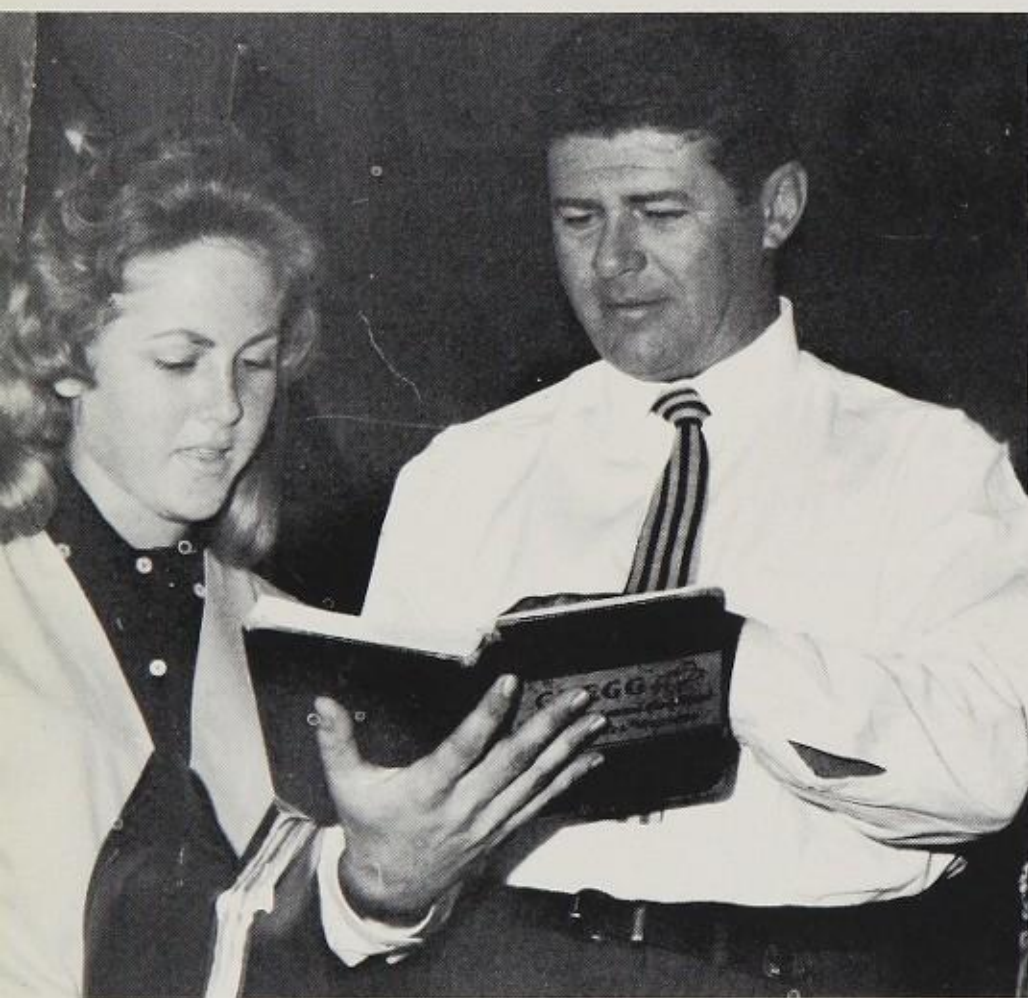

The faculty, an important group of builders who have instructed their students since the chaotic opening days through the years to the present, are an integral part of the growth of our school during its first ten years of progress.

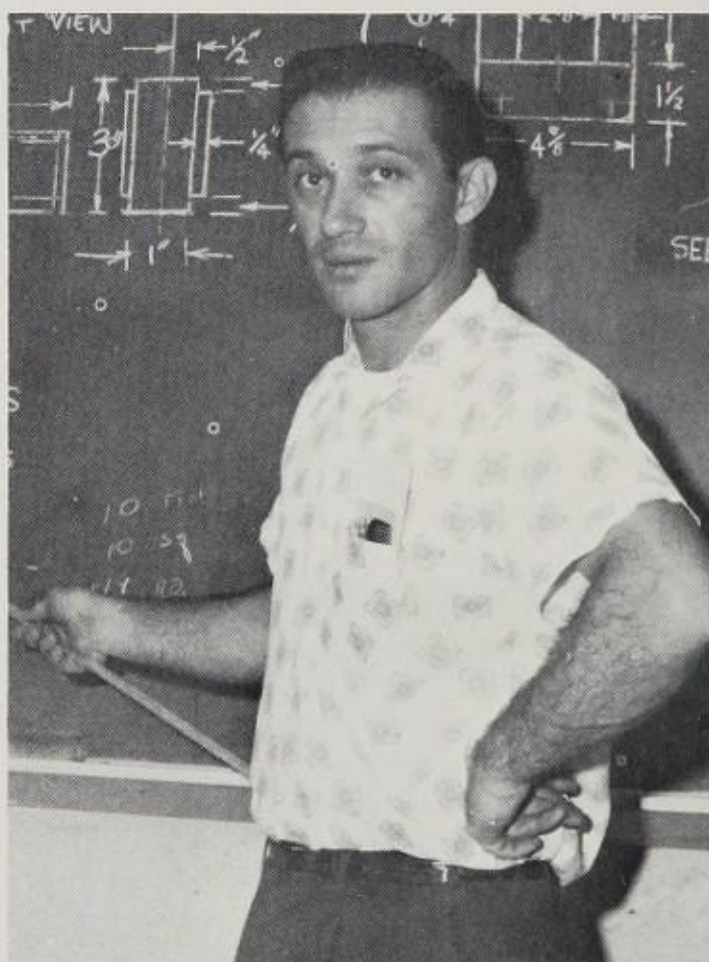

Mrs. A. Adkerson teaches biology to 10th, 11th, and 12th grade students.

A new Spanish teacher this year is Mrs. A. Akin.

Mr. R. Alexander not only directs the bands but also helps students in study hall.

Mr. L. Angelastro instructs several of the vocational education classes.

Mrs. E. Atwood teaches the Spanish language and culture to her classes.

Coach H. Auer is kept busy with the swim teams and his physical education classes.

Several of the vocational shops are under the direction of Mr. A. Ballou.

Latin, the basis of the romance languages, is taught by Mrs. R. Beal.

Mr. M. Berrong helps a student in one of his higher math classes.

Advanced and honors biology are Mr. Basnett's specialty.

Mr. A. Bertok prepares his students for work through his business education classes.

Mr. D. Blatter teaches the "queen of science"—mathematics.

A new faculty member is Miss R. Blau, a business education teacher.

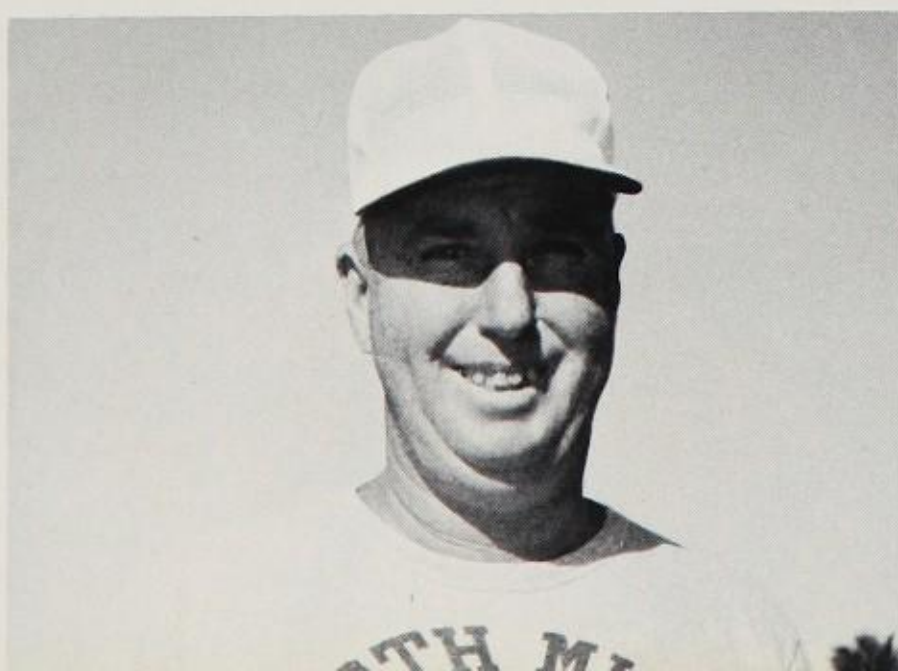

Mr. R. Blotcher helps a student as she ponders over a math problem.

The football team keeps Coach "Red" Bogart, head coach, very busy.

Mr. W. Boden takes time out from his busy schedule in the vocational wing.

Mrs. M. Bone keeps her girls' physical education classes in tip-top shape.

Mrs. V. Bowman is delighted to explain writing techniques in her English class.

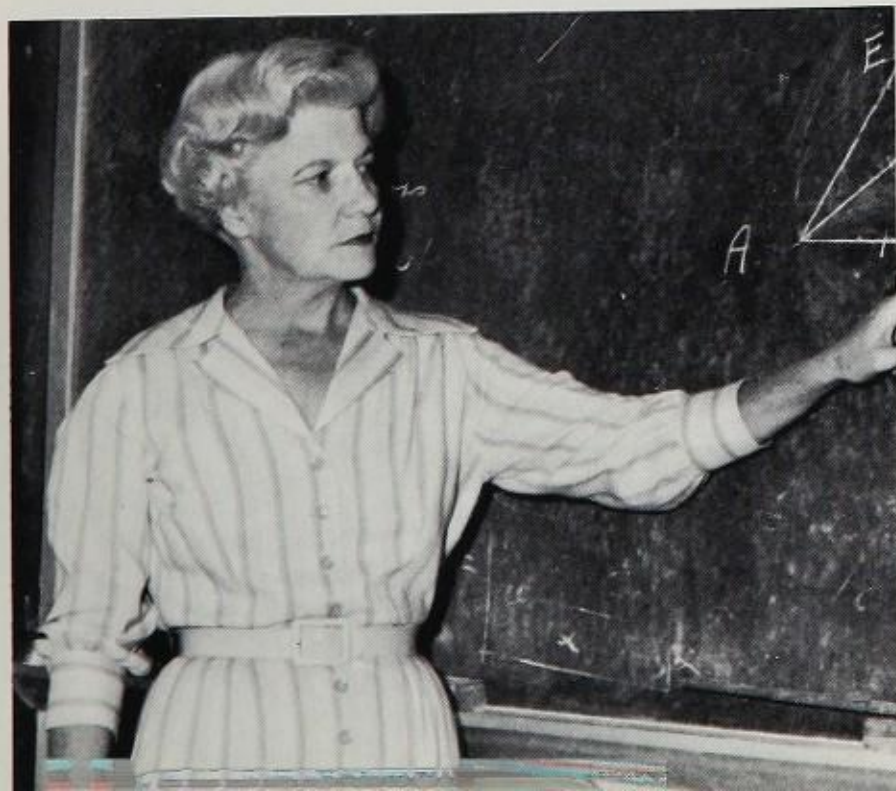

Miss R. Boyarsky takes a break from her biology classes.

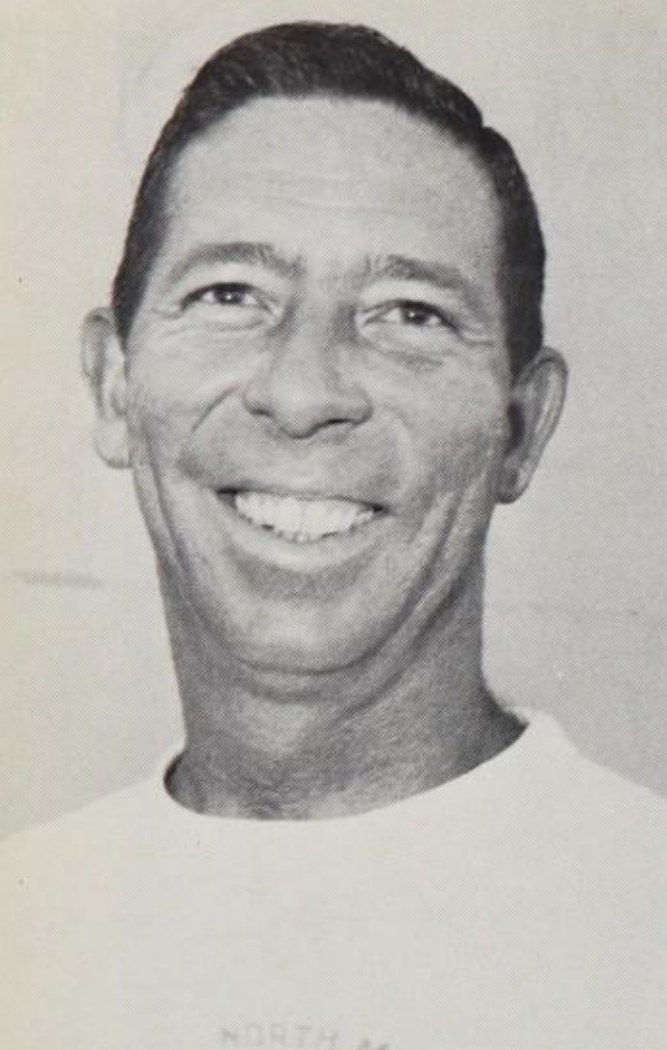

Mrs. M. Bradd coaches the girls as they try their hand at hockey.

"This angle equals 45 degrees", explains Mrs. Z. Branhan to one of the geometry classes.

Mrs. R. Breese gives some good advice about the D.C.T.-D.E. program.

Coach W. Burgess, head of the physical education department, takes a break from his busy schedule.

A new member of the staff, Mrs. M. Burke teaches German this year.

Coach R. Cagni teaches biology and physical education.

Mr. W. Cave joined our social studies department this year.

Mrs. L. Chonin always greets her English students with a smile.

Besides teaching physical education, Coach C. Cicio coaches the gymnastic team.

Coach J. Clark teaches social studies and coaches the baseball teams and assists in coaching the football team.

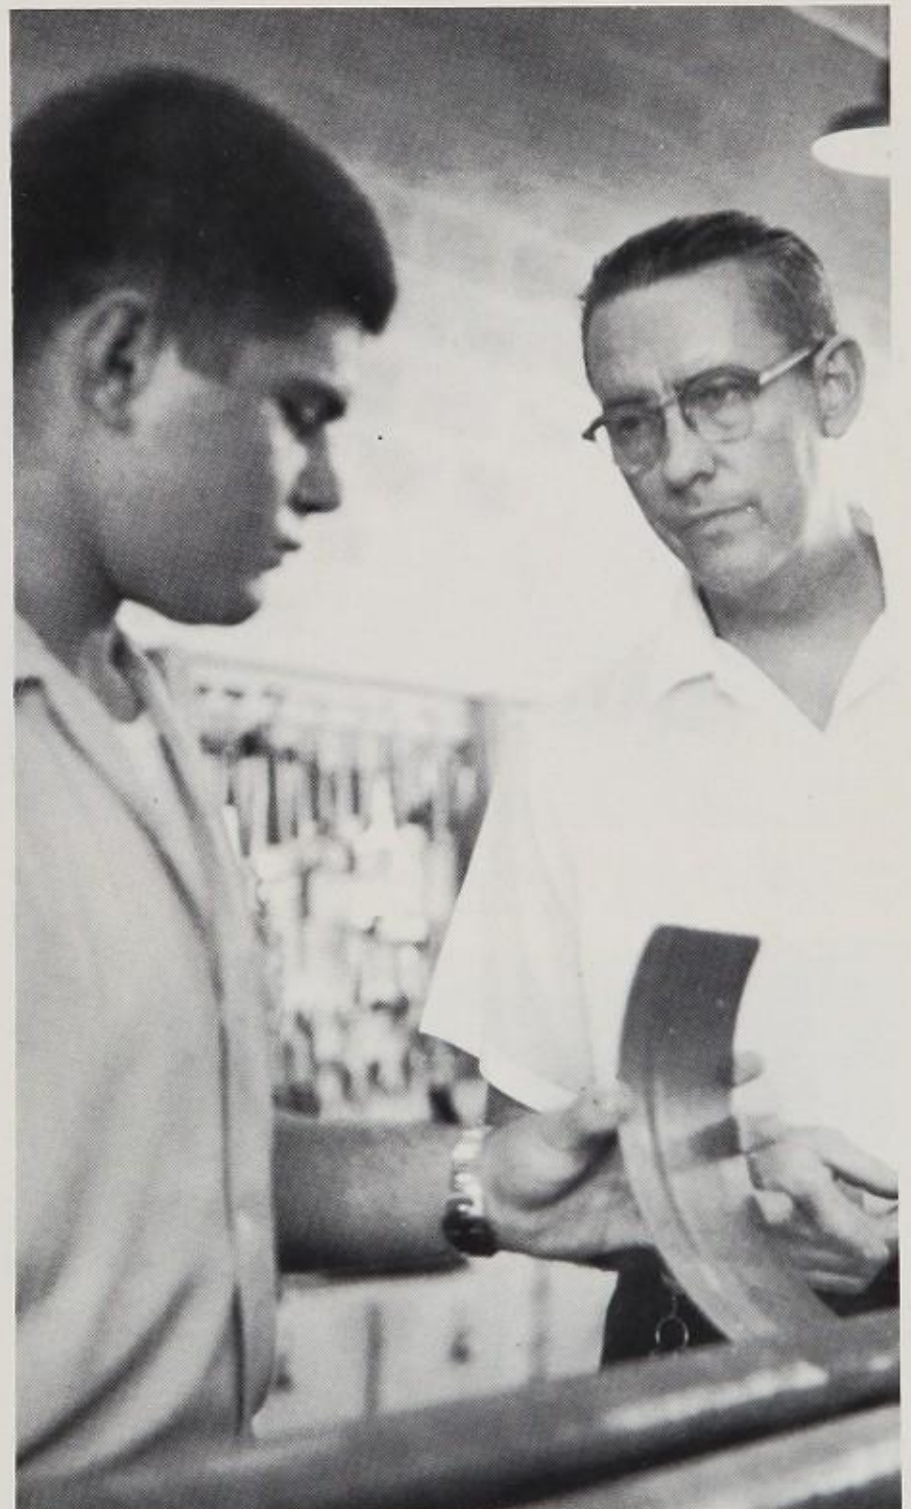

Protractors and rulers are common instruments to Mr. H. Corn, math teacher.

Head of the business education, Mrs. L. Cox, shows off her Christmas window.

Mrs. M. Crew obviously doesn't agree with one of her English student's idea.

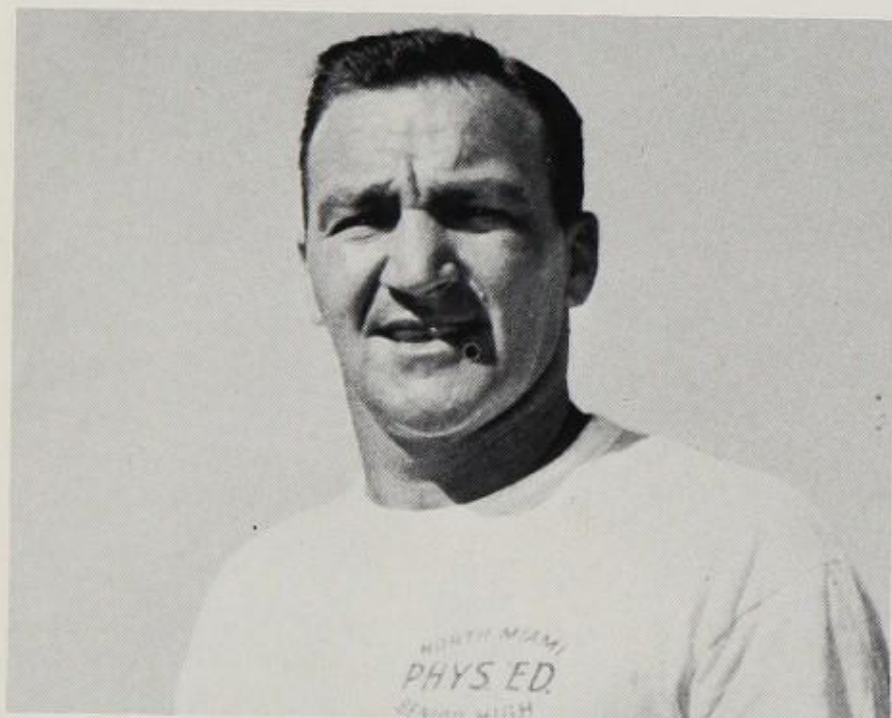

Mr. J. Criswell explains that "it must be done this way" in the industrial arts shop.

Miss E. Davis relaxes after working hard with the drama department.

Mrs. D. Delabar takes a break from her physical education classes.

Coach J. DelBello is all ready to meet his physical education classes for the day.

Mr. R. W. Dutton, commonly known as "Mr. D.", directs the girls' chorus.

Mr. J. Donohue shows his T.V. history class some important documents.

Mr. E. Edge illustrates the use of magazines for current events.

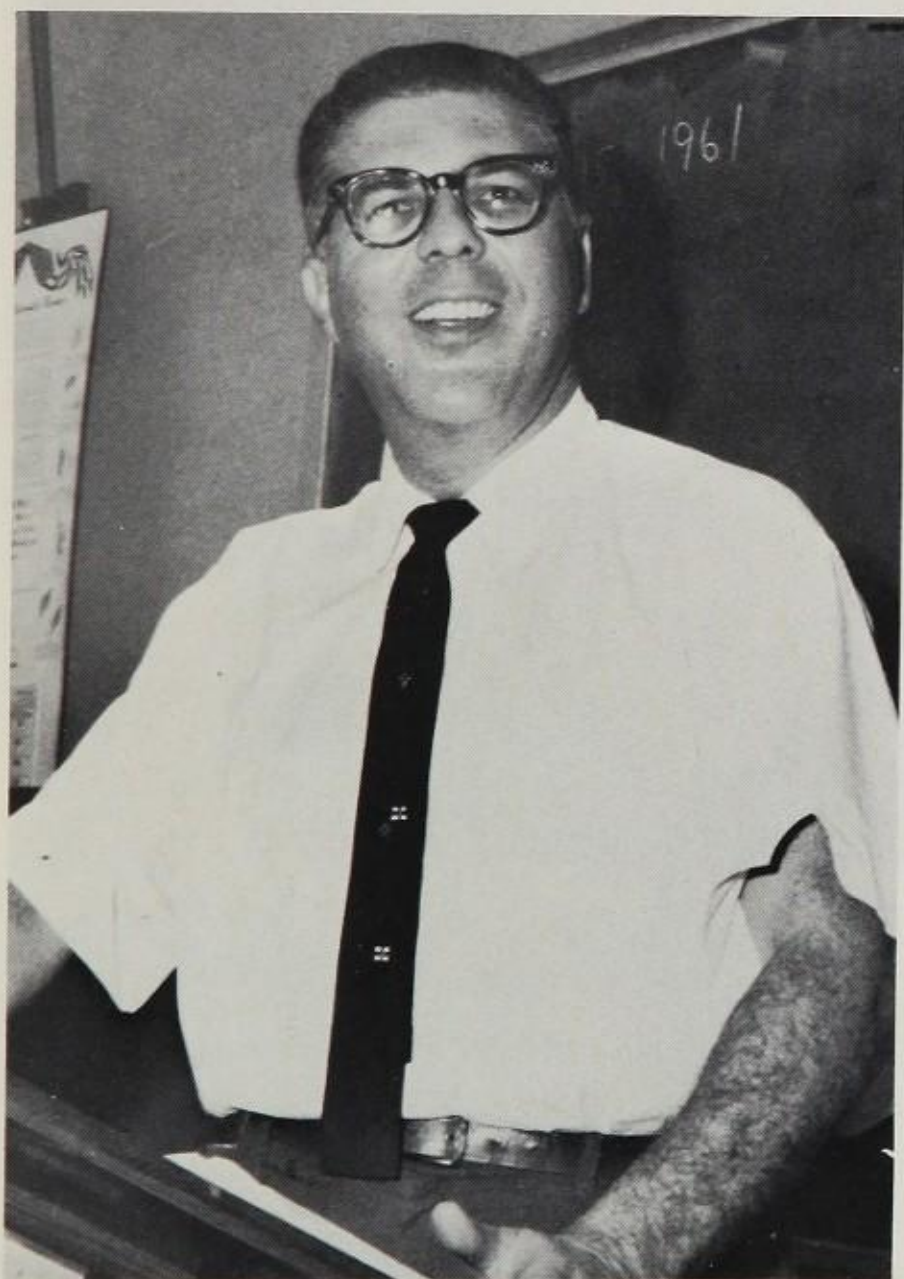

Mr. P. Farmer instructs over five hundred sophomores in his T.V. biology class.

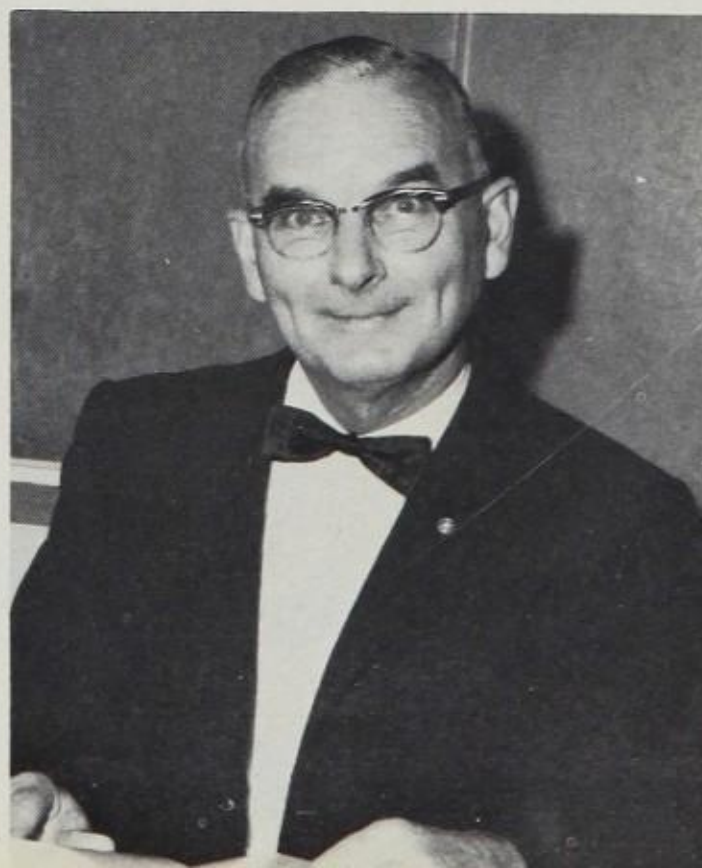

Mr. W. Findley looks for some reference material for his social studies classes.

Mr. M. Gellen enjoys teaching his favorite subject, psychology.

Mr. J. Garth lectures to one of his History II classes.

Miss C. Grantano's history class learns about the countries abroad.

Mrs. E. Gross makes out the grades for one of her psychology classes.

Mr. L. Hakam explains some of the mechanical devices used in his vocational education classes.

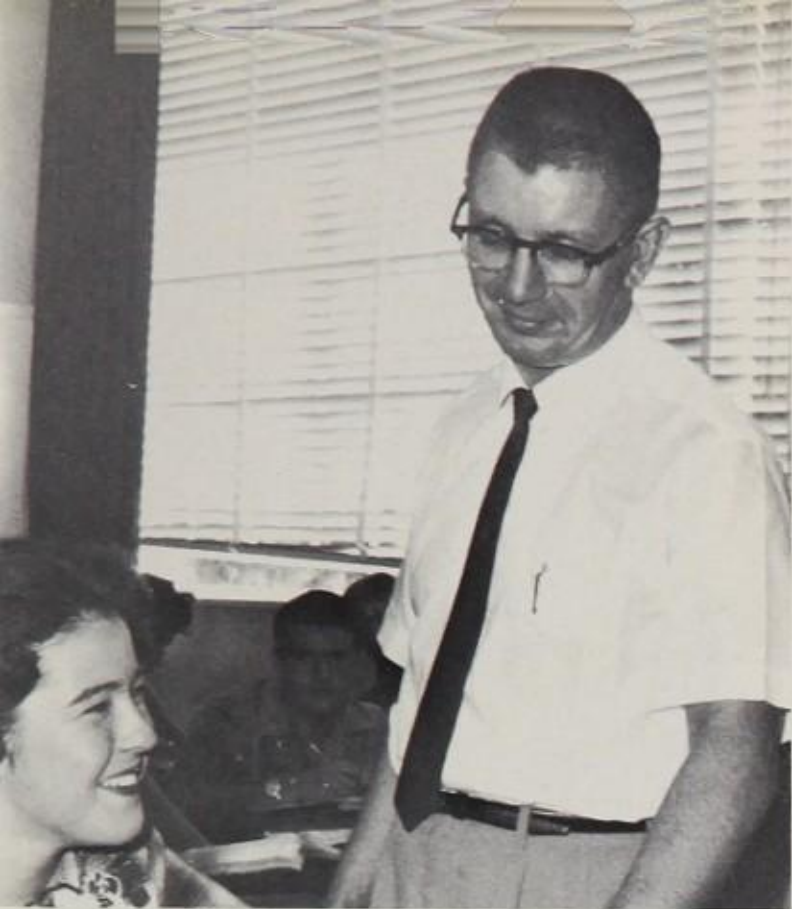

Mrs. M. Hand pronounces a number of new words for her Spanish class.

Mr. R. Herbst prepares his lesson for tomorrow's social studies class.

Mrs. V. Hicks signs a pass for one of her debate students.

Students take their math problems to Mr. Hindmarsh.

Mr. F. Hyrne, basketball coach, lectures to his history students.

Mr. V. Johnson looks over the machines in the industrial arts shop.

Guidance and social studies go hand-in-hand for Miss M. Jordan.

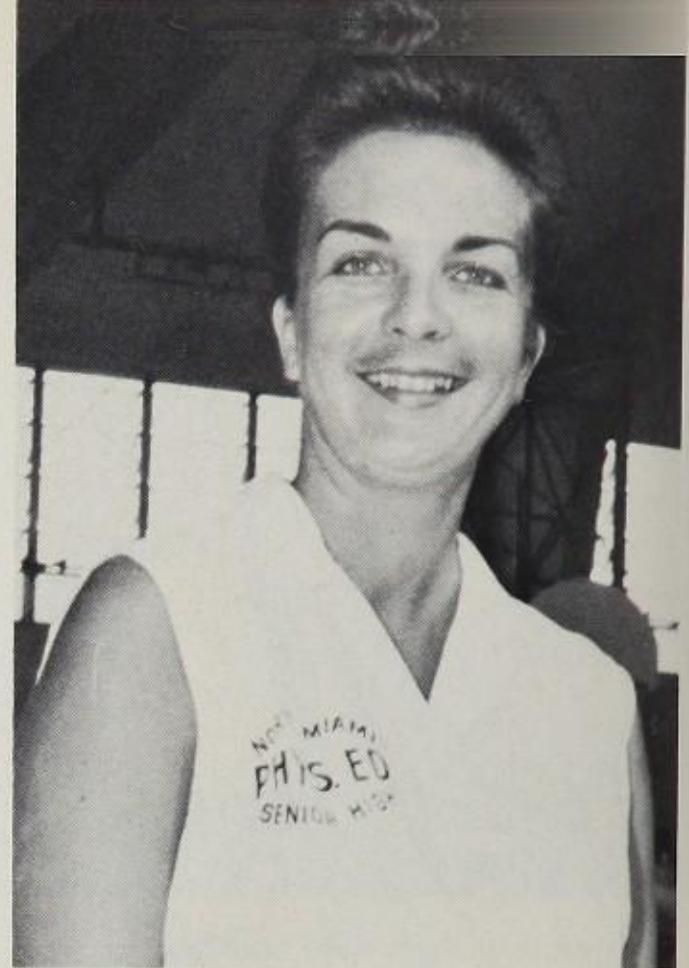

Mrs. N. Ketzle looks on as student battles with the typewriter in a business education class.

Mr. T. Klein was surprised by our photographers during his physics lecture.

Mrs. J. Kulka takes a break from her modern dance class.

Mr. B. Lamont explains electronics in a lecture to his vocational education class.

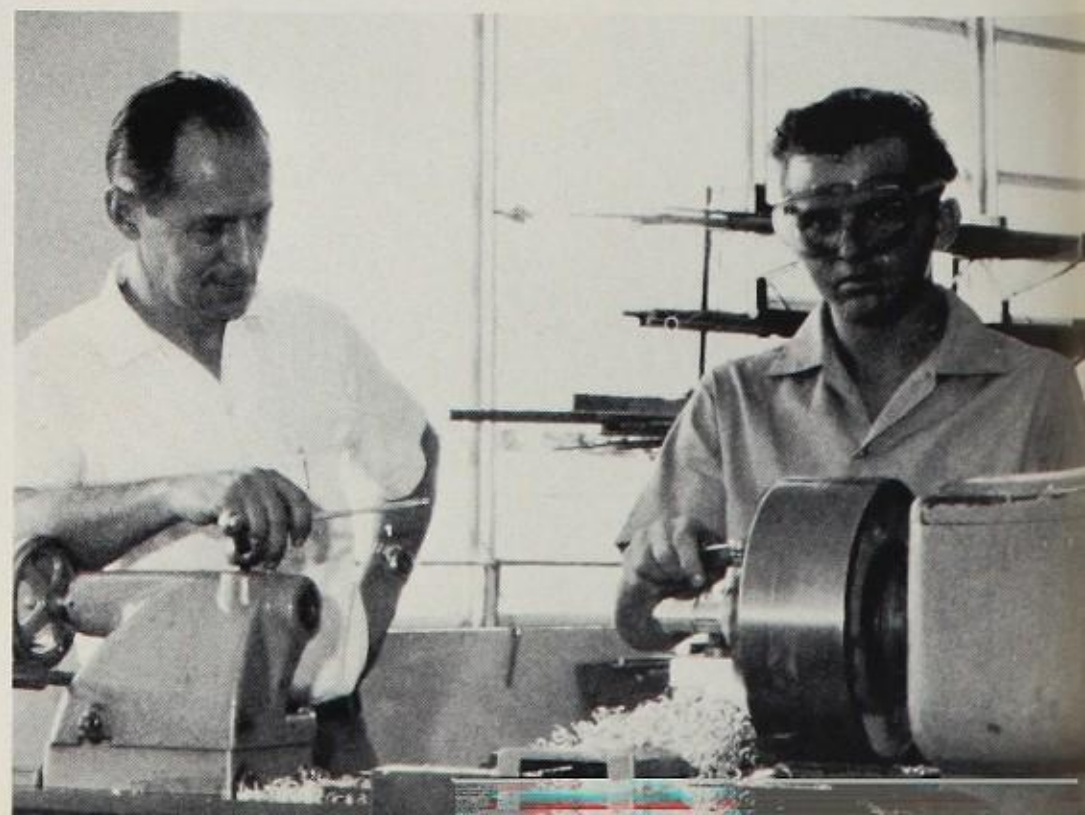

Miss S. Lewis, our exchange teacher, lectures on Macbeth.

Mrs. E. Luck illustrates some of the strange forces in chemistry.

Mr. T. Lydzinski watches as student works the machinery in the vocational wing.

Russian is Mr. R. Macdonald's specialty.

Miss M. Mastropaolo gives an English assignment to a student.

Mr. S. Marconi strongly believes that reading good books is important in business education courses.

Mr. H. Marin relaxes after a busy day with his English classes.

Mrs. T. Matheson encourages the study of geography in her social studies classes.

Miss M. Messier tells student the importance of brief hand in business.

*Besides his T.V. English class, Mr. N. Miller is kept busy with his regular English classes.
Mr. R. Moore prepares his lesson plans for the next day's work.*

Mrs. A. Mitchell teaches her French class how to tell time.

Students look on as Mrs. O. Moore describes a recipe to be used in their home economic class.

Mr. W. Murphy helps a Spanish II student with his homework.

Mr. C. Murrell, school business manager, checks the homework in his social studies class.

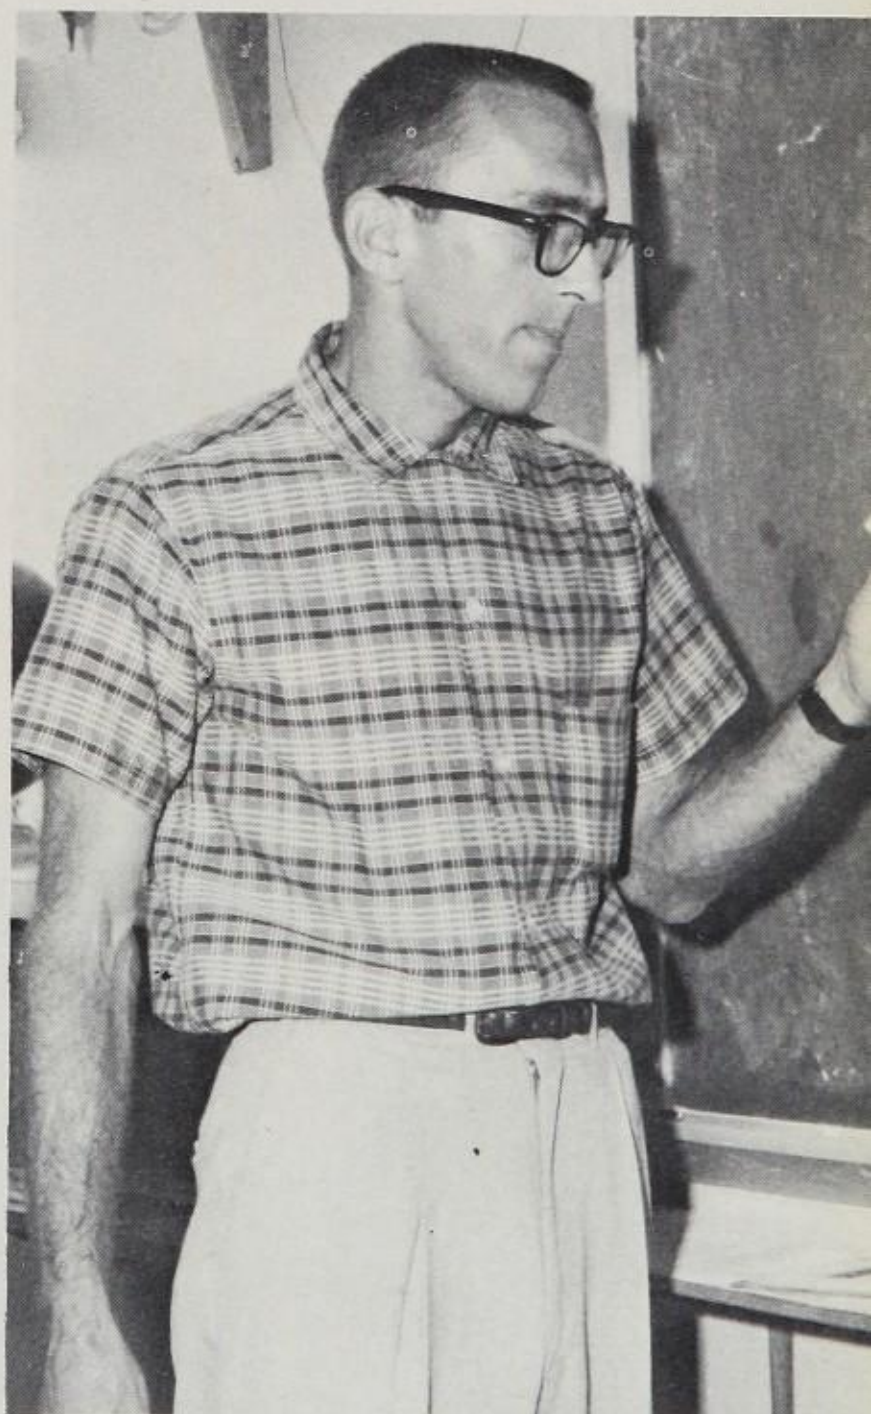

Mr. A. Murrey hands back papers to his senior English class.

"Buenos dias", says Mrs. E. Nicholas, head of the Spanish department.

Mr. C. Niles explains the off-set process of printing to his journalism class.

Mr. D. Perrin stimulates interest in world events through the study of history.

Mr. C. Price finds lecturing an effective method of teaching.

Mr. S. Rabinowitz always greets his sociology students with a smile.

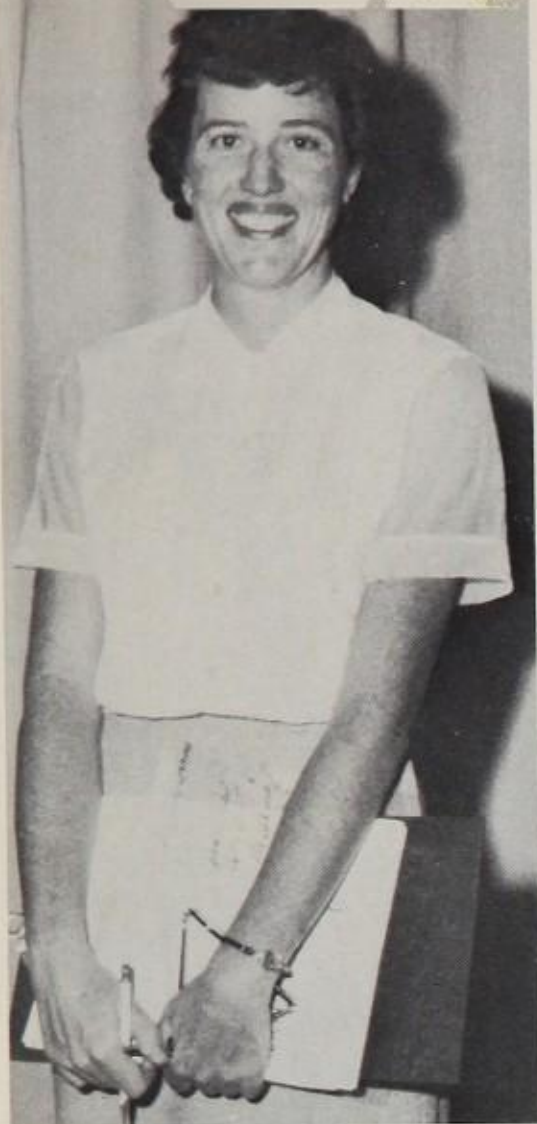

Mrs. W. Reed listens to the questions of her business education students.

Mr. R. Roth discusses theorems with his physics class.

Mrs. S. Ruskin explains fractions to one of her math students.

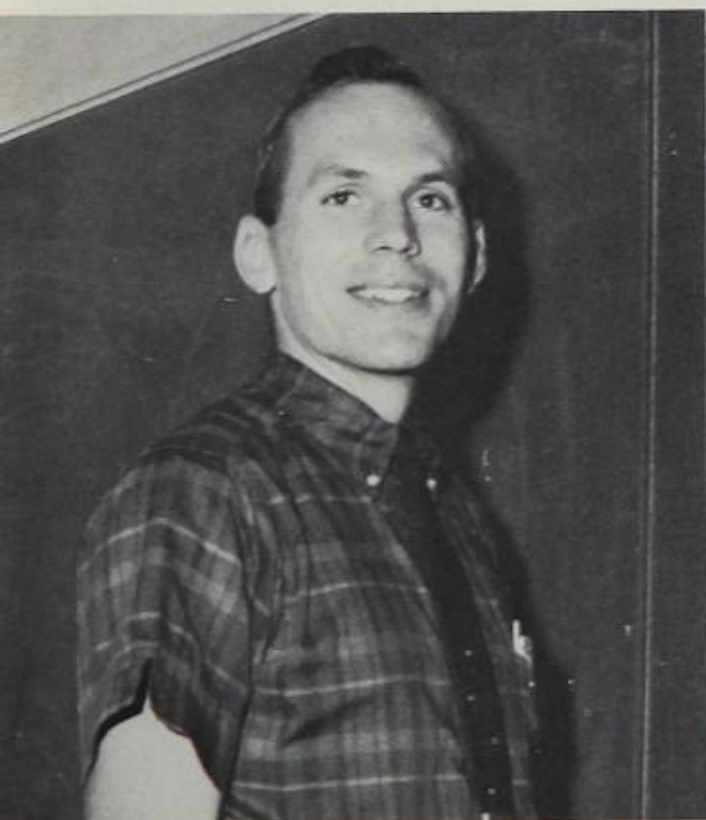

Mrs. D. Samuelson gets ready to teach her T.V. English class.

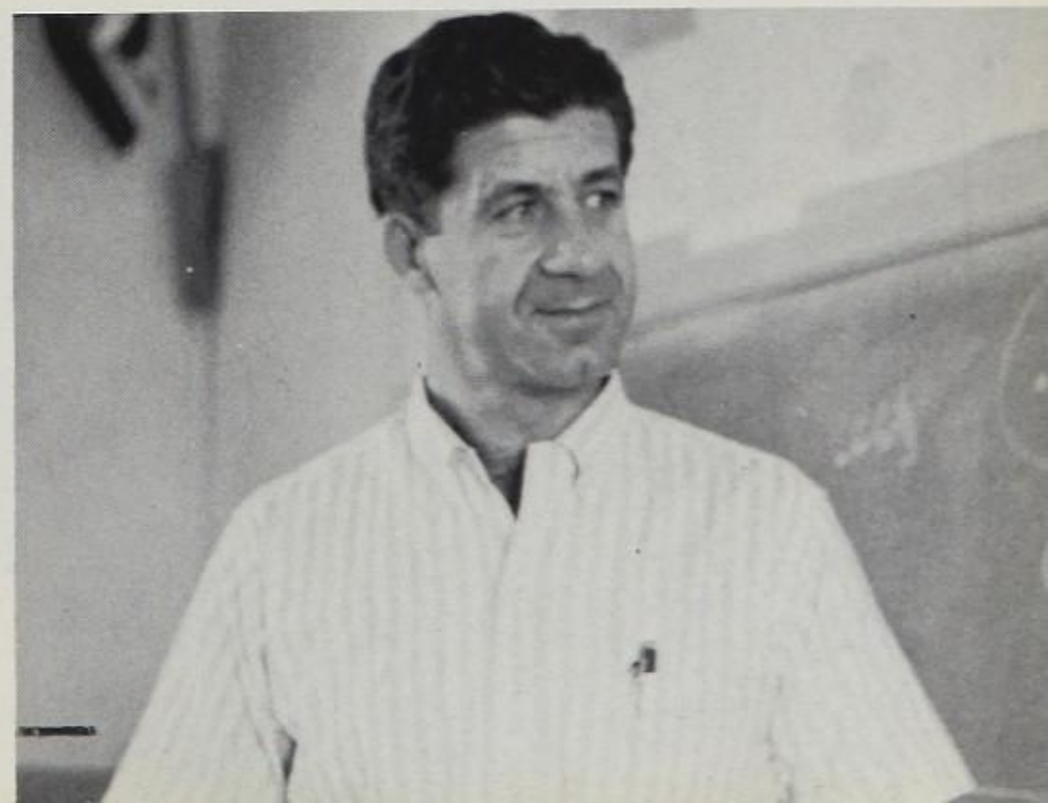

Mrs. C. Scalise teaches a business education student to use a typewriter.

Mrs. A. Schmaus checks the briefhand homework.

Mr. J. Seese is about to put his English assignments on the board.

Explaining math problems to the class is one of Mr. C. Sems many tasks as a teacher.

Mr. B. Signor waits patiently for the orchestra students to take their places.

Mrs. N. Sloan takes time to think about the grades she will be giving to her math students.

Mrs. G. Spell works out a problem in math for one of her students.

Mr. T. Spencer watches his students carefully as they prepare for an experiment in chemistry.

Mrs. B. Spence takes a few minutes from teaching business education to have her picture taken.

Miss Stalnacker believes that grammar is just as important as literature in English.

Miss P. Steele looks on as a business education student takes a typing test.

Mrs. S. Steinberg using a tape recorder in teaching her Spanish classes.

Mr. A. Stratton checks to see that his social studies students are working.

Coach E. Sullivan takes roll in his social studies class.

Miss G. Sunkel listens attentively to her English students.

Mrs. A. Temple takes time out from her busy math classes.

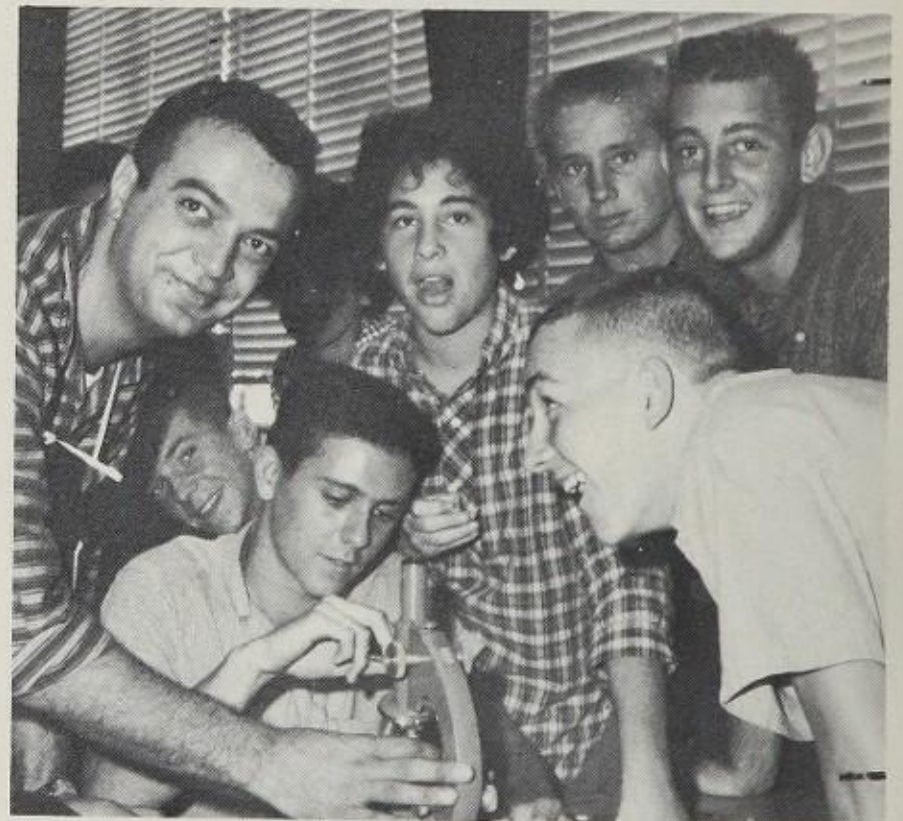

Mr. L. Tobe makes sure that the students are doing their art work correctly.

Miss I. Veling keeps busy with her physical education classes and the tennis team.

Mrs. E. Warren describes the characteristics of the arthropoda group in biology.

Mr. S. Viviano and students use the microscope to study plants and animals in biology.

A student listens as Mr. W. Weyant explains the math homework.

Mrs. R. Whelpton works with her Spanish students in the lab.

Mr. K. Williams, math teacher, thinks of some projects for Beta.

"Are you sure that's right?" Mr. R. Williams asks a chemistry student.

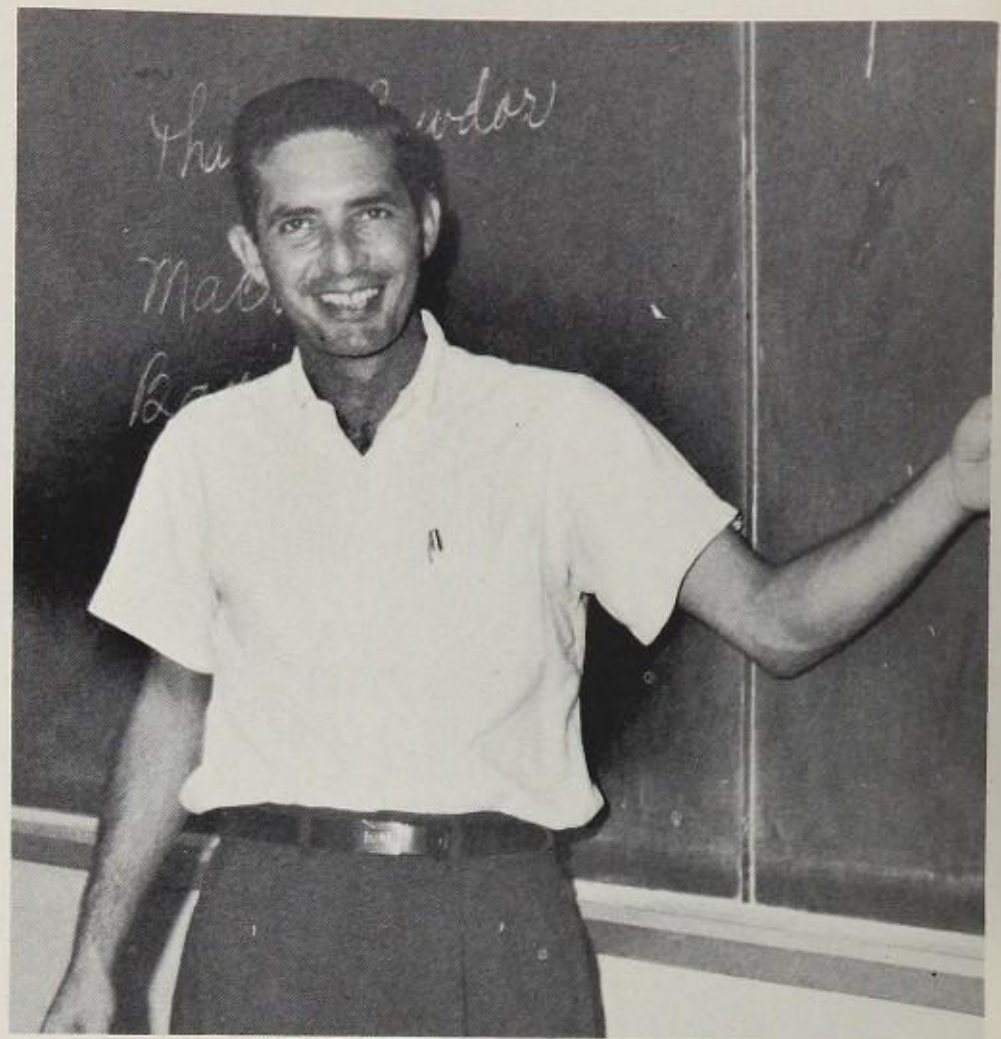

Mr. H. Wimmers, Latin teacher, also sponsors the Latin Club.

A new member of the physical education department is Miss B. Willis.

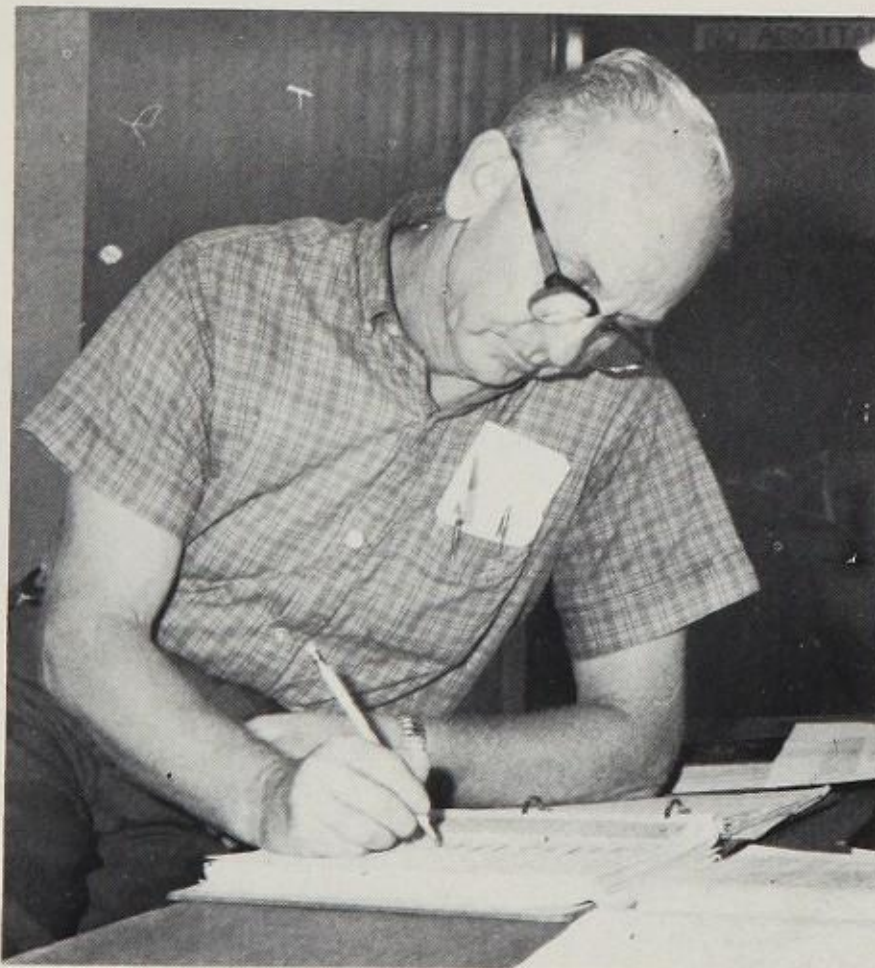

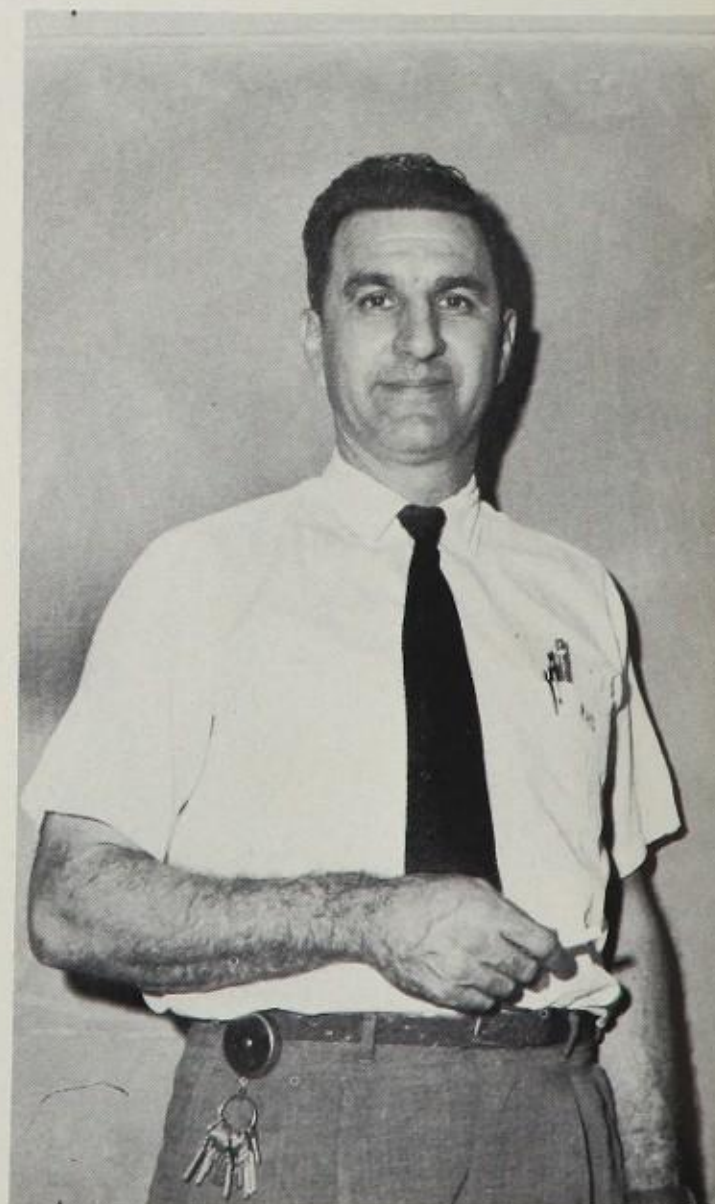

Mrs. L. Wingerd watches students as they put English work on the board.

Mr. A. Wohlgemuth explains the plot of Macbeth to his English class.

Mr. J. Womack make plans for the work to be done in the coming weeks.

Mr. R. Zellers is about to illustrate the workings of a machine.

Taking a break from classes are Mrs. L. Powers, Mrs. L. Scott, Mrs. L. Fountain, and Mrs. S. Long, who are valuable aids to the T.V. classes.

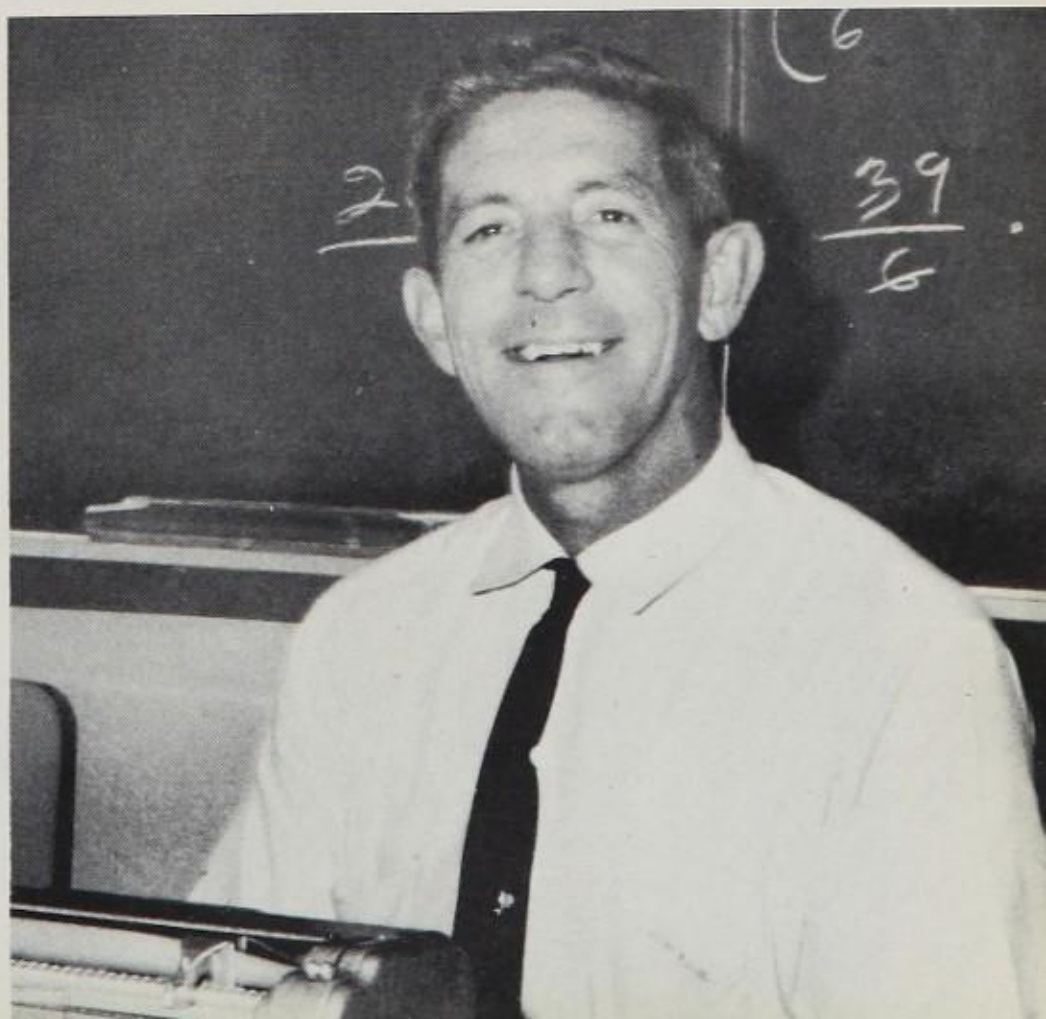

Special Skills Require Special People

Throughout the day Miss Yvette Soucy cares for our students' health.

These people have different, but equally important jobs. Our T.V. Aides enable our very large television classes to function smoothly. The school nurse handles student health problems from minor cuts to fainting spells. Mr. Stark, in charge of special education, is a credit to the faculty.

All these people are important components in the complicated workings of our large school.

Mr. Stark knows no working hours when it comes to helping students.

Keeping all the school facilities clean and in working order is the comprehensive job of our custodians and maids.

Two shifts of custodians and our staff of maids have important jobs. Without their aid the intricate workings of our large school would not function. They account for the efficiency by which our teachers and students are able to work more smoothly in their classrooms. These people carry on their work with proud diligence.

Working industriously behind the scenes are G. Stockton, W. Baily, and E. Green.

A Variety of Jobs Confront These People

The custodians pictured above are: B. Kean (deceased), M. Hugh, J. Dukin, Head Custodian, B. Nicosia, and H. McMillan.

The custodians pictured below in the first row are: P. Bianchi, B. Nasta, A. Kerish; second row: R. Favor, C. Smith, A. Peterson, B. Flaherty, and L. Crumpler.

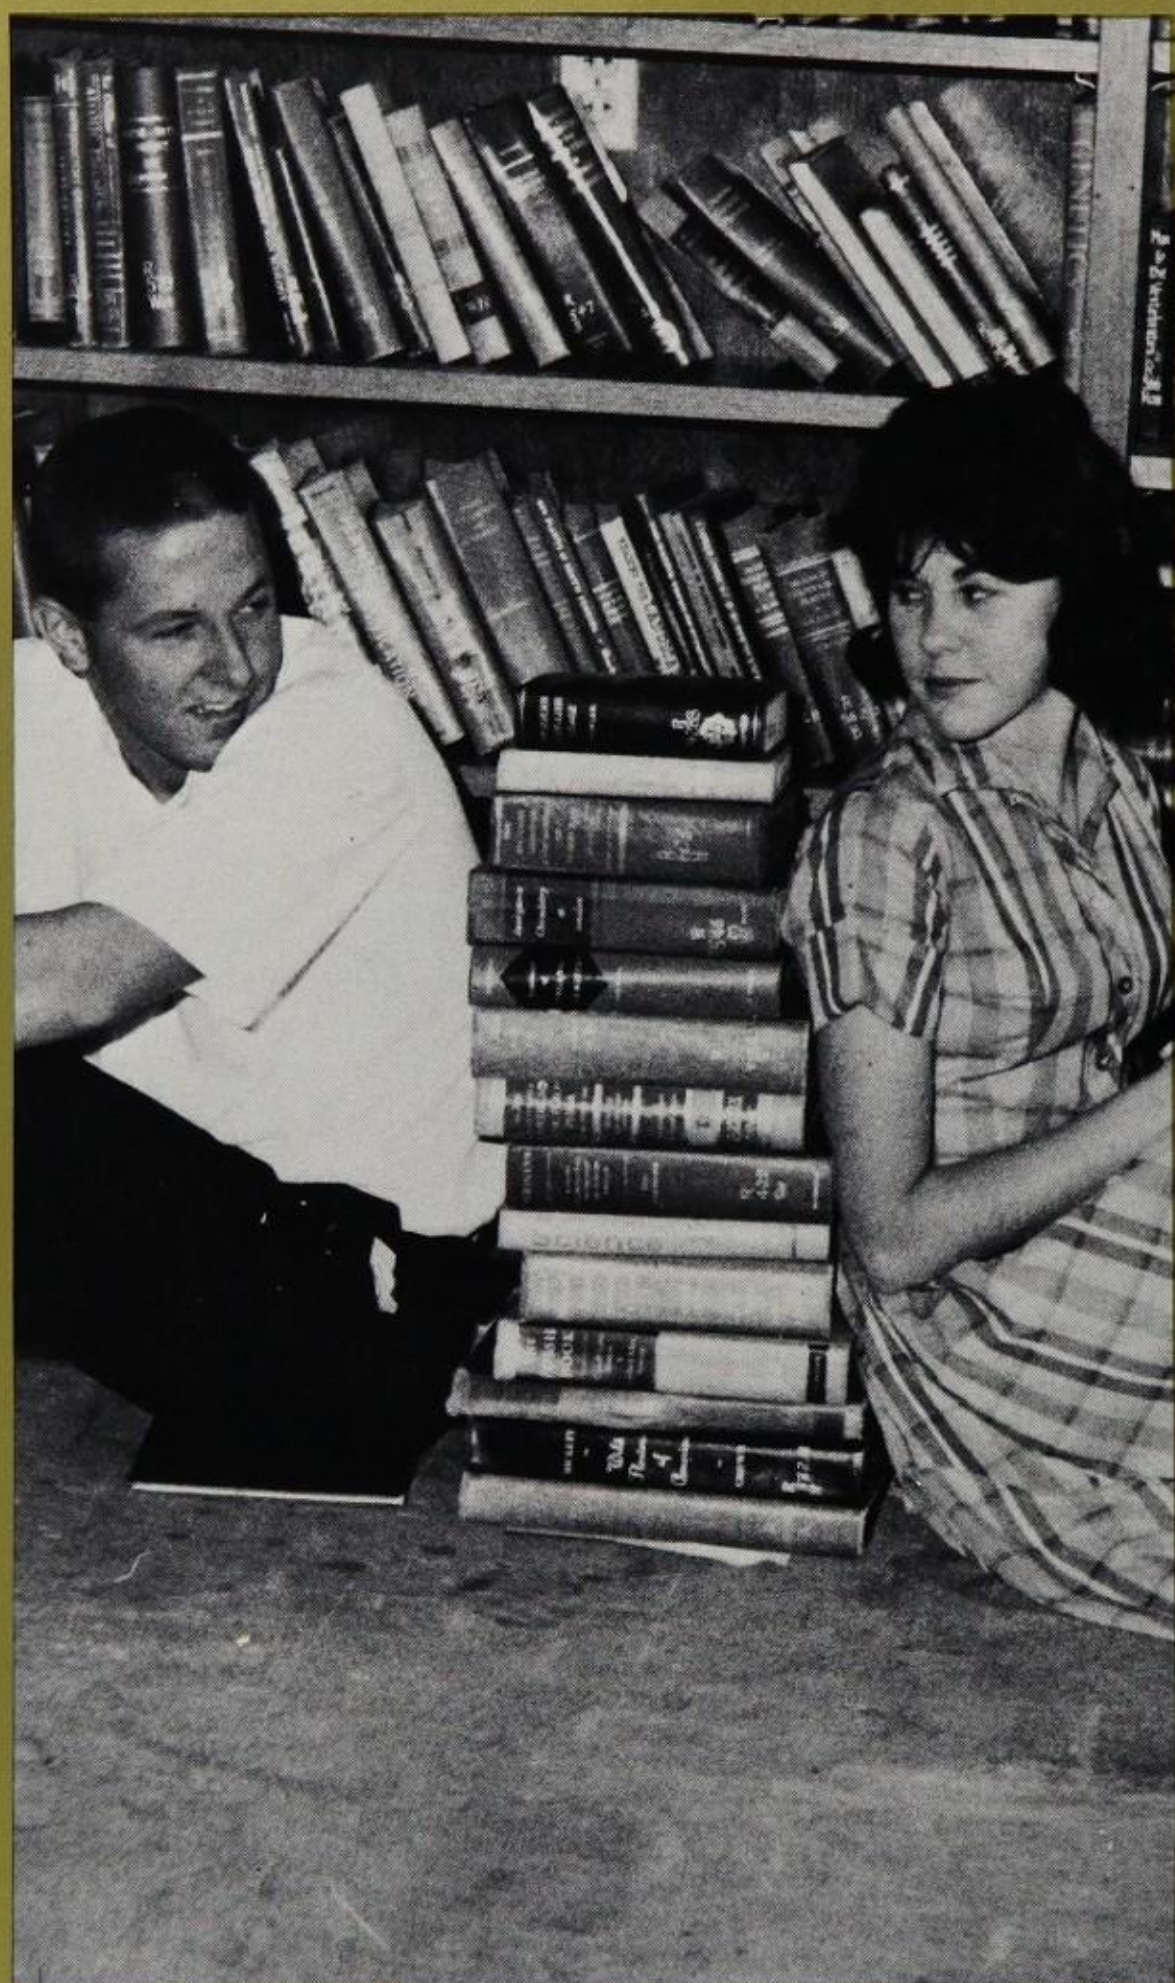

Cafeteria Staff Provide Nourishing Meals

Nourishing meals and a balanced diet are provided by the cafeteria staff of our school under the direction of Mrs. Forence Perko. Our staff members are: Belle Atzel, Julia Black, Jimmy Brown, Edna Clark, Mary Cline, Ruby Coosey, Martha Cowens, Willa Denner, Mae Diehl, Frances Finney, Alli Foster, Irene Gabriek, Evelyn Gwyn, Dorothy Groswald, Margaret Johnson, Mary McCoy, Julia McNeely,

Dorothy Miller, Marie Moureau, Viola Murphy, Dorothy Muthart, Edna Neuly, Anna O'Neill, Ann Papendick, Margaret Roberts, Edith Russell, Grace Sconiers, Betty Servatt, Jessie Smith, Lessie Mae Smith, Gertrude Snowden, Ada Souden, Aretha Stafford, Evelyn Stamp, Jean Stianchi, Lennie Van Eck, and Agnes Wolcott.

ACADEMICS

The Academic Curriculum, being the most important component of the school organization, has undergone the greatest improvement in the past ten years.

Ten years ago our classrooms were limited to three wings, for the seventh through ninth-graders. These students thought their school was adequate, but the real growth was yet to come.

Two additional wings devoted to science and vocational shops were added. Our science department can now boast of advanced courses in all phases of science, from physical science to chemistry and physics. Our extensive vocational shops are equipped with over \$300,000 in machinery.

Our progress has not been in these fields alone, our science department, much like our mathematics department, has advanced courses for interested students.

If a student started taking all the courses offered at our high school it would take him approximately 27 years to complete our curriculum.

Our progress in the past ten years has been measured by our academic process. Improvement must accompany growth for progress.

Students Master Basic Fundamentals in English

One of the most important things one can acquire in school is the ability to speak and write effectively. Success comes to the person who has command of his language.

Here at North Miami High, the English Department teaches the students the basic fundamentals of communication, and provides a survey of our cultural heritage through the study of literature. For those students possessing the necessary qualifications, honors classes provide an opportunity for more extensive study in English.

Miss Stella Lewis, of Widnes, England, this year exchanged places with our own Mrs. Mary Niles. Miss Lewis teaches twelfth grade English, while Mrs. Niles is teaching in a girls' school in England.

English literature is discussed by students with Miss Stella Lewis, our exchange teacher.

Students learn the value of the dictionary, and find many beneficial ways in which to use it.

Mrs. Chonin helps students in oral drills to develop their speaking.

Understanding Language, Understanding People

In this modern age, the key to understanding other people is knowing their language. Here at North Miami High the courses in French, German, Latin, Spanish, are offered to the students.

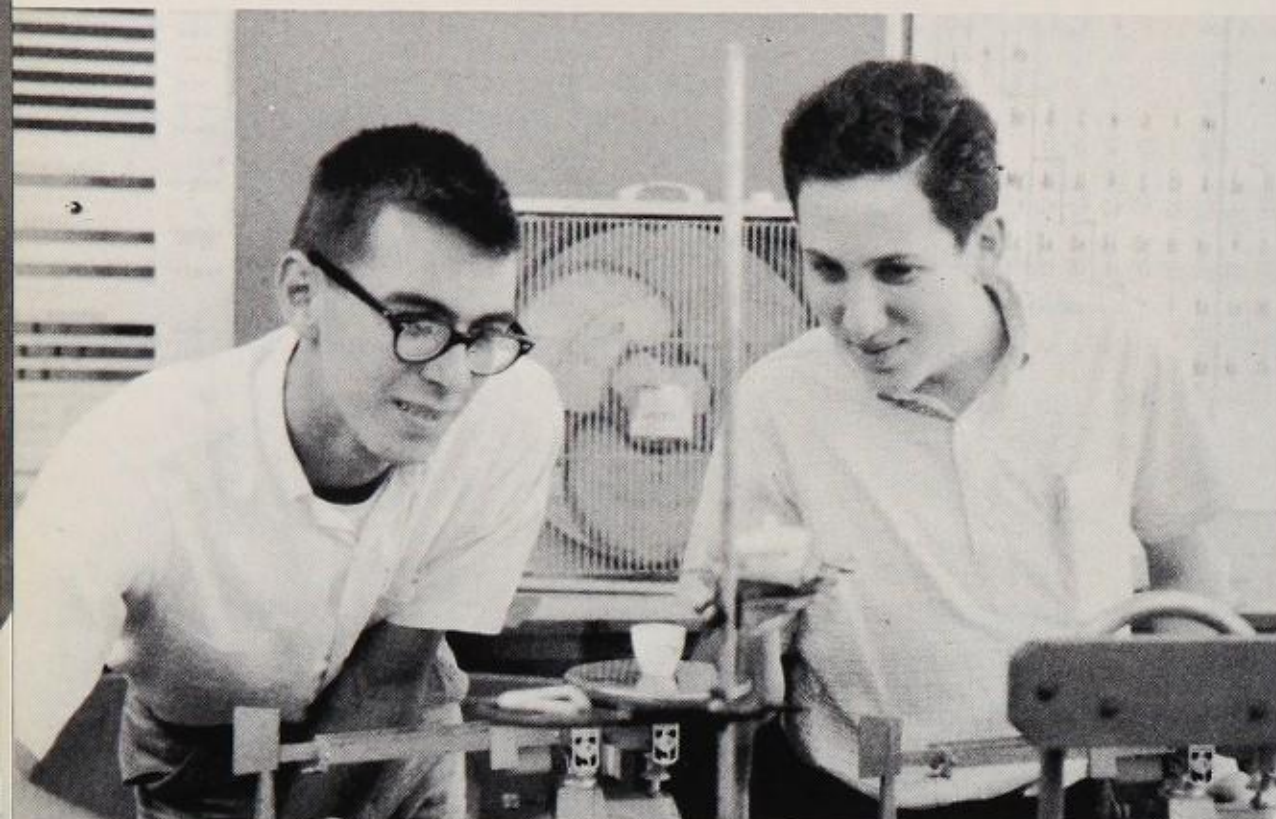

Mrs. Mitchell goes over French homework with her students.

This little man is a familiar sight to all Russian students.

Latin students listen attentively as Mrs. Beal teaches them conjugations.

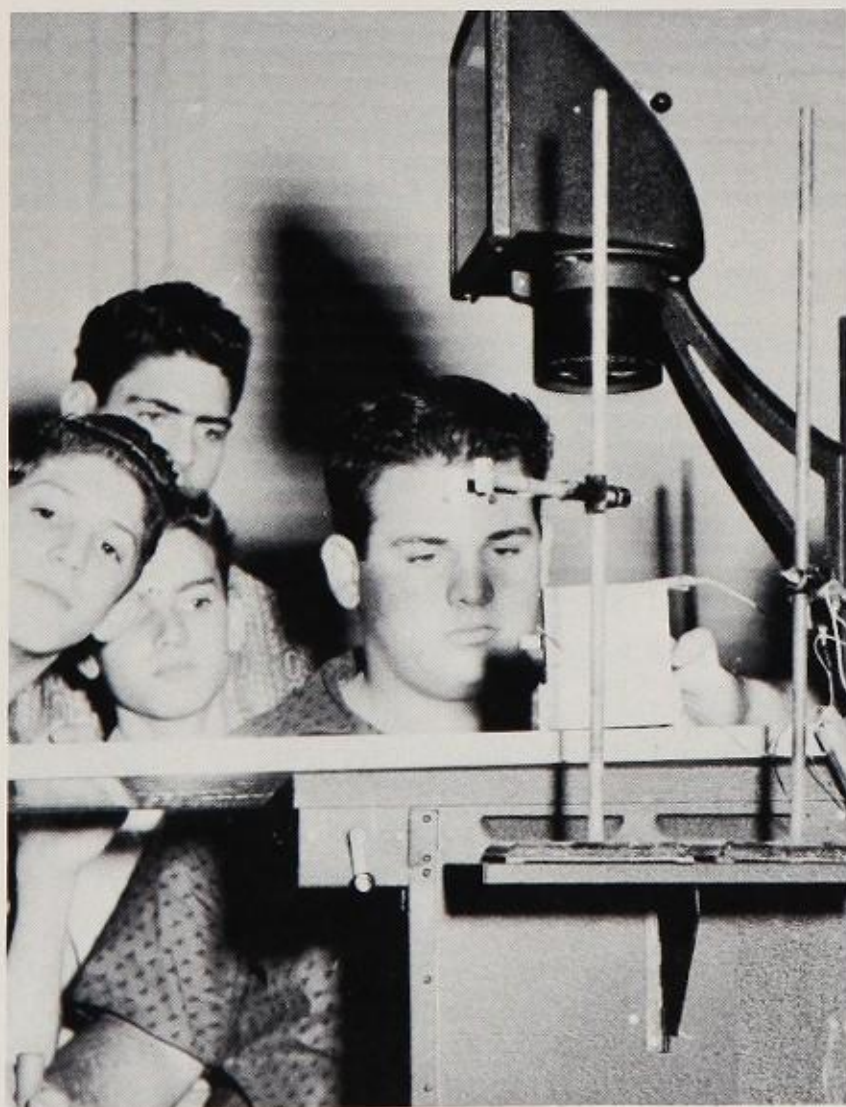

Chemistry students heat crystals in preparation for an experiment.

Science, being such a rapidly growing field, is given special attention in our curriculum. Under the direction of Mr. Spencer, the department offers biology, chemistry, physics, honors and advanced courses. Of the eight courses offered in science, only one course is required, three may be elective, and to qualify for the other courses, the student must be recommended by a previous science teacher.

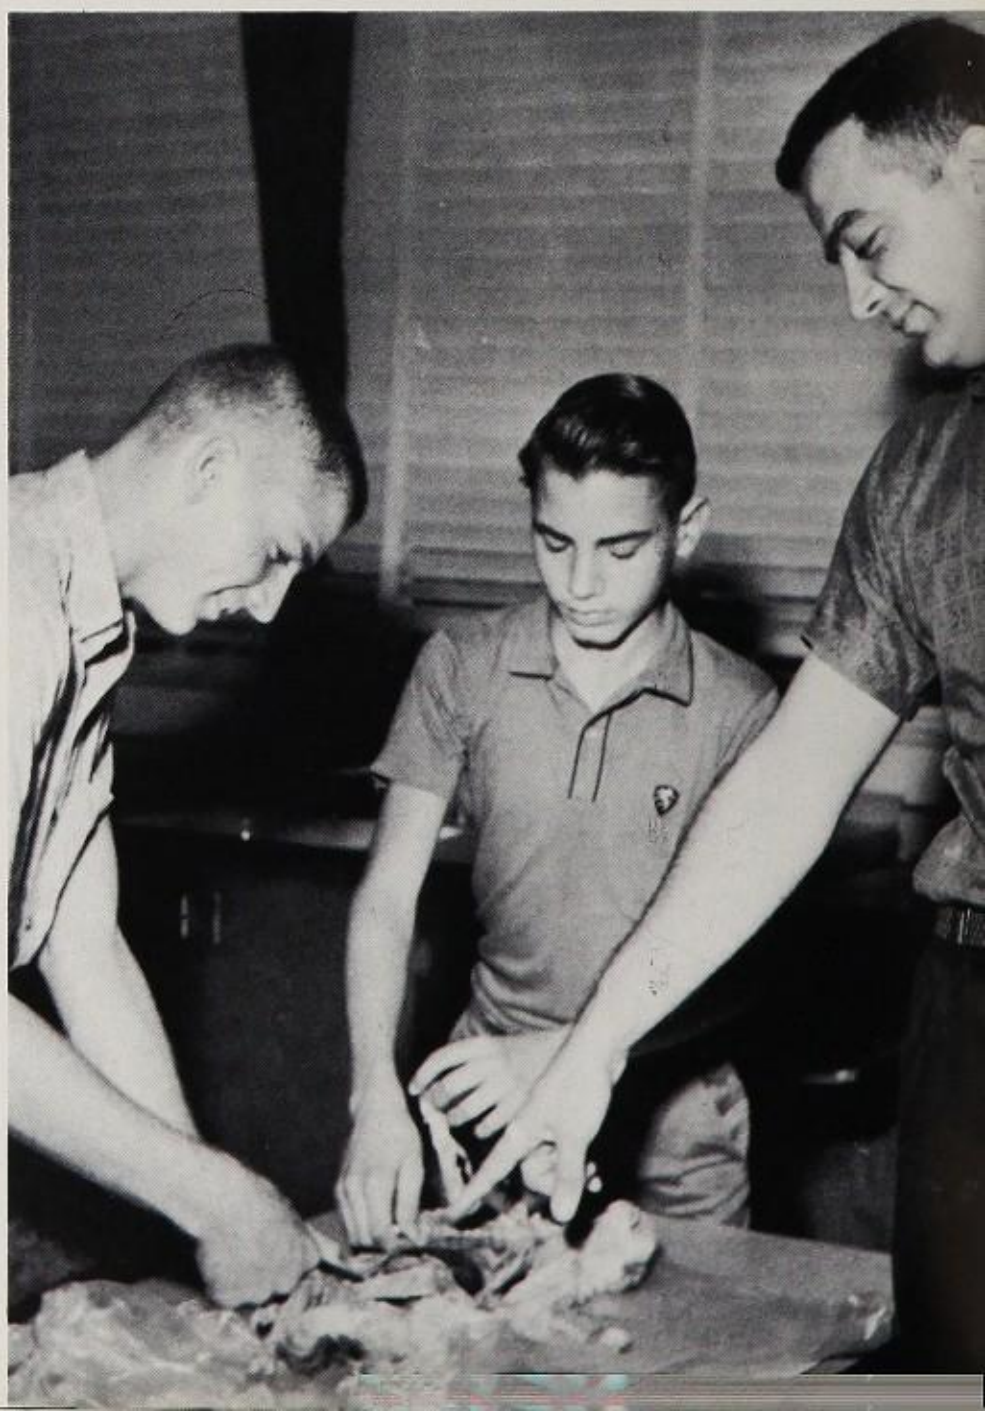

Our science wing is always filled with busy students using the microscopes in biology, beakers and bunsen burners in chemistry, and scales in physics.

Present Research Develops Future Scientists

Physics students make practical tests of their theories.

Biology students, aided by Mr. Viviano, learn anatomy through lab exercises.

Students find the beauty of geometric figures in models done with colorful string.

Math—The Queen of the Sciences

Mathematics is very important today in the vast fields of science. In our mathematics department courses from basic math to Math Analysis and Analytic Geometry are offered. These courses not only prepare students for their more advanced education, but give them working knowledge which

they may apply in every-day living.

Students enrolled in our math programs in previous years have brought many honors to North Miami High from Science Fairs and Silver Knight awards.

Business math courses help many students as they prepare for a career.

Mrs. Branhan stimulates the thinking of her students in her geometry classes.

Lynn Vega and John Kemmerer study geography as a part of their social studies course.

Social Studies includes the study of man's past as well as his mental attitudes towards his present. A guide used in pursuing the social sciences relates to the quotation, "man's relation to man is long pondered enigma . . . and the answer will be the sword to cut the master knot of human fate."

While studying the past, students learn American history and government, world history and geography. Sociology and psychology, when presented to the student, aid him in understanding contemporary social problems. A student is taught how to better understand his friends and himself. Learning and understanding our past will guide our futures.

Mr. Edge brightens up his history class with a witty remark.

Sherry Samples places current events on the bulletin board.

Social Studies Develops Citizenship

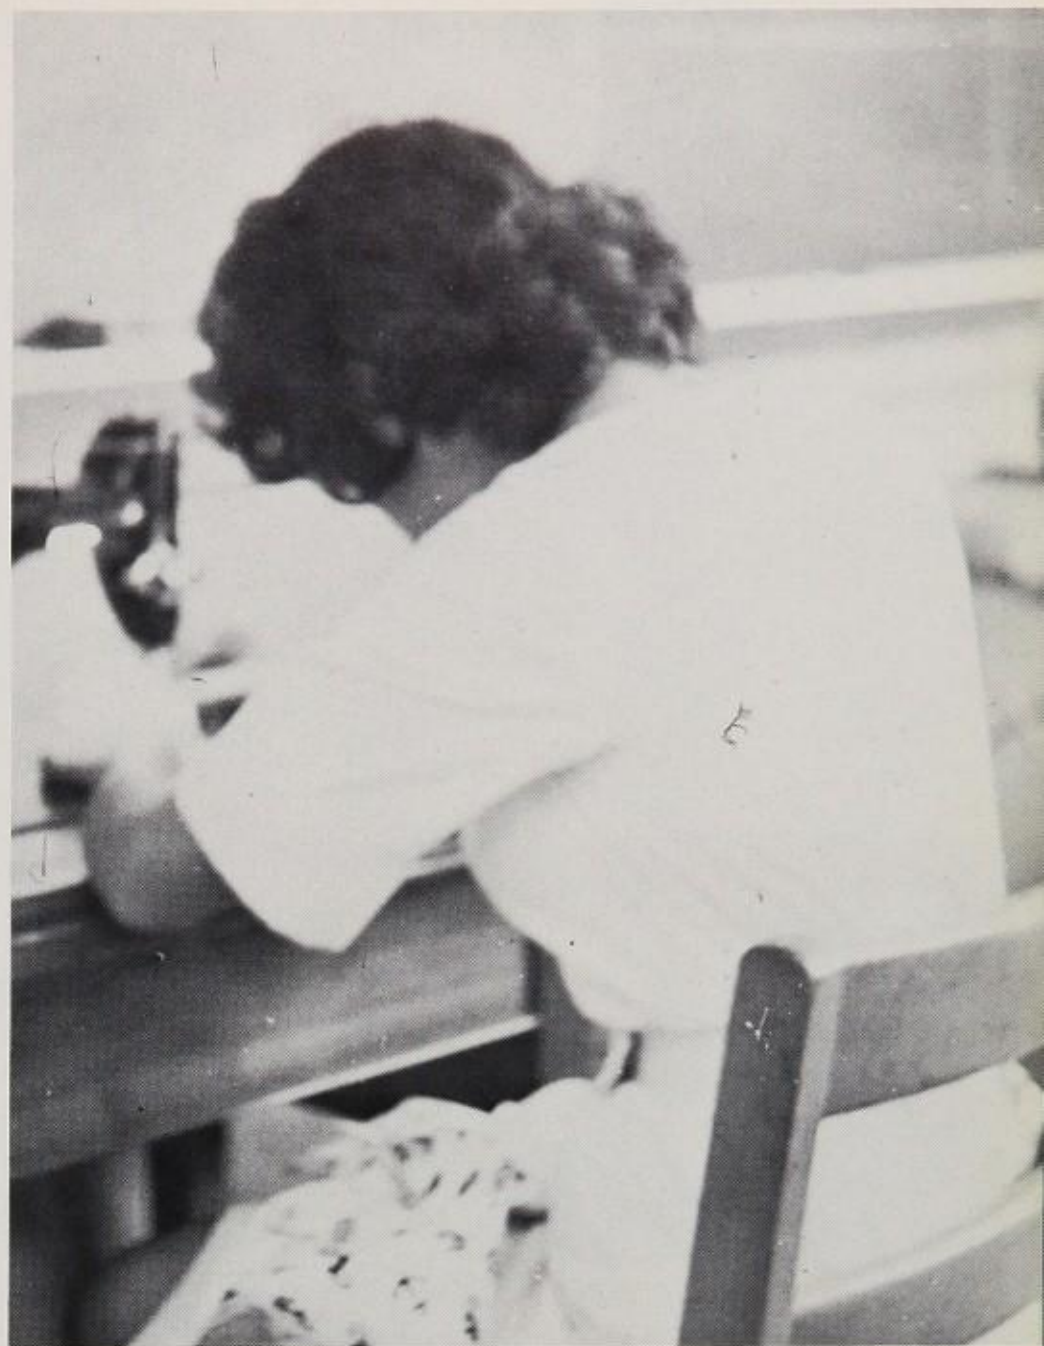

How to provide a well balanced diet is an important point to be learned in Home Economics.

Our modern family course disproves the idea of Home Economics being exclusively for girls. Both boys and girls are enrolled in this course where they get first-hand experience in taking care of their future homes.

Our home economics program also includes courses in cooking and sewing, covering such units as grooming, dating, child care and decorating.

The ability to make your own clothing and work with fabrics is one of vital importance.

Home Economics Prepares Students For Their Home Life

Learning to meet the problems of home life is one of the many facets of the Modern Family class.

Creative writing students examine last year's Kaleidoscope.

Fine Arts Develop Fine Skills

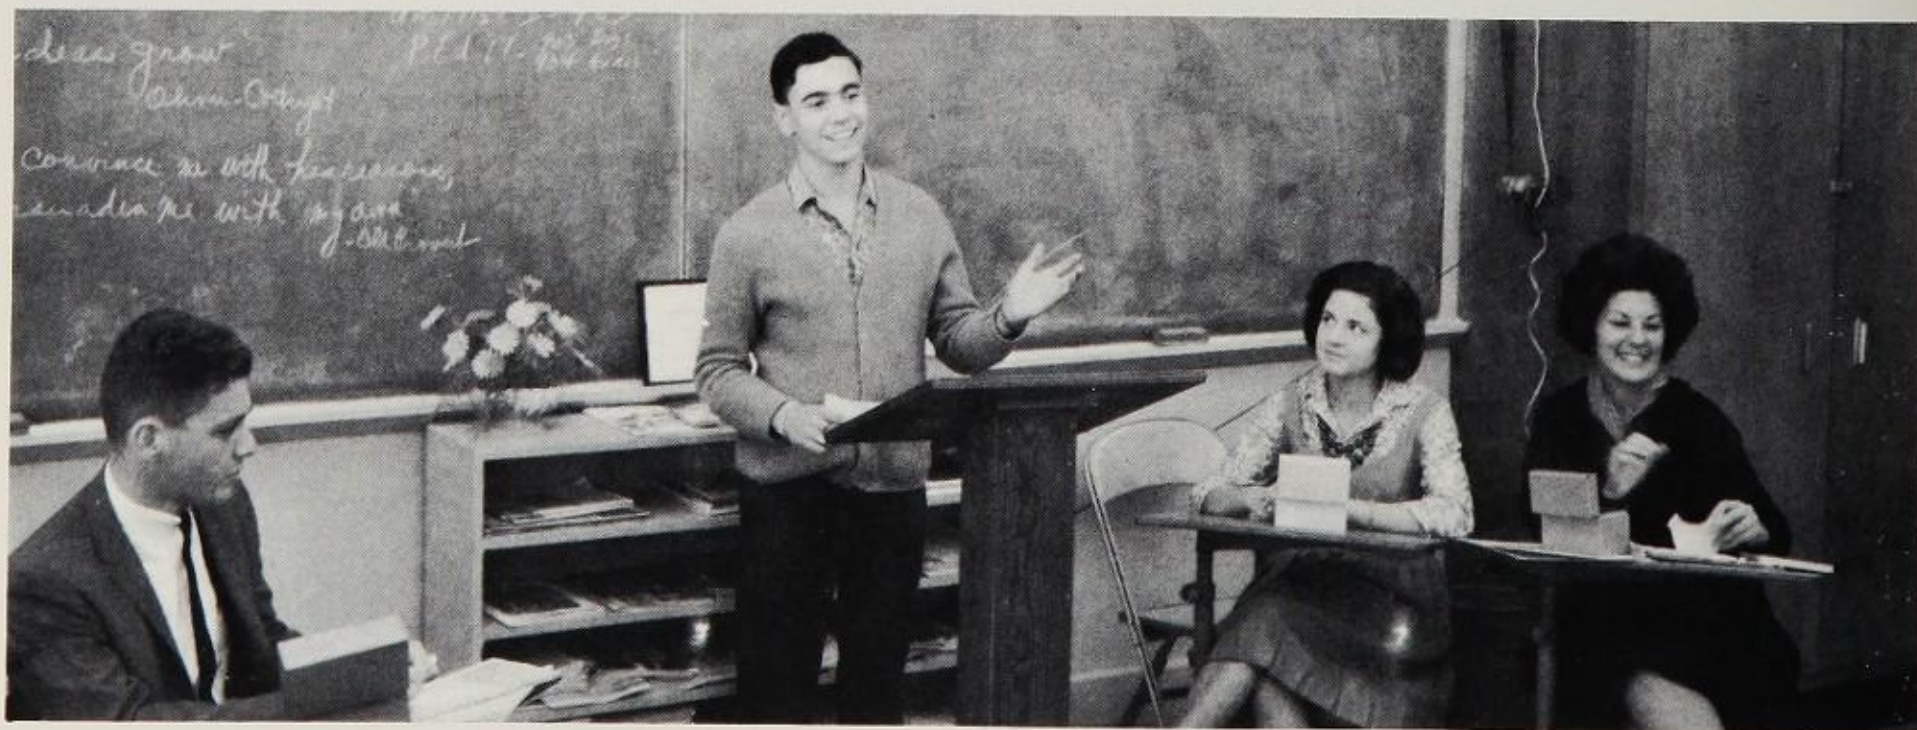

Maxine Levine and Elaine Edwards work hard to meet their deadline on the "Pioneer."

Through the creative arts students are able to express themselves. Creative writing classes, under the direction of Mrs. Gaetano, publish the Kaleidoscope, a literary magazine, produced exclusively by students.

Under the guiding hand of Mr. Niles, the "Pioneer", the school paper, is published every three weeks. Mr. Niles also directs the publishing of the yearbook, the "Conestoga."

In Mrs. Hicks' debate classes, students learn how to win an argument tactfully. Outstanding students attend debate clinic and contest where they debate members of other schools. These debaters have brought many honors to our school in the past years.

Claudio Aguirre displays his ability during a debate.

Art-Drama-Music-The Fine Arts Taught at North Miami Senior High School

Drama students, with the help of Mrs. Davis, present several productions throughout the year. Many of the outstanding students have the privilege of belonging to Thespians, a club exclusively for drama students.

Students interested in art either as a profession or a hobby find all needed facilities in our fine art department. Under the direction of Mr. Tobe the students are able to experiment in sculpturing, carving, and various types of paints and chalks.

"The sound of music" can always be heard coming from the band room. The marching band, under the direction of Mr. Alexander, can be seen at all the football games. The orchestra, directed by Mr. Signor, present many musical programs during the year.

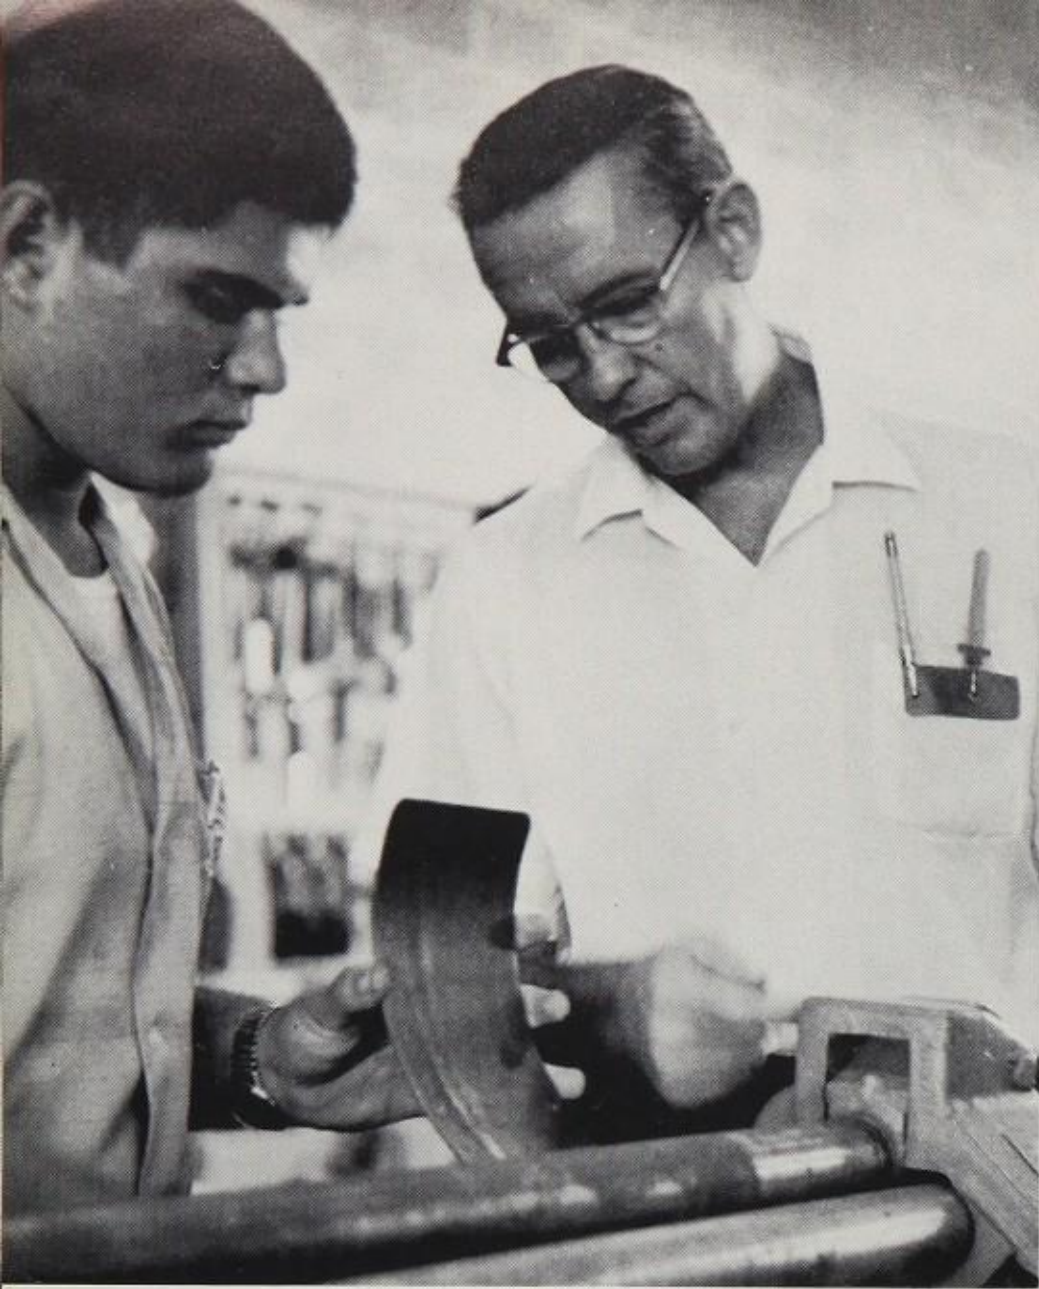

Mr. Alexander believes that "practice makes perfect" as he directs his band.

Mrs. Davis and her students watch carefully as drama students act out a presentation for her drama class.

These art students are deciding what they should do for their projects this six weeks.

Mr. Criswell teaches the techniques of rolling and shaping metals to Tom Koujales in metal shop.

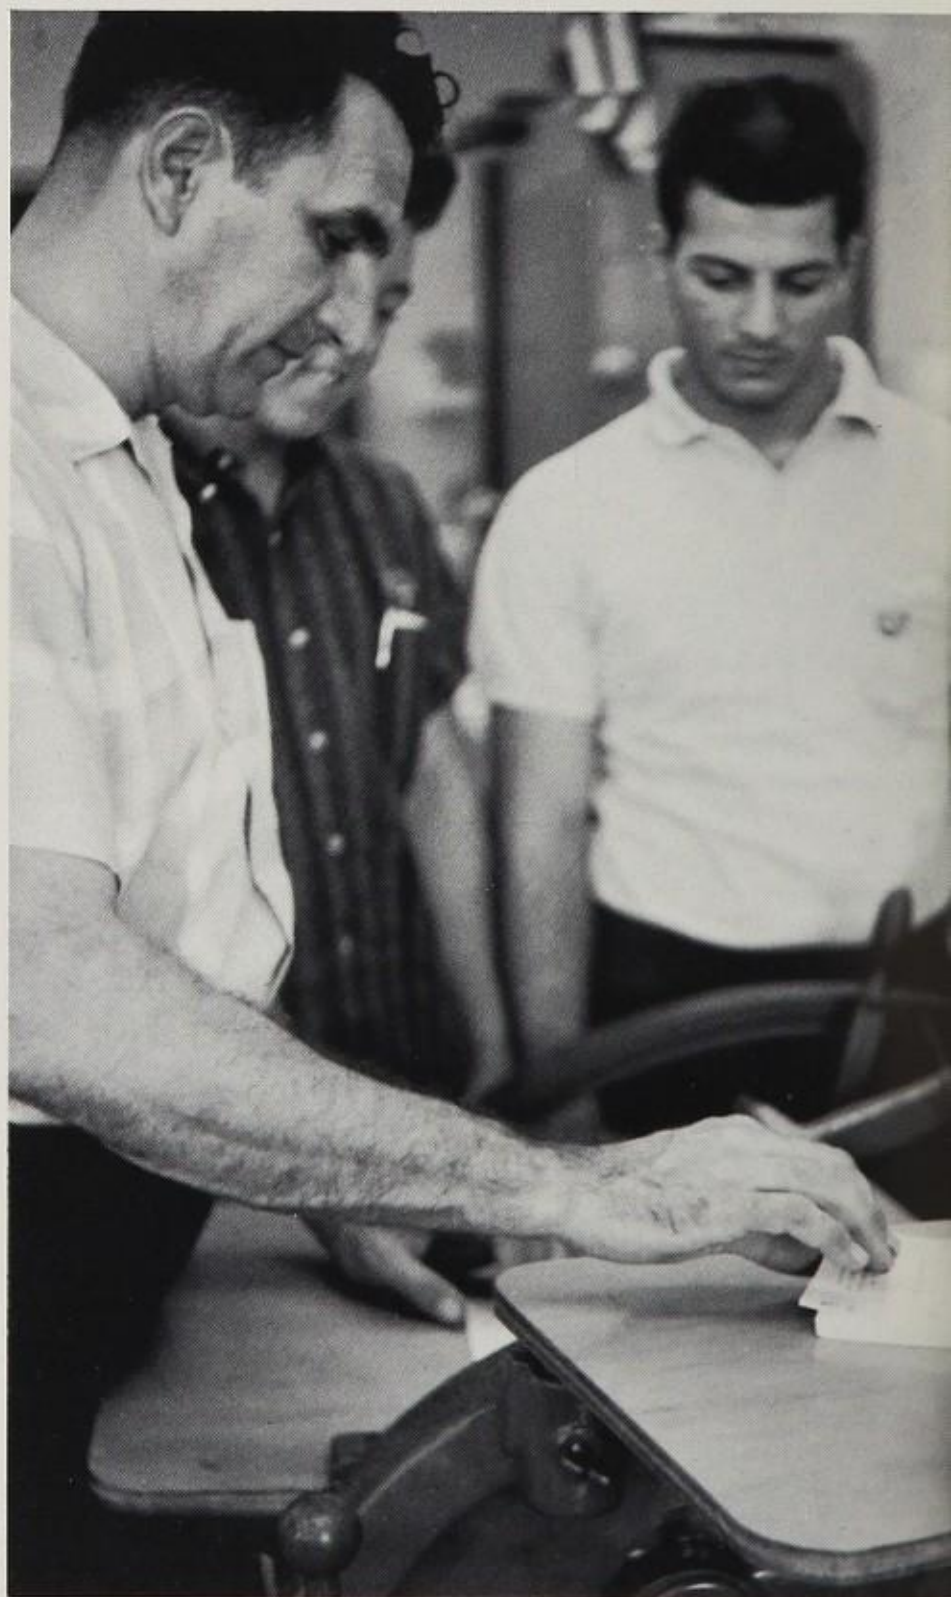

Instruction in servicing machines is given Jeff Levine by Mr. Ballou.

Vocational Education Prepares Students For Important Jobs

Since the onset of the Industrial Revolution, machines have been the link between man's ideas and their realization. Created by man, their purpose is never-ending, helping to reduce time and effort, and increase the capacity of production, affording man more time for relaxation.

Here at North Miami our vocational department teaches our students the importance and use of machines. The students are taught how to put these machines to practical use to make their work easier.

Mr. Zellers demonstrates the printing press to Ron Macchiaroala.

Students Prepare For Jobs in Business Education Courses

Students are offered special training in various business education courses here at North Miami High. These courses include typing, shorthand, bookkeeping, and IBM operations.

Seniors may receive on-the-job training. They attend classes in the morning and work in various positions of the community during the remainder of the day.

There are several clubs especially for students who are active in this type of work. Some of these organizations are DCT, CBE, and FBLA.

Helene Krupa works diligently in learning the use of the IBM machines.

This student learned that operating the switchboard in the main office is a very tedious job.

Students master working of the adding machines in their business courses.

ORGANIZATIONS

The purpose of the school organizations is to teach the students compatibility. Every facet of school life teaches students how to work with others.

Foremost in teaching this harmony are the organizations sponsored by the school. Students are able to achieve positions of leadership while they learn to follow orders as well.

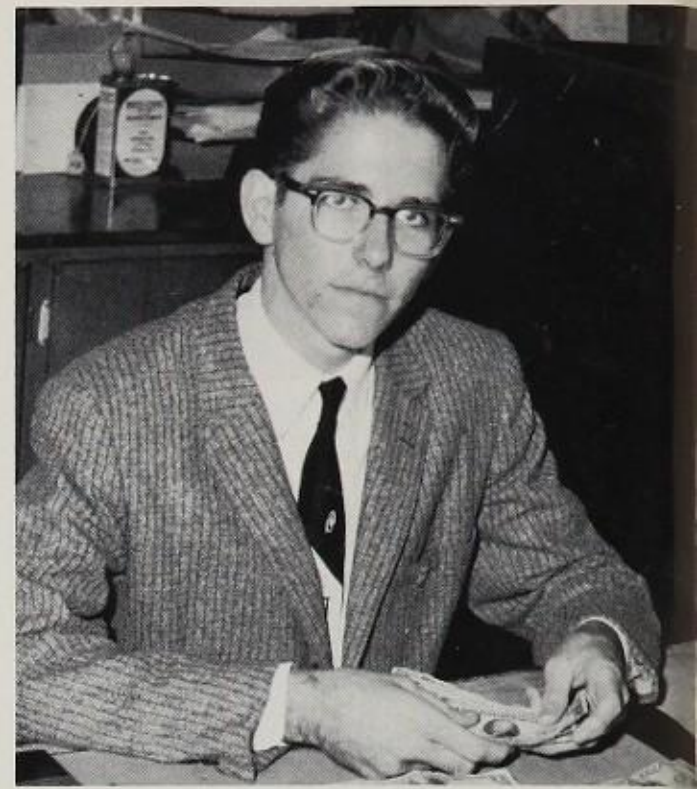

As clubs have been added student participation has increased, where there are now 55 student organizations. In this way students form close friendships that have lasted far beyond high school.

As our school grew the students could be proud not only of the general growth but of the growth of certain sections in school. With the opportunities the students had to belong to a club they can truly appreciate their democratic living. Each member of the organization has an equal voice in decisions made by the club.

Progress has been shown through the school building and the enlarged curriculum, but the most important progress has been made by student participation through school organizations.

Penny Hook, Editor-in-Chief; Sheri Rarback, Editor; and Susan Freundlich, Assistant Editor discuss future plans for the yearbook.

Business Manager, Bob Fisher, counts money and receipts for daily yearbook sales.

Yearbook Production Teaches Fine Points of Creative Journalism

Young people interested in photo journalism have an outlet for their interests on the yearbook staff. These students specialize in different staff positions while learning all phases of yearbook work. To be accepted on the staff, a student must have completed one year of journalism in his sophomore year. That year they learn fundamentals in journalism, copy and layout techniques. By the end of their sophomore year they may choose their field of study for the following years. A student can

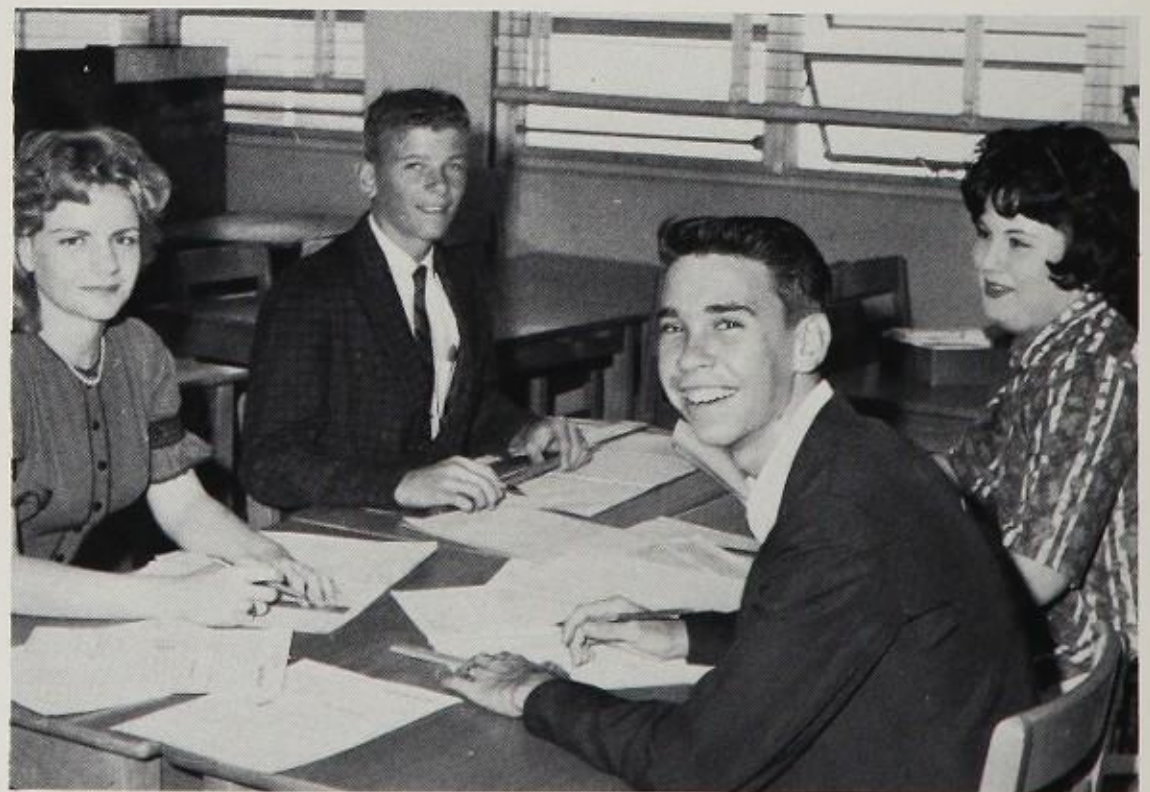

specialize in his second year, and in his senior year is eligible for an editorial position if his work is worthy of merit. Their sponsor, Mr. Niles, is constantly looking for new people to join his staff. These people must exhibit a zeal for working and an ability and talent for journalism.

All students on the staff are greatly rewarded for their efforts when their finished yearbook is presented to the student body.

Roberta Herbert, advertising manager, is responsible for our advertising section.

Judy Grundner, Faculty Editor; Frank Rackstraw, Danny Robinson, and Pat Murphy draw layouts for club section.

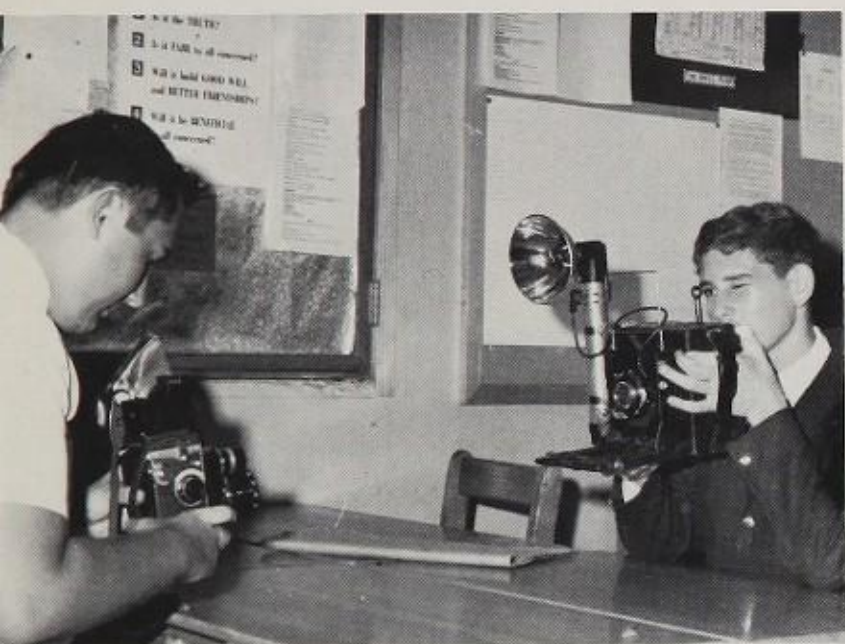

All pieces of art work are handled by Ellen Geneson, Art Editor.

Lynda Reese, editor of Senior Directory, and Cheryl Mahoney, Senior Editor are busy preparing copy to be sent to the printer.

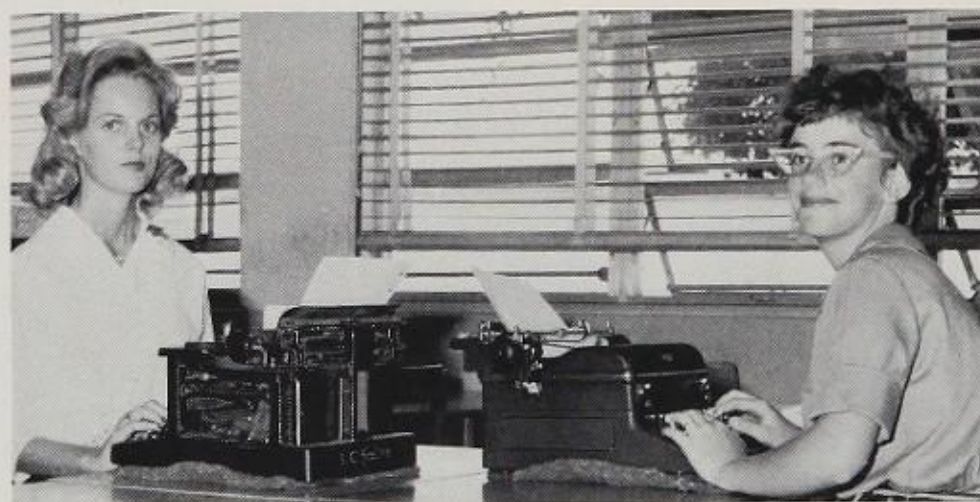

Joe May and Barry Schiffman, photographers, focus their cameras before taking pix.

Curt Williamson, Circulation Manager, is showing Diane Herrerra the merits of last year's Conestoga.

Without the advice and guidance of our sponsor, Mr. Niles, a top-rated yearbook would be impossible to produce.

Anchor Strives to Serve

Serving their school and community are the members of Anchor Club, now ending their fourth year at North Miami High. Maintaining a 2.8 average, the girls develop initiative, prepare for the duties of citizenship, and learn to cooperate with others.

Working under their motto, "Anchored We Hold," the members hold bake sales, help with

the United Fund, Cancer, and Tuberculosis drives, and sponsor Health Week. Anchor placed in the Homecoming Float contest this year, and also take part in many other activities around the school to promote spirit. An honorary member of Anchor is this year's foreign exchange student from Chile, Claudio Aguirre. Anchor Club members also go to hospitals and homes for the aged to entertain the patients by singing and reading.

Civinette Members Combine Efforts for Worthwhile Projects

Civinettes, the sister club of Jr. Civitan, under the guidance of Miss Veling, combine their efforts in many worthwhile projects. The decoration of the goal posts at football games and the maintenance of our Senior Pond are some of the services rendered by the club to the school. They take part in the annual sale of Claxton Fruit Cake and sell "green and gray" shakers which are displayed at

our football games. In conjunction with their efforts to serve the school, Civinettes provide an annual Teachers Tea.

The most important requirements for joining are good citizenship, character, a 2.8 scholastic average, a 3.0 citizenship average, and a desire to serve the school and community.

Diane Wulf, Doris Warren, and Linda Keller are seen washing out the Senior Pond. This is one of Civinettes many projects.

Polly Snowden, Glenda Herman, and Pat Albasi are working on one of Civinette's service projects.

Carol Stoneberger, Corresponding Secretary; Doris Warren, President; Sandy Sherman, Treasurer; Diane Wolf, Vice-President; and Penny Forman, Secretary are the officers of Civinettes.

Donna Miller and Diane Roth serve refreshments at initiation.

Sorrota believes in "Service above Self", and the thirty-nine members of the club fulfill this pledge by actively serving the school, church, and their community.

Always keeping in mind the club motto "you have hitched your wagon to a star," Sorrota girls, under the sponsorship of Mrs. Chonin, perform many worthwhile projects during the year. Among their main activities, the club visits an old folks home and a local orphanage. This year the club collected money for the Fibrosis Drive and sponsored a toy and clothing drive. Sorrota has charge of the Christmas baskets that are distributed throughout the community, and the Christmas decorations for the school. The girls also conduct bake sales, give a fashion show, and hold their annual dance after the Edison Game.

Y-Teens Build Fellowship Through Faith

Y-Teens is an interest club with a two-fold purpose. They build up fellowship of girls, and try to realize the ideals of personal and social living to which we are committed by our faith. In this endeavor they seek to understand God, to share His love for all people, and to grow in the knowledge and love of God.

This year Y-Teens participated in a potato chip sale, Valentine Lollipop sale, and held a Mother-Daughter Banquet.

To become a member of Y-Teens a girl must have a 3.0 average and two teacher's recommendations.

Working together the Hi-Y boys plan a future project.

The Alpha Chapter of the Hi-Y strives to maintain these goals by instilling cooperation and leadership in their members.

Participation in school activities is amply demonstrated by the Hi-Y's appearance in Forensic Follies, the building of fun houses at our carnival, sponsoring the watermelon sale at the Senior picnic, and entering a homecoming float in our Homecoming Parade.

The Hi-Y is undertaking as its year's project the repainting of the teachers lounge. They also sponsor Cupid's Capers, a Valentine Dance, a tag sale during basketball season, and two car washes.

Sirena Promotes Spirit and Interest in The Swim Team

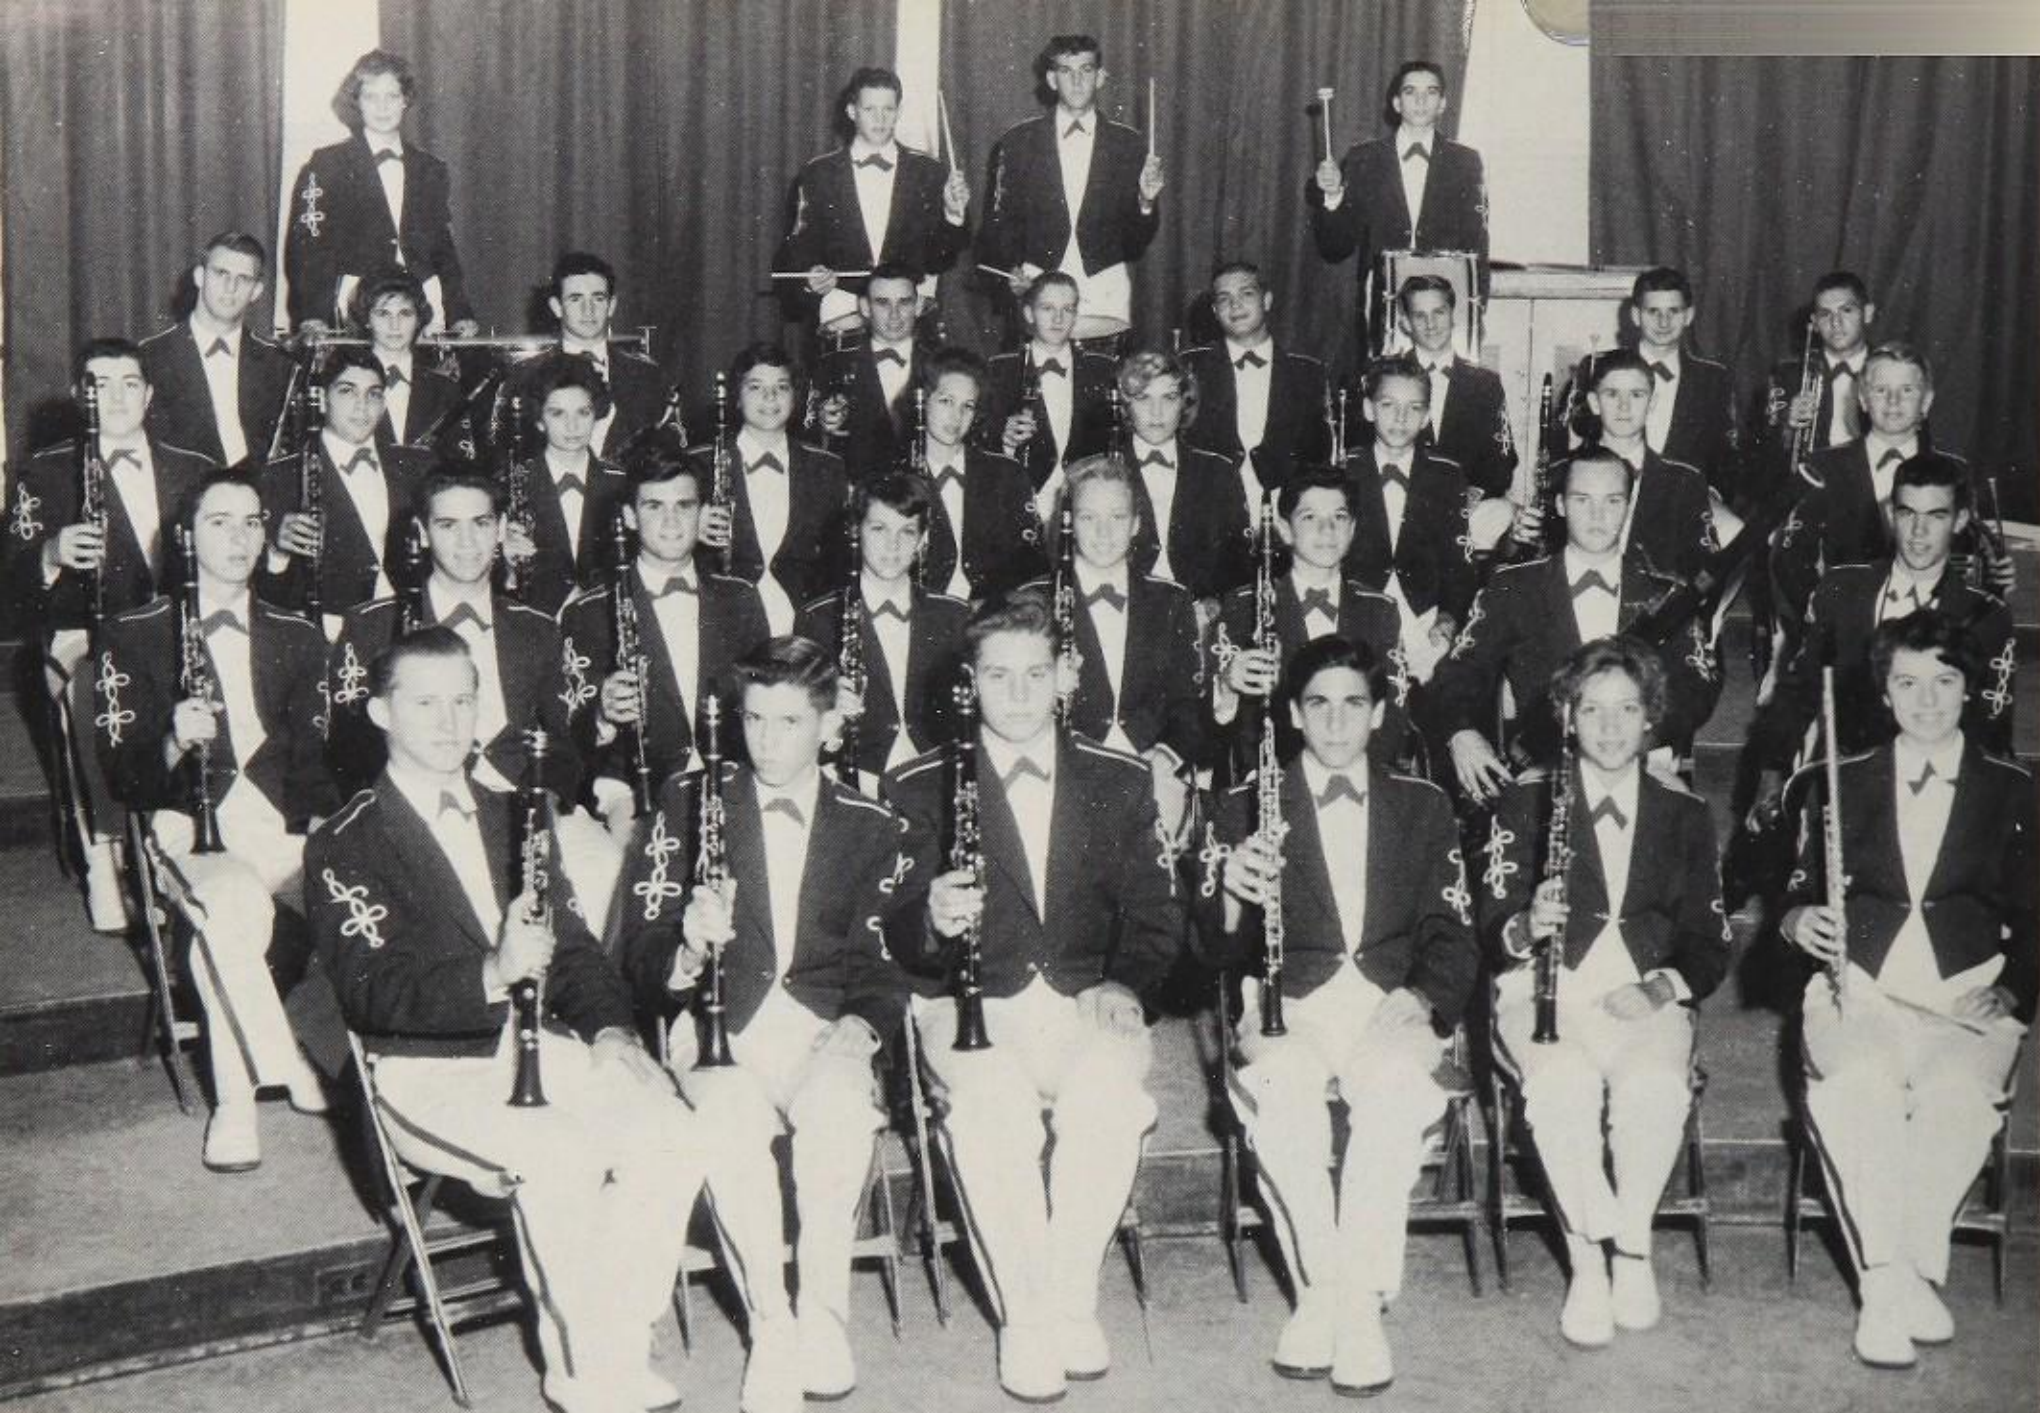

To promote spirit and interest in the swim team is the prime purpose of Sirena. They also strive to send the best swim team possible to the state meets.

To become a member, a girl must have a 2.0 average and a sincere interest in the swim team.

Sirena sponsored a bake sale, a joint dance with Drakes, and joint meetings with other Sirena and Drake clubs. They also devote much of their time to helping the unfortunate of our community.

Sirena girls go after a big win for the swim team.

Concert Band Provides Fine Music For Students

Mr. Alexander, director of Concert Band, prepares to give the downbeat.

Students have applauded their performances in our assemblies, on television, and in their annual rendition of Handel's "Messiah", which has attracted a large following. Members have brought honor to North Miami High each year in the District and State Music Contests and in their performance in the annual Spring Choral Festival. Their final performance of the year takes place at our graduation exercises.

The ability to appreciate good music is instilled in students participating in Concert Band. These young people are given the opportunity to advance culturally while expressing their innate talent.

This year our Concert Band has appeared in several concerts.

Bentley Shellahamer has served our school well. During the past two years he has been our drum major and student conductor. As drum major, Bentley has prepared and rehearsed several outstanding halftime shows.

He was a member of the all-state marching clinic in 1960 and 1961 and has played solo alto saxophone at many music clinics.

In addition to these accomplishments, he has maintained a 4.0 academic average.

Marching band officers are: FIRST ROW: Bob Beutel, Captain; Bentley Shellahamer, Drum Major; Danny Bellack, Lieutenant. SECOND ROW: Leonard Taylor, Captain; and Sharyn Udell, Lieutenant.

Our majorettes demonstrate a typical pose. They are: C. Gray, G. Daniels, A. Cobin, S. Allen, B. Hornsby, C. Cesta-

galli, S. Stout, L. Hogan, C. Carpinelli, L. Bockhold, P. Edwards, L. Holler, D. Kandel, C. Adamson.

Practicing one of their many routines are Glenda Daniels, Linda Bockhold, Sheila Allen, Sandy Stout, Pat Edwards, Linda Holler, and Carolyn Adamson.

Majorettes Lend Glamour and Spirit to Events

The sound of drums and brass, the flashing of twirling batons, herald the Majorettes onto the field. This corp of shapely twirlers brighten our football games and represent our school at various competitions. Glenda Daniels, the choreographer, originates the assorted routines the girls execute. Many hours of hard work and practice are needed to perfect the twirls, steps, and jumps the girls perform. The results show when the Majorettes proudly strut onto the field.

Leading the Majorettes are Glenda Daniels, choreographer, and Sheila Allen and Linda Hogan, Co-Captains.

Don Myers and Pat Edwards are the sweethearts of the Majorettes.

Mr. Dutton goes over a number with some of his students.

Take 66 well-blended voices under the able direction of Mr. Dutton, and we have North Miami Senior High's renowned Concert Choir. This year, for the first time, they participated in the Greater Miami Piano Festival at the Miami Beach Auditorium. They also partook in several school assemblies, shows, and participated in the seventh annual presentation of Handel's "The Messiah".

Our choir is renowned for their superior rating that they receive in the many phases of music that they present at the various musical contests. Each year their work ends with the presentation of the Spring Coral Festival, in which all of North Miami's Choral organizations participate.

A choir of 200 voices gave the seventh annual "Messiah" presentation.

Messiah, Glee Club Add To Musical Program

North Miami's "Messiah" choral group is composed of the Concert Choir, alumni, and any persons interested in taking part in this program. It has become part of our school's tradition. North Miami is the only school in Dade County that offers this performance.

The University of Florida Men's Glee Club, the "Singing Gators", is directed by Guy B. Webb and consists of 65 male voices. Annually, for almost 36 years, the "Singing Gators" have toured the major cities and schools of Florida, giving their concerts.

The University of Florida Men's Glee Club performs for North Miami in their annual tour of Florida.

Student Council Instills Citizenship

Keeping students informed of school policies and activities is just one of the many purposes of our Student Council. Under the leadership of Mr. Howard Lipscomb, the officers and representatives help to develop responsibility, initiative, leadership and school pride in the students of North Miami High. The Student Council sponsors many activities throughout the year such as Orientation Week including a Friendship Dance at the beginning of

the year, Spirit Week and pep rallies during football season, and many other service activities. The Council undertook some new projects this year when they organized the Senior Consultants to aid sophomores in their first few weeks at school, and helping to sell "Pioneers" for the Journalism Department. By promoting student-faculty relations and coordinating activities, the Student Council does a great service to North Miami High.

I.C.C. Co-ordinates Club Activities

Coordinating the activities of the various school clubs and organizations for the benefit of our school is the Inter-Club Council. Headed by the Vice-President of the Student Council, membership is composed of a representative from each club in the school. The Council's activities this year included the bonfire at the beginning of the foot-

ball season, other pep rallies, the decoration of the halls and walks to promote school spirit, the sale of tickets for various events, and the annual I.C.C. Sweetheart Ball, which honors the newly elected sweethearts of the clubs. I.C.C. also supervised the election of the Homecoming Queen and the election of class officers.

Audio - Visual Aides Augment Teacher Instruction

The Audio-Visual department is one of the busiest organizations at North Miami High. It is responsible for operating our motion picture machines and slide projectors. Whether a class wants a tape recorder, or a record player, the Audio-Visual department will aid them.

Our Steering Committee consists of Wayne Virag, Elaine Boryk, Mr. Bullington, Carol Kratman, Miss Hill, and Stanley Hanson.

Steering Committee Assists in Testing

The Steering Committee of North Miami High consists of two students from both the junior and senior classes who are interested in guidance work as a career. These students are under the direction of Miss Hill, who is in charge of our general testing program, and Mr. Bullington, head of the Guidance Department. These students assist in the major testing programs of our school and in the annual College Night.

The main purpose of F. T. A. is to help prepare students for the teaching profession so that they will have the knowledge of what to expect and how to best plan their preparation for this profession. Sponsors are Mrs. Rowe and Mr. Joe Cox.

The students receive a chance to put their learning to work by teaching at Biscayne Elementary School. Some of the other activities in which the members participate are Teacher Appreciation Day, a bake sale, an annual dance, a field trip to the University of Miami, and Student Government Day. The Future Teachers also assist in teaching the handicapped children of elementary school age.

Thespians Promote Interest In Acting

Thespians, a society dealing with the drama, proposes to help those with an interest in the theater. This year they produced a musical in addition to two other outstanding plays. They have participated in other outstanding festivals at the University of Miami. The students joining Thespians must have achieved ten points by working in plays or backstage; this ensures a true interest in drama, and these students will work for the club.

Their motto is "Act well your part, for therein the honor lies." It is worthy of the hard work and devotion these talented students display.

National Forensic League Members Gain Poise Through Speaking

To train the students in effective speaking and leadership in a democratic country are the goals of the National Forensic League.

Originated in 1955 under the sponsorship of Mrs. Hicks, the N.F.L. members participate in many local and out-of-town activities. This year some members have attended the state Student Congress at Florida State, a Discussion Conference at the University of Florida, and the State National Forensic League Tournament at Stetson Universi-

ty. This group is also in charge of the Forensic Follies show at our school in which all of our clubs participate. Each year they have a pickle sale, and maintain the Speakers Bureau in which prominent people come to our school assemblies and talk.

Members must maintain a 2.6 average for membership and earn 25 credit points in competitive speech activities.

OFFICERS OF N.F.L. are: Keith Barish, President; Mike Solomon, Corresponding Secretary; Roberta Messinger,

Recording Secretary; Vivian Levin, Vice President; and Mike Storace, Treasurer.

SENIOR MEMBERS, ROW ONE: Mr. Williams, Jules Zucker, Jay Beskind, Claudio Aquirre, Ellen Geneson, Joan Koppelman, Barbara Schoenberger, Tina Sullivan, Vicki Greenberg, Ellen Stern, Diane Denning. ROW TWO: Bob Corrado, Marcia Elmore, Roberta Liss, Lynn Vega-

Beta Recognizes Scholarship

This year Beta has two sponsors, Mr. Murrell and Mr. K. Williams. Under their leadership the members strive to create enthusiasm for scholarship, encourage development of character, render service, and promote leadership.

Requirements for membership are rigid: a 3.6 scholastic average for the previous semester in all school studies, participation in significant extracurricular activities, and demonstration of quali-

ties of leadership. Membership shall be based upon honor, character, scholarship, creditable achievement and commendable attitude.

Beta sponsors Better English Day, Student Government Day, the Foreign Exchange Carnival, the confetti sale, and the mistletoe sale. They also publish the Honor Roll and present the Distinguished Scholar Award to outstanding seniors.

Beta members work hurriedly to prepare for the Homecoming Parade.

Officers of Quill and Scroll are Mr. Niles, Sponsor, Elaine Edwards, Treasurer, Steve Grisillo, President, and Penny Hook, Secretary.

Quill And Scroll is Goal of Journalists

Quill and Scroll is an honorary society for high school students. In order to become a member, a student must be nominated by the journalism sponsor, maintain a 3.0 average, be outstanding in journalistic achievement, and rank high in leadership and citizenship. A member must have published a minimum of two hundred inches or its equivalent in photography, art, or business.

Students who excel in journalistic studies find Quill and Scroll an excellent outlet to improve their work and receive criticism from people with literary talents.

Dining at a Quill and Scroll initiation are: Mrs. Rice, Mr. Rice, President, Steve Grisillo, and Treasurer, Elaine Edwards.

Future Nurses of America

The girls in the Future Nurses of America at North Miami Senior High have a desire to aid the sick and comfort the wounded. The members usually plan on entering some phase of the medical world and raise money through many worthwhile projects. During the year they sponsor bake sales, dances and candy sales. Through their efforts they have set up a fund for optical and dental aid for underprivileged students at our school. Their many field trips add worthwhile knowledge to their quest in the medical profession.

National Honor Members Aim High, Work Hard

The members of the McKay Chapter of the National Honor Society are scholastically in the top one per cent of the school.

The purpose of the club is to "recognize and encourage scholarship — to stimulate and promote higher ideals of citizenship."

The requirements for membership are at least a 3.8 average for each of the two previous semesters, a satisfactory record of character, participation in significant extra-curricular activities, distinguished service to the school, and demonstration of the qualities of a leader.

Under the direction of Mr. Bertok, the club sells stationery, has a tutoring service, is in charge of "Words for the Wise", and has a booth at the Foreign Exchange Student Carnival.

Books are familiar aids to National Honor Society members.

Tri-M Fosters Music Appreciation

Guiding the destiny of Tri-M this year are the officers: Ann Marie Leonard, President; Bill Partridge, Vice-President; Tom Grozan, Treasurer; Maureen King, Chaplain; Dianne Patterson, Secretary; and Sylvia Dine, Historian.

This national honor society for high school people interested in music enables students to enhance their talents.

Modern Music Masters limits their membership to students achieving a "C" average academically and a "B" average musically. They strive to promote a greater and continued interest in all phases of music: solos, ensembles, band, orchestra, and choral performances.

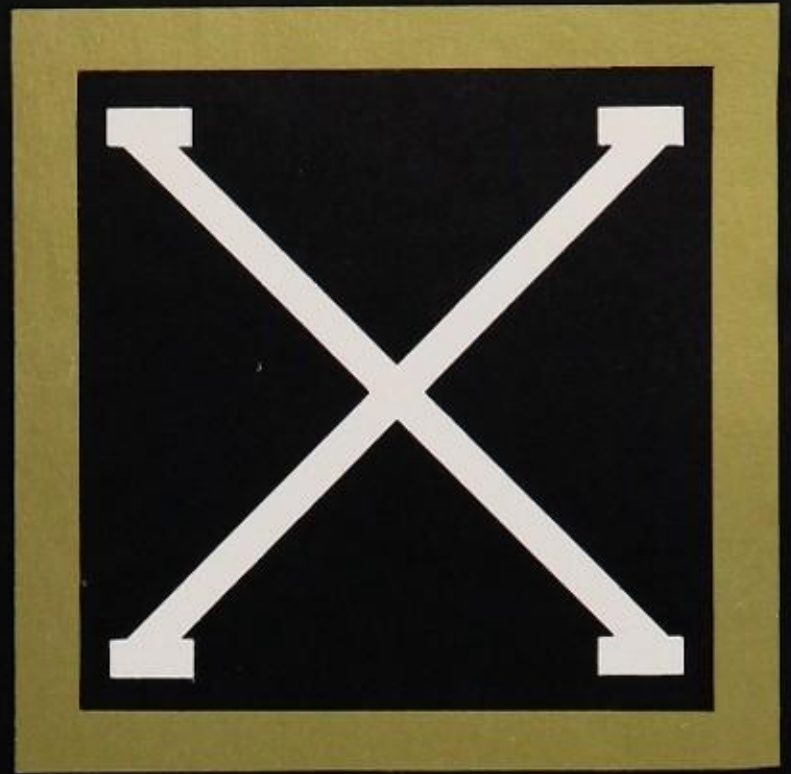

Community and school activities hold an important place in this organization. They have donated over \$30 of recordings to our library, ushered at all musical performances, and sponsored the "Singing Gator" performance at our school.

Discussing this year's calendar are Doris Warren, Ann Marie Leonard, Tom Grozan, Dianne Patterson, Diane Denning.

ATHLETICS

Man has always found it necessary to have strong bodies as well as strong minds.

Our athletic program provides students from our school with an opportunity to develop sound bodies.

Progress covers all areas; it is not confined to the classroom alone. We have experienced equally as much growth on our athletic fields as we have in academic fields.

As our school was growing, the perfect outlet for student enthusiasm was in athletic contests. Students on the sidelines were able to participate just as actively as the players on the field through their school spirit. School spirit, an essential component of each student's personality, is the yardstick that measures the degree of interest students display in their school.

Student participation grew with renewed excitement as each new victory was accumulated for North Miami Senior High. Victories are easily well received, but our young sports teams had to learn to accept defeat as well. With each new year came more experienced players, players who excelled in sportsmanship, who enjoyed athletics with no idea of reward. However, the rewards are an integral great part of athletics; not only the tangible trophies, but also more lasting ideals, which are instilled through sports programs. Participation on teams teaches the important lessons of cooperation and teamwork. Realizing a single person is just one part of the entire team, whether it is a school, community, or a national team, puts our society in a perspective for the students. They realize this necessity of sharing their talents to work for the goal of the entire team, not just their individual successes.

Achievement comes through fair play and teamwork. This teamwork in sports as well as academic life has contributed greatly to our first decade of progress.

Varsity Gridders Finish With 4-5-1 Record

North Miami footballers opened their 1961 season with a bitter revenge meeting with Edison. Falling beneath a Red Raider rampage, the Pioneers suffered a 39-0 loss.

Determined not to fall in such a way again, Coach Bogart's eleven pushed into an even more rugged game with Norland's Vikings. A bad break on the conversion try hit the Pioneer gridders for a 7-6 defeat.

Stunning the Cavaliers with a 0-0 shutout, North Miami threw her jinx and in their next game arrazed Jacksonville's Ribault team in a 34-7 romp.

Miami High was next on the agenda and the

Pioneers fell before the national champs 27-0.

Then came two wins in a row for the Bogart-men as they took Miami Military's Kaydets 44-0 and downed Miami Jackson 19-7.

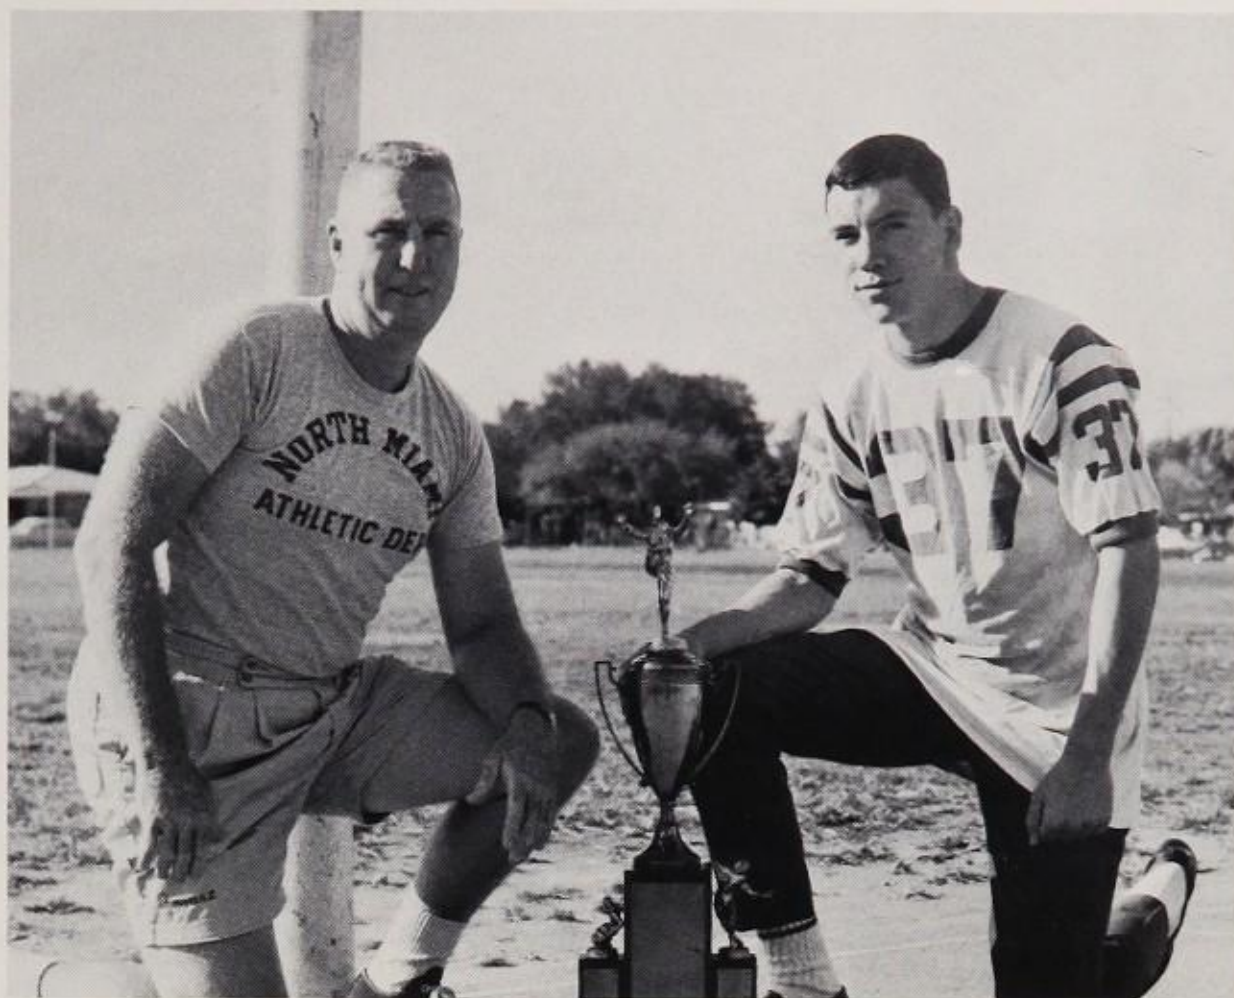

Next North Miami's gridders took a short jaunt to Jacksonville and lost to Andrew Jackson in a chilling 33-7 game.

Back home again, the Pioneers played losing host to Jacksonville Lee, as they dropped their ninth bout of the season 14-6.

In the last game Hiaelah fell for the third straight time, 13-6, in a high spirited rival Homecoming game, leaving the Pioneers with a 4-5-1 record.

Senior players are: FIRST ROW: J. Muthart, K. Osborn, J. Wirth, D. Meyers, H. Johnston, and P. Gysan. SECOND ROW: J. Krieger, P. DiBlasi, B. Phebus, T. Hartley, R. Urbanek, and B. Snow. THIRD ROW: P. Edison Avenges

Miami Edison's "Redmen" plowed over our Pioneers in a heartbreaking 39-0 opener, as a spirited crowd of thousands observed the Bogartmen play a talented first quarter. Then in their second quarter quarterback Ken Osborn was taken out of the game with a ripped knee ligament. With his absence, the club's controls were sluggish and evidence of Edison revenge on '60 was visable.

Soph. QB-R. Melich sends Muthart scampering.

Injured Osborn helped off at the half.

Norland Nips, 7-6

The Pioneer Gridders led 6-0 at the half and inflicted many injuries to the Viking lineup but they couldn't stop Norland halfback Larry Adams on a lucky breakaway kickoff sprint in the second half. This paced the Norland squad to their biggest victory of the season as the conversion kick pushed the scoreboard lead, 7-6.

NM Grabs Moral Victory

North Miami's defense marveled, but their offense couldn't click as they captured an impressive moral victory over the Cavaliers of Coral Gables.

The double O's tell the story of two strong defensive units and many fumbles, but exclude the pre-game 18 point underdog rating that was given to the Pioneers.

Junior, Jack Mitchell and senior halfback Paul Gysan maneuvered Gables right out of their only TD opportunity with a tackle and a diving fumble recovery on the two yard line.

Bogartmen Riddle Ribault for First Big'n 34-7

Five TD's and victory number one were tallied up as Jacksonville Ribault crumbled to the powerful Pioneer offense. Senior fullback Bob Phebus plowed for 55, 13 and 1 yards and gathered in 18 points leading the Bogartmen to a successful romping of the out of town squad.

Ends Richard Angelou and Ronald Villella set the Pioneers up for their fourth score with two consecutive passes. Later, Phebus again dominated the offensive thrills with a hand-off which he ran over tackle and sprinted 55 yards untouched.

Left half, Muthart, capped off the Pioneers' romp with a short blast up the middle for the final score.

Jax defenders are too late as D. Webb is within inches of the goal.

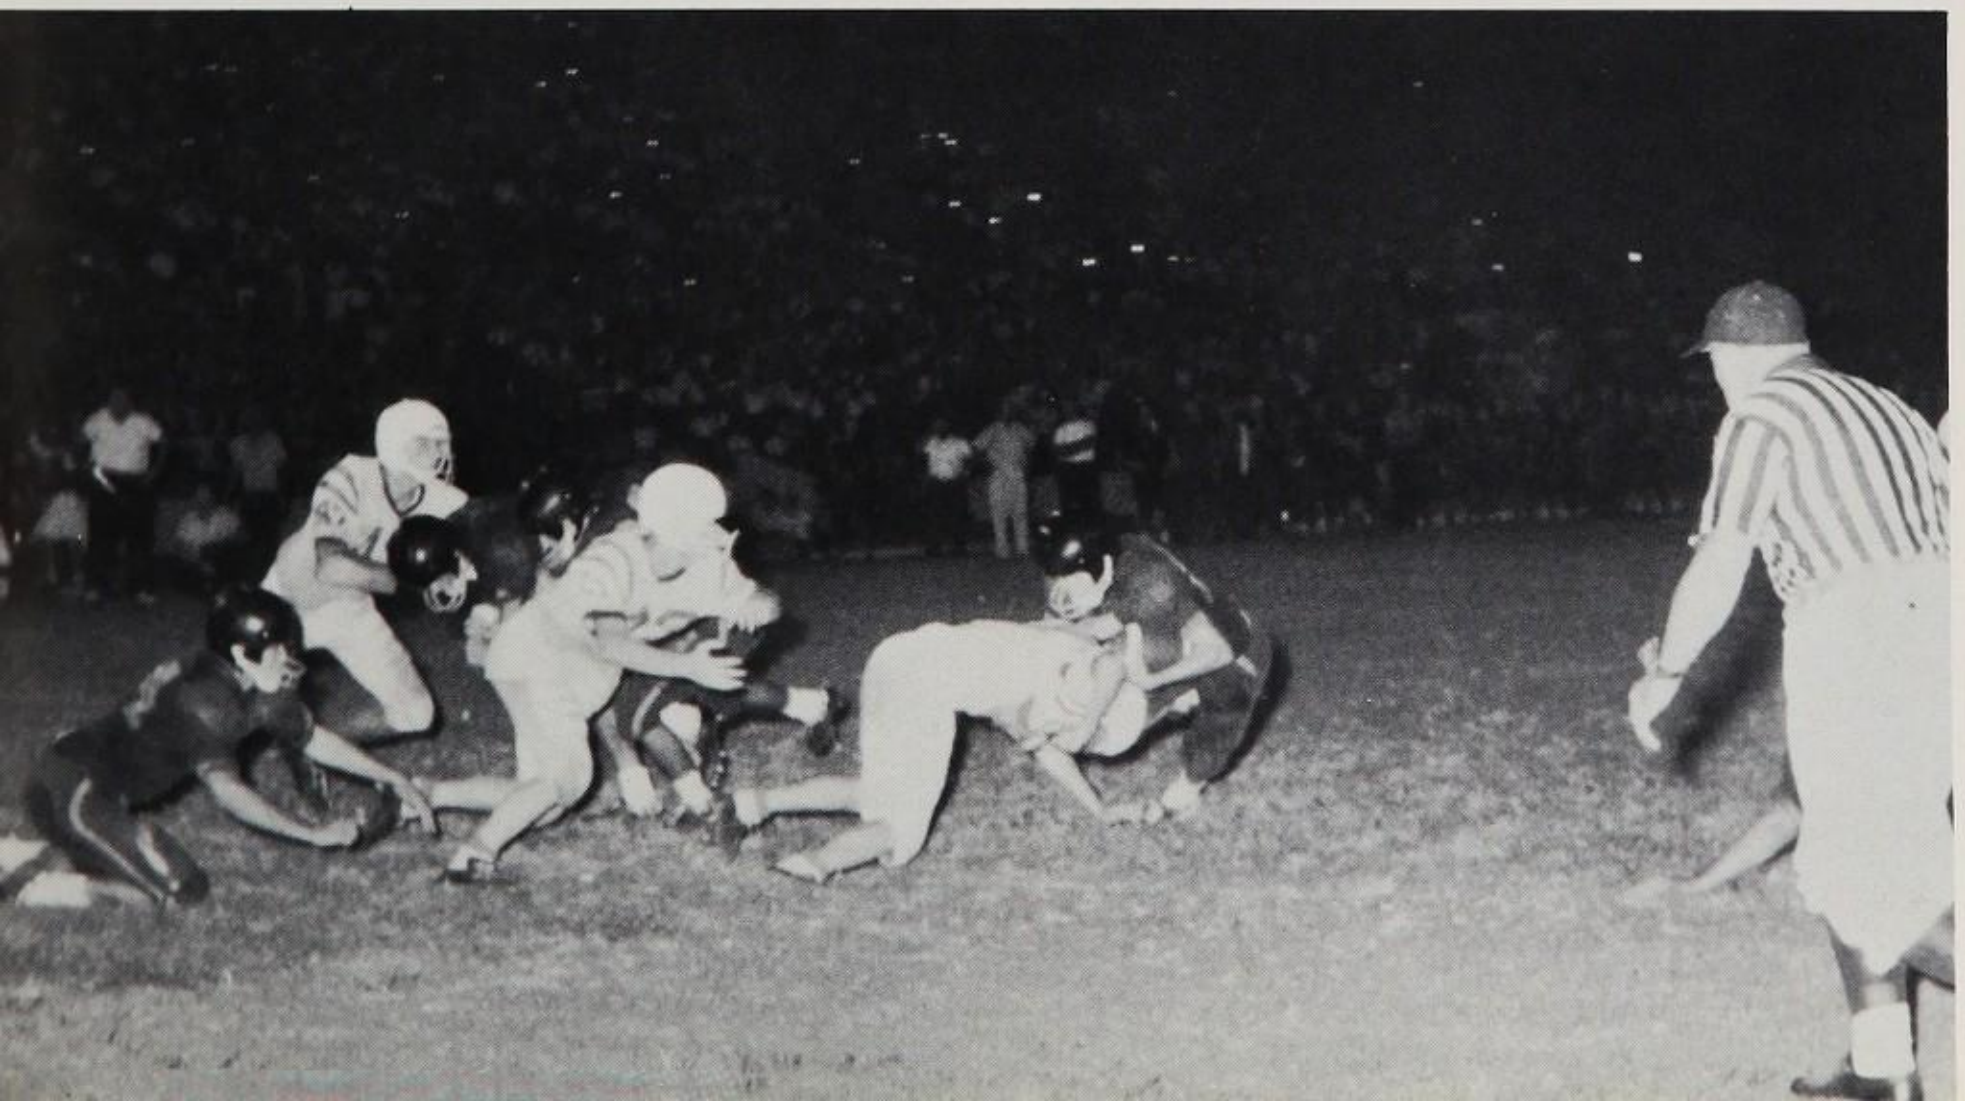

Pete DiBlasi, No. 37, breaks through tough Miami High line.

Stingaree's Score Four Against Pioneers

Twenty-seven points put the Pioneers a notch lower and one-quarterback less as the Stingarees of Miami High still enjoy a nearly impregnable defense. The Pioneers played their best one yet against the nation's number one team before an outstanding school crowd.

The loss of a fine quarterback for the season destroyed the chances for our scoring. An Osborn to Angelou pass out out the ball in scoring distance, but a side tackle from Miami removed Osborn permanently.

This little "Sting" stung no one through that closed hole.

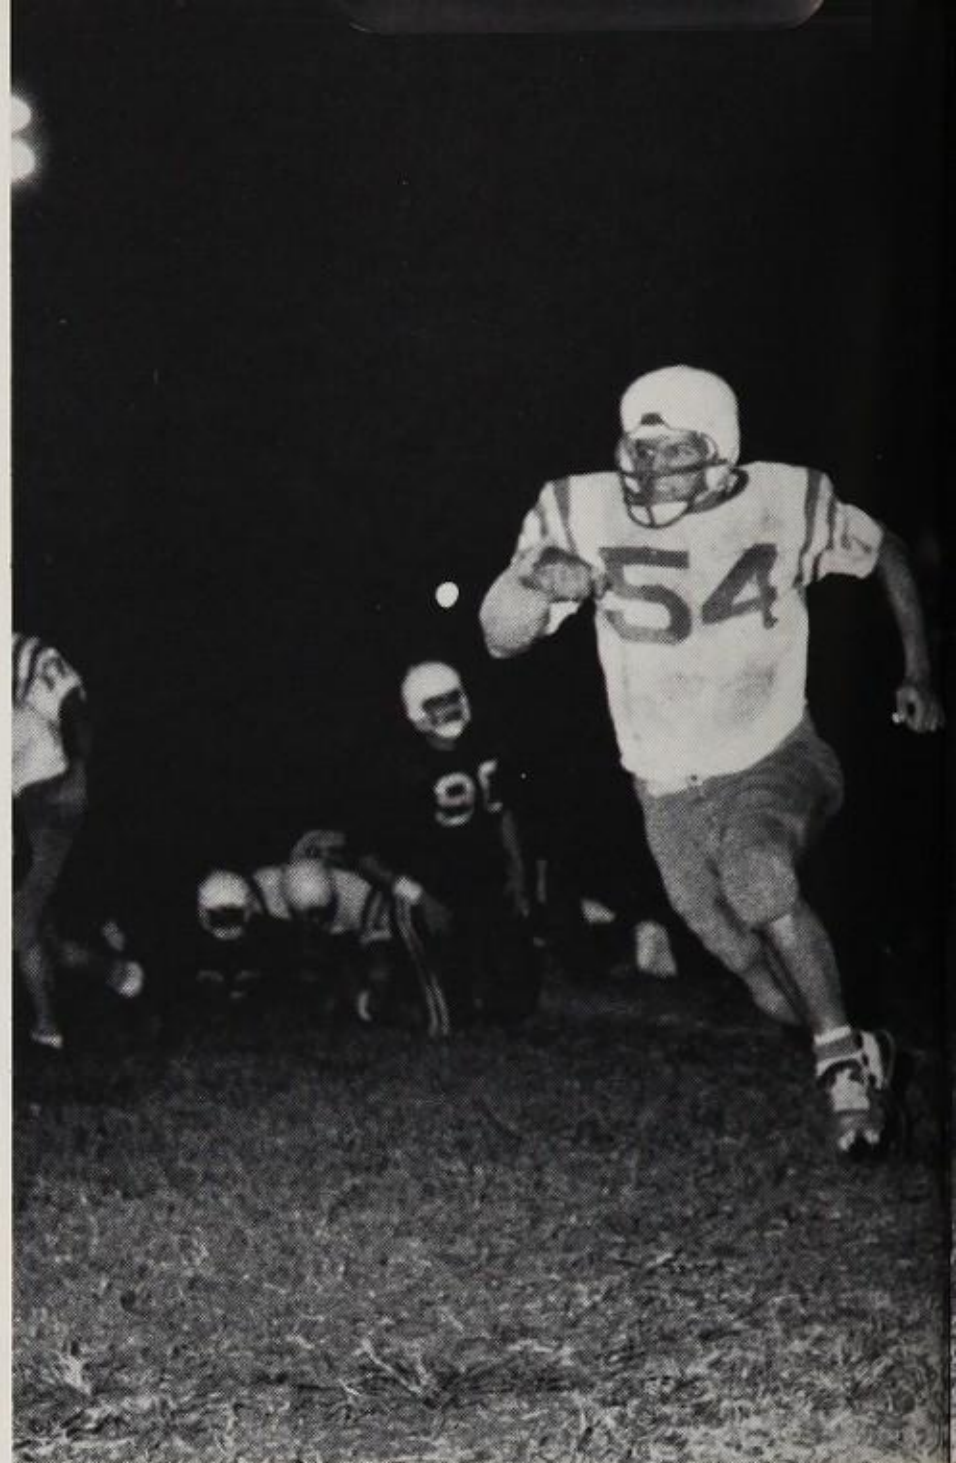

M.M.A. Crumbles Under Pioneer Offensive Push

North Miami's Bogartmen, using reserves by the numbers, literally ran Miami Military Academy into the ground as they collected a 44 to 0 score.

Contributing to the Pioneer romp was the excellent performance of senior fullback, Bob Phebus. Phebus was the workhorse for the backfield all night, punching over tackle continually for numerous gains. His 55-yard touchdown sprint sent the crowds wild and spurred the squad for a bigger romp.

The fourth quarter showed the crowd North Miami's bench strength. Almost every Pioneer saw action and still the Kaydets remained scoreless. With not eight seconds remaining in the game, Ron Villella flared out from scrimmage to the sideline, Mehlich fired a pass and Ron raced half the field to the final touchdown.

Five Pioneers prove Miami Jackson's blocking wasn't worth the effort.

N.M. Demotes Jackson's Generals 19-7

Miami Jackson's Generals showed poor strategy on the Orange Bowl turf as the Pioneers sailed three T.D. passes for a 19-7 win. Richard was the name that night, as Richard Mehlich passed two of the three passes to Richard Angelou, a senior end. Ron Villella raced 40 yards on a T.D. pass only to be called back on a penalty. Minutes later Villella raced a different pattern and clipped off the third T.D. pass.

Defensive back, Don Meyers, played an excellent defensive game. He continually stopped many Miami Jackson paydirt attempts, letting only one get past the secondary.

Charles DeBab, future speed merchant, carries in his first varsity game.

Pioneers Ride Herd on the Thoroughbreds

North Miami's redheaded fullback, Jerry Anderson, gave a large Homecoming crowd a preview of next year's offensive as he plunged for two touchdowns and another victory against rival Hialeah.

Senior Jim Muthart ran behind his tackles Ron Macchiarollo and Roy Hartley many times for big yardage in the first eighty-drive. Anderson followed with the score from the two. Randy Wilkinson booted the conversion.

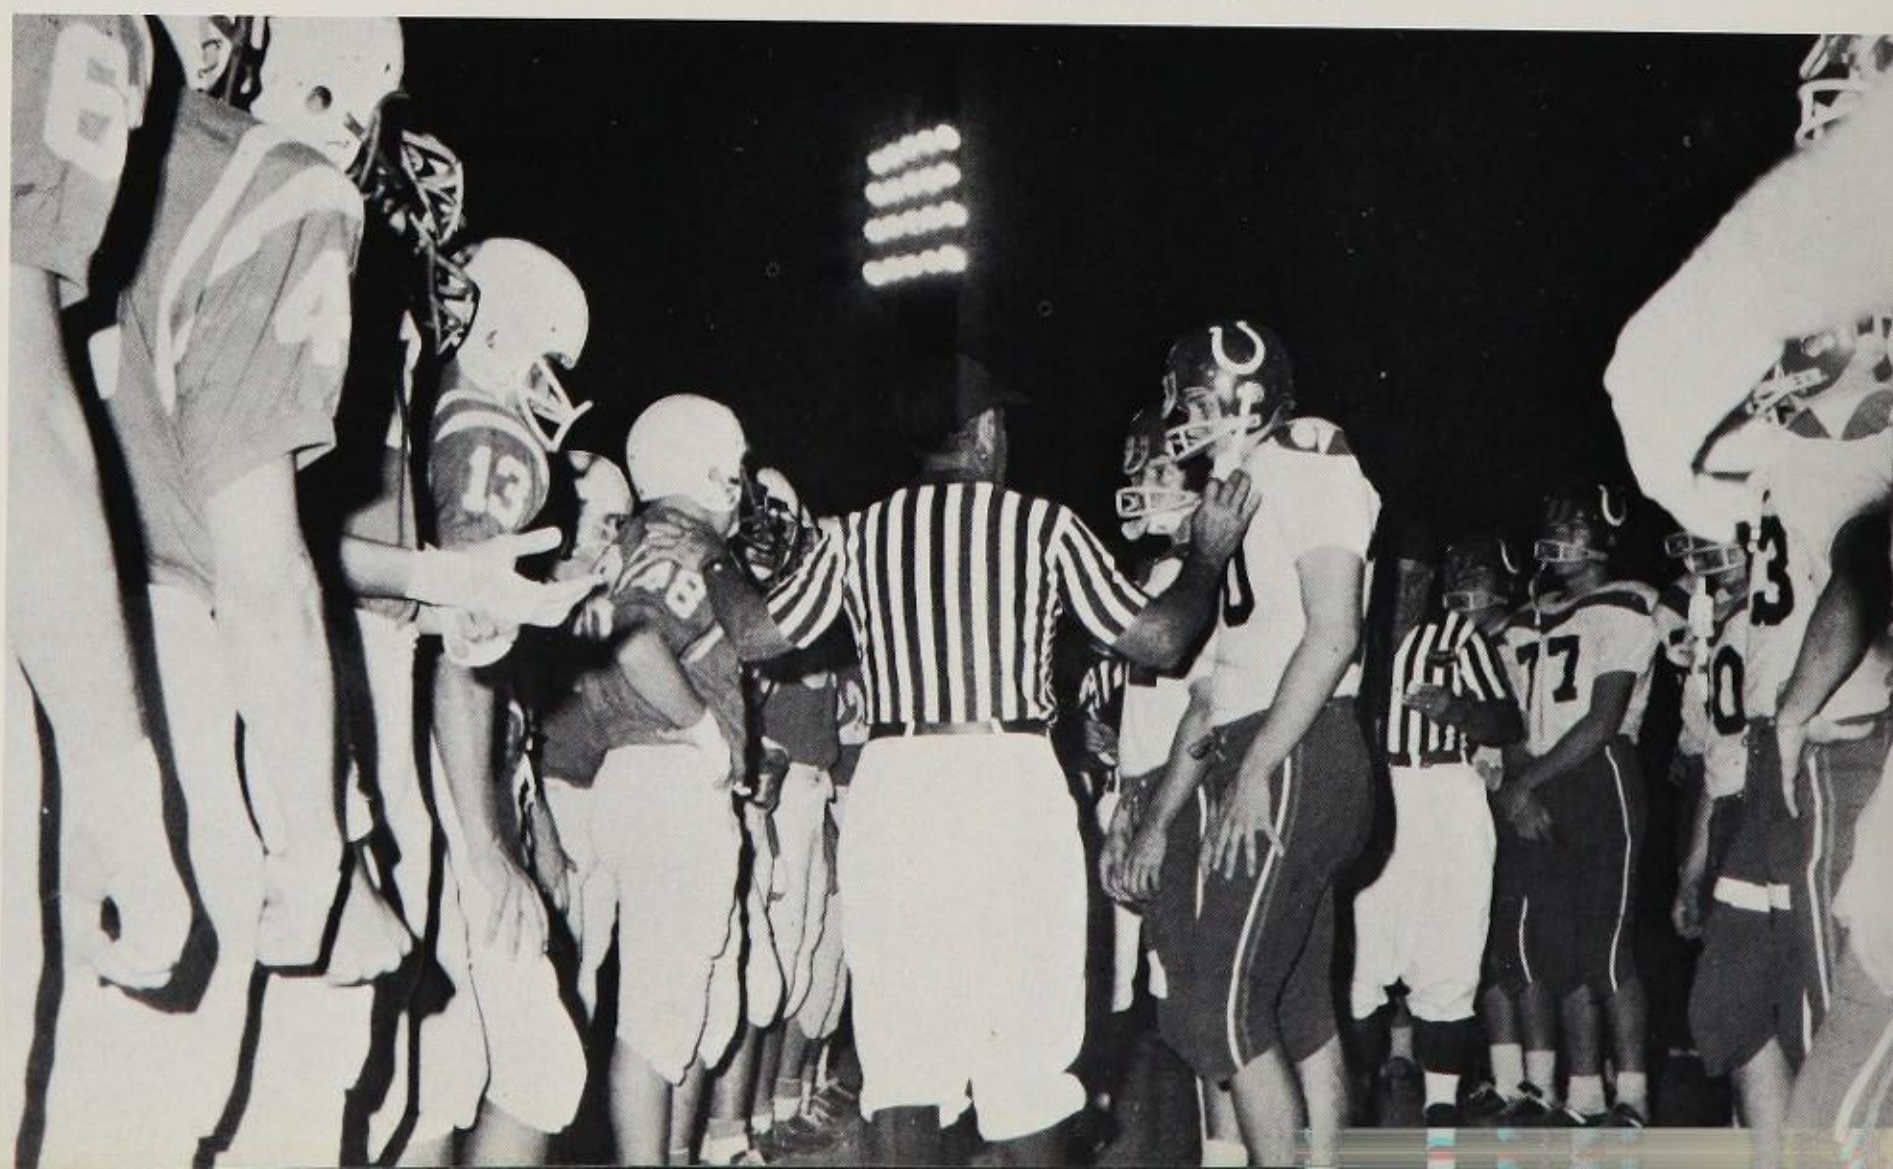

For the next two quarters both teams held tight, but the Thoroughbreds made the first mistake, which resulted in another Anderson score, now 13 to 0.

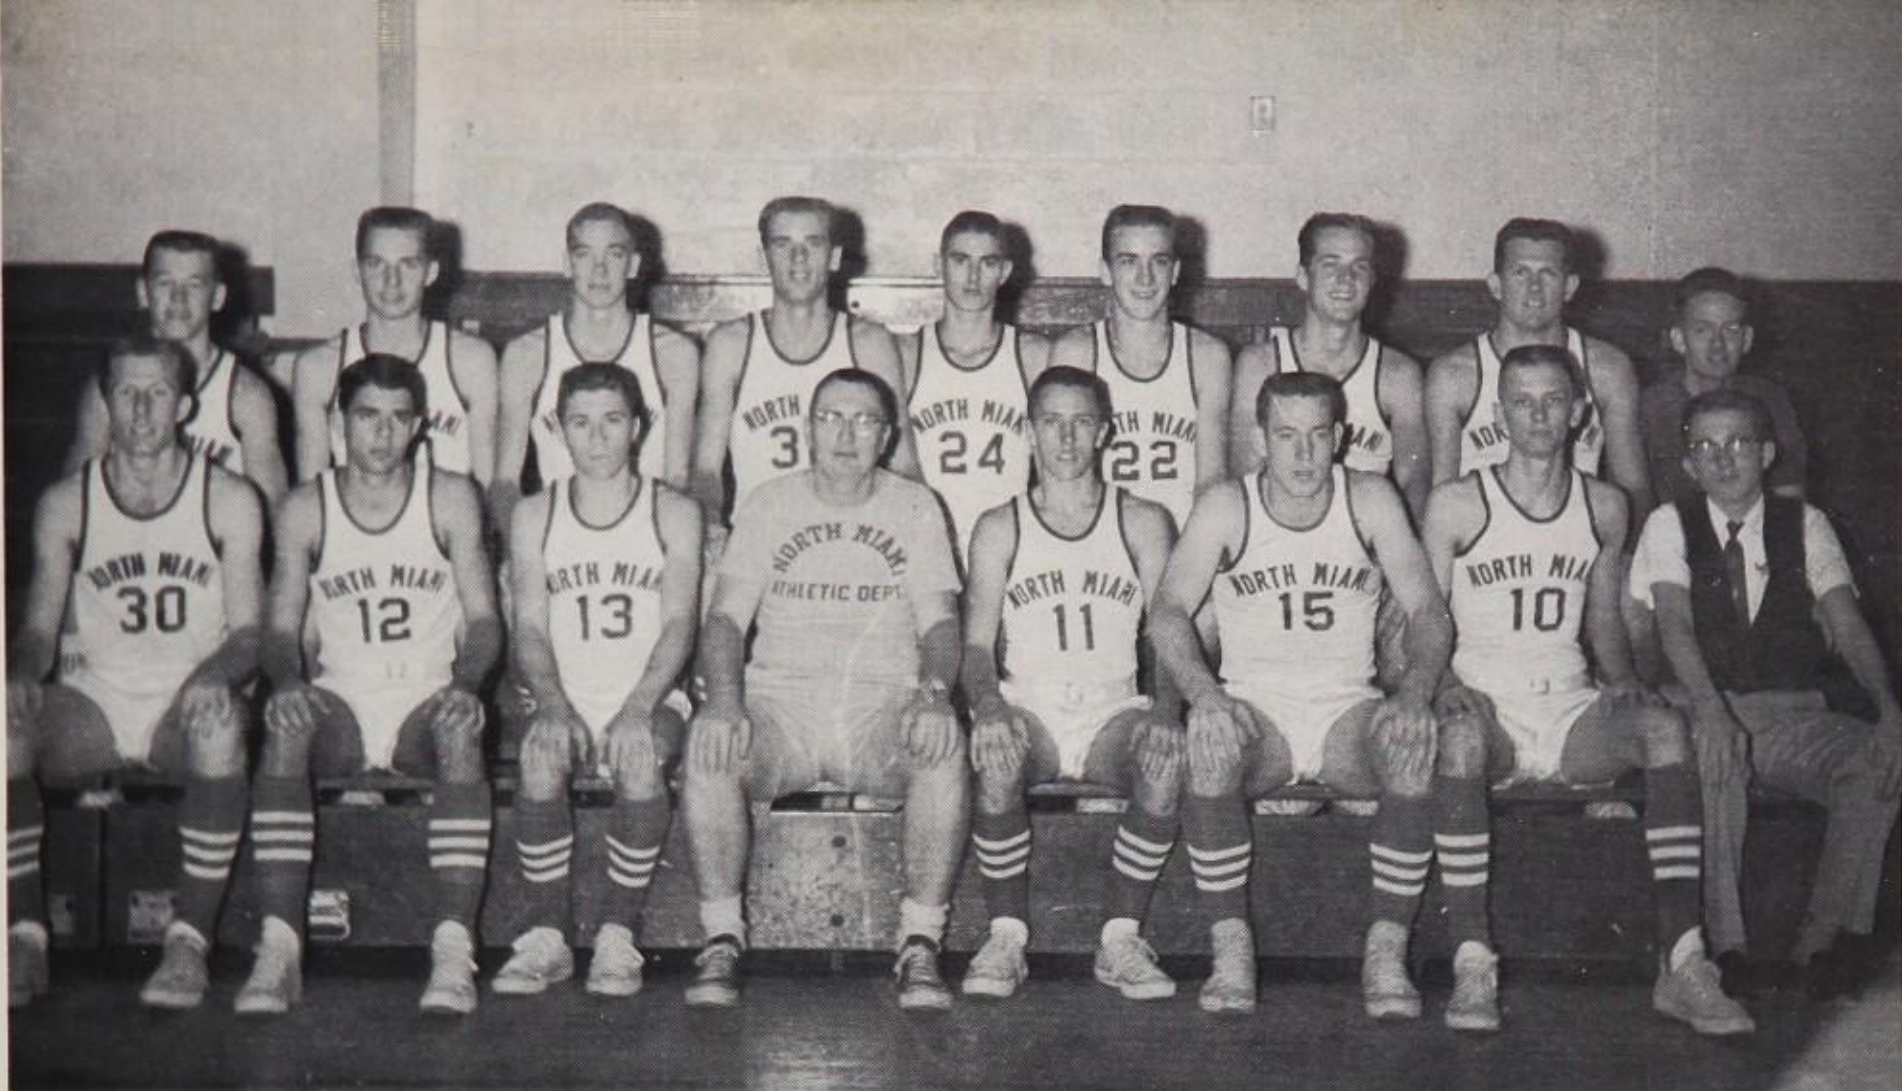

After fighting down to the one yard line, Vance Ceasar broke through to score. The extra point failed. Despite a last minute drive by the Thoroughbreds the score remained 13 to 0.

Phebus finds a small hole at the two.

Mike McLaughlin, member of the Herald All-City team, used his 6'6" height very well in holding on to his 16.9 season's average.

Speed is essential on any basketball team and Don Hansill was this year's fast guard. On defense, Hansill captivated the crowd many times as he stole the ball with his swiftness.

Baseball-The Spectators' Sport

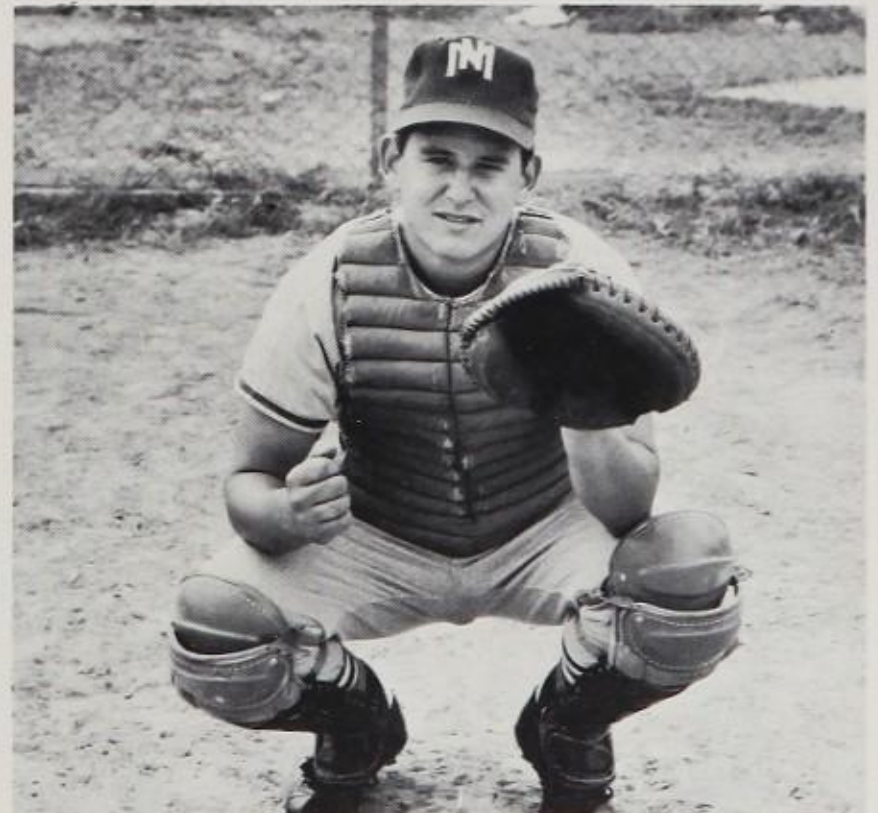

Although the baseball season had just begun when this book went to press, we can all be proud of our baseball team for their fine sportsmanship and their eagerness to win. The boys on the team all have special abilities, which, when put together,

blend to make a fine team. Under the guidance and direction of their coach, Coach Clark, the boys have practiced long hours in hopes of a successful season.

Varsity Squad Has Winning Season

Last year Coach Auer's swimming squads both took second place at the State Meet at Gainesville, and Richard Abrahams, Ray Weeks and Patty Scanlan received All-City honors.

This year's boy's squad looks just as promising with such members as Richard Abrahams, Ray Weeks, Al LaMontagne, and Sam Fields. They are hoping to repeat and better last year's performance.

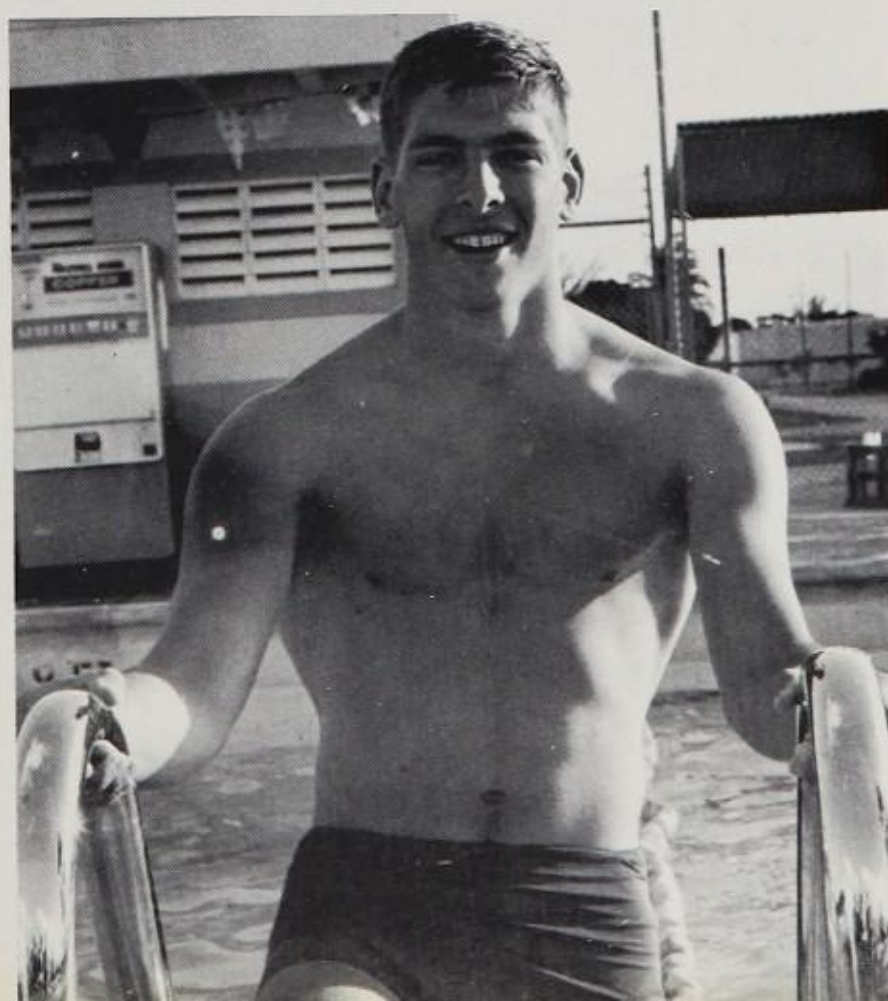

"And they're off!" — so begins another day of practice.

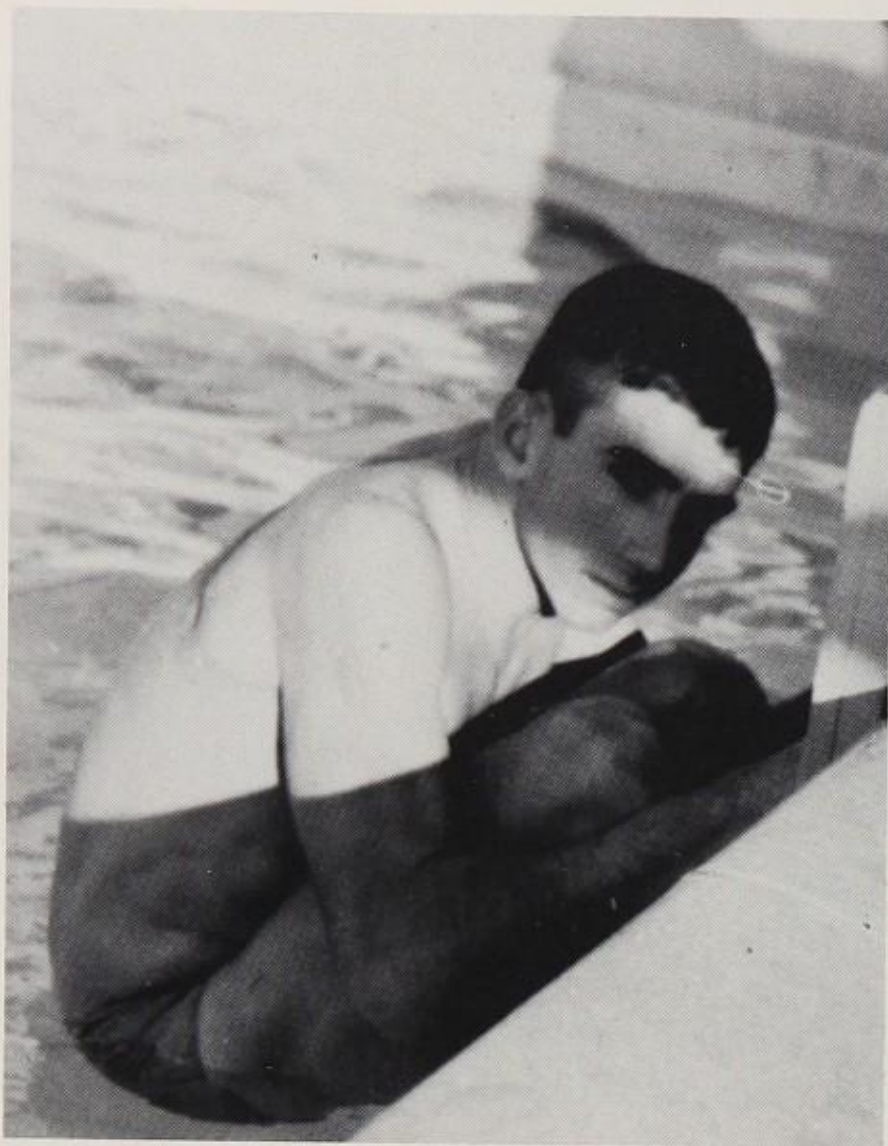

The girl's team this year is led by Patty Scanlan and Patty Smith. Since most of the team graduated last year, this year's squad will have to be built up in number.

Bill Pugh and Mary Wynn hold the diving talents and should do very well this year.

Richard Abraham has received All-City honors from both the Herald and News. He swims the butterfly and freestyle sprints.

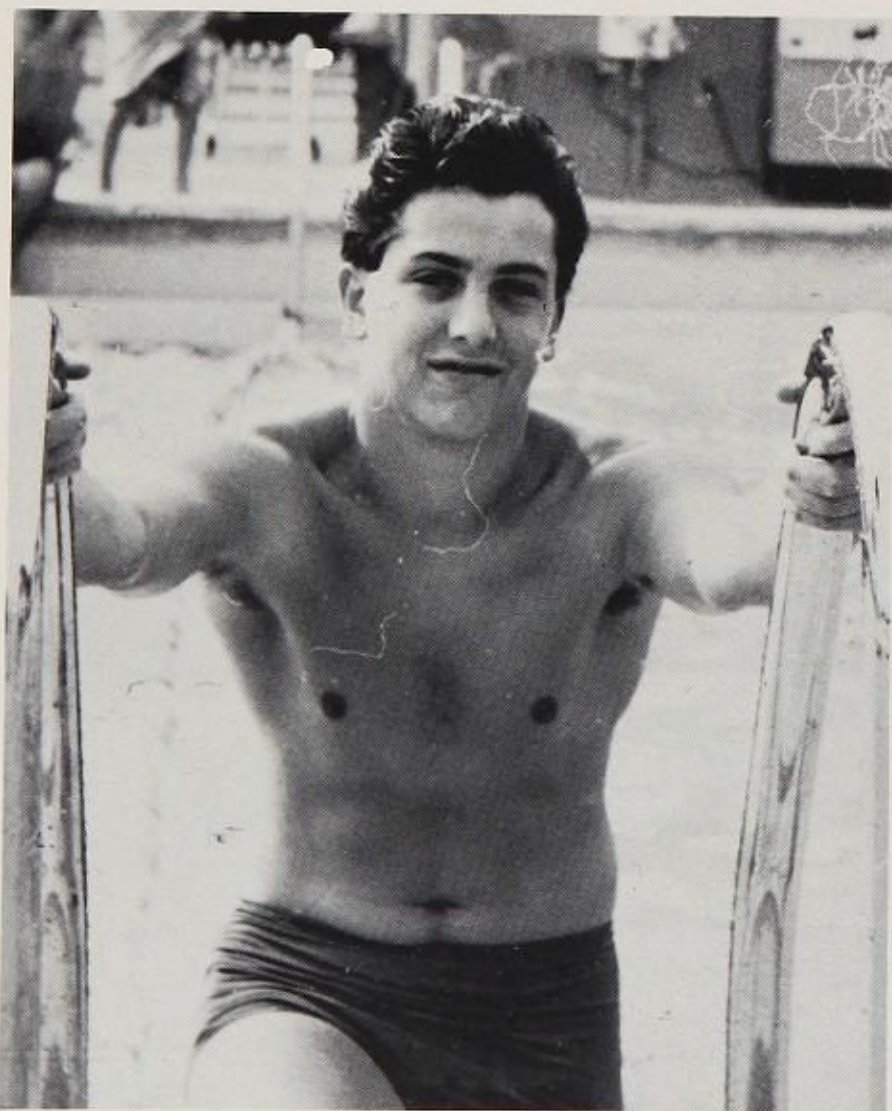

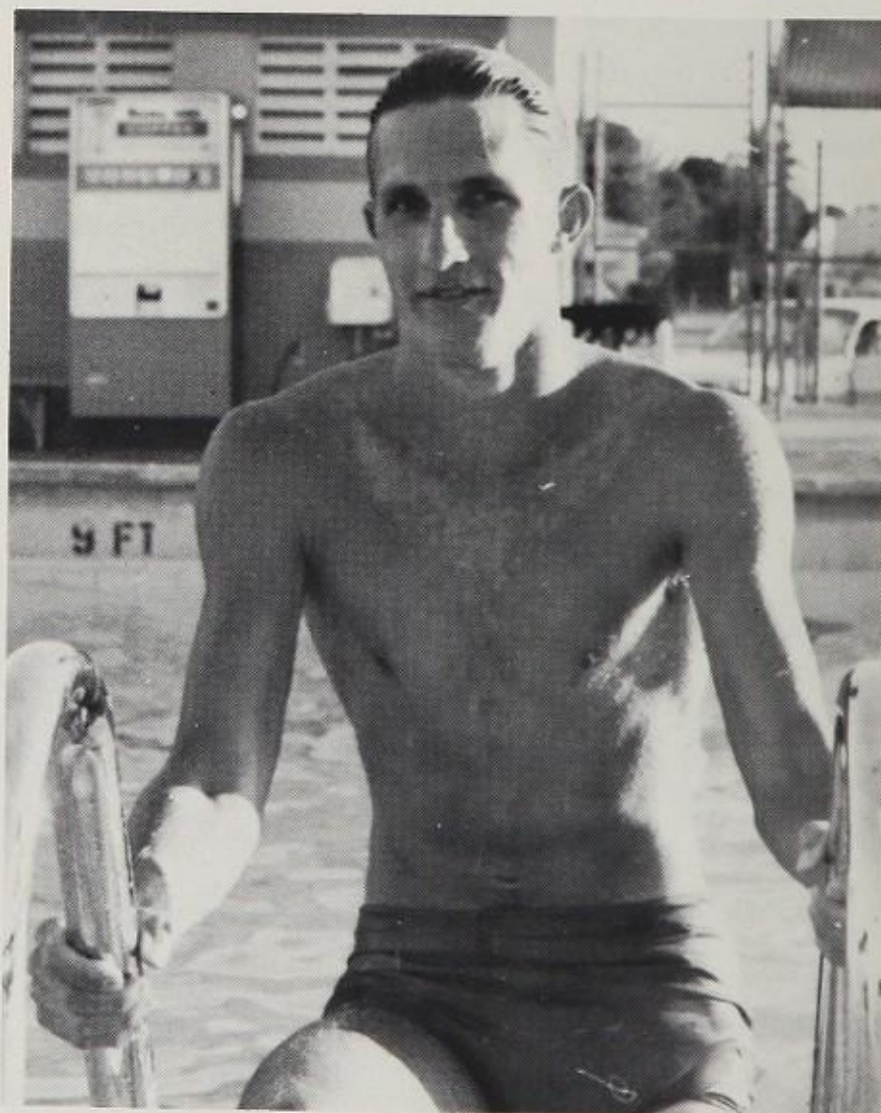

Roger Schindler is the best backstroker on this year's squad.

Kathy Young practices her butterfly stroke.

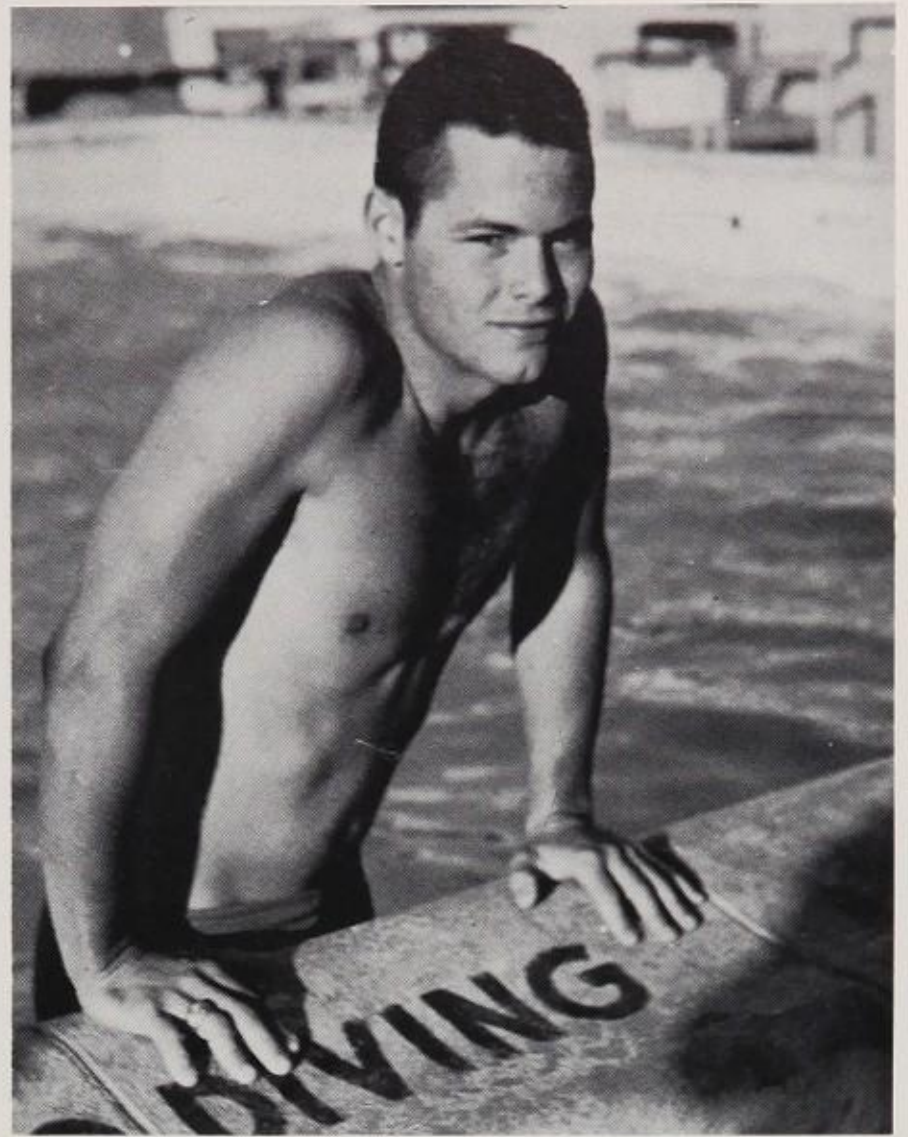

Sam Fields will help carry the 200 and 400 freestyle load this year.

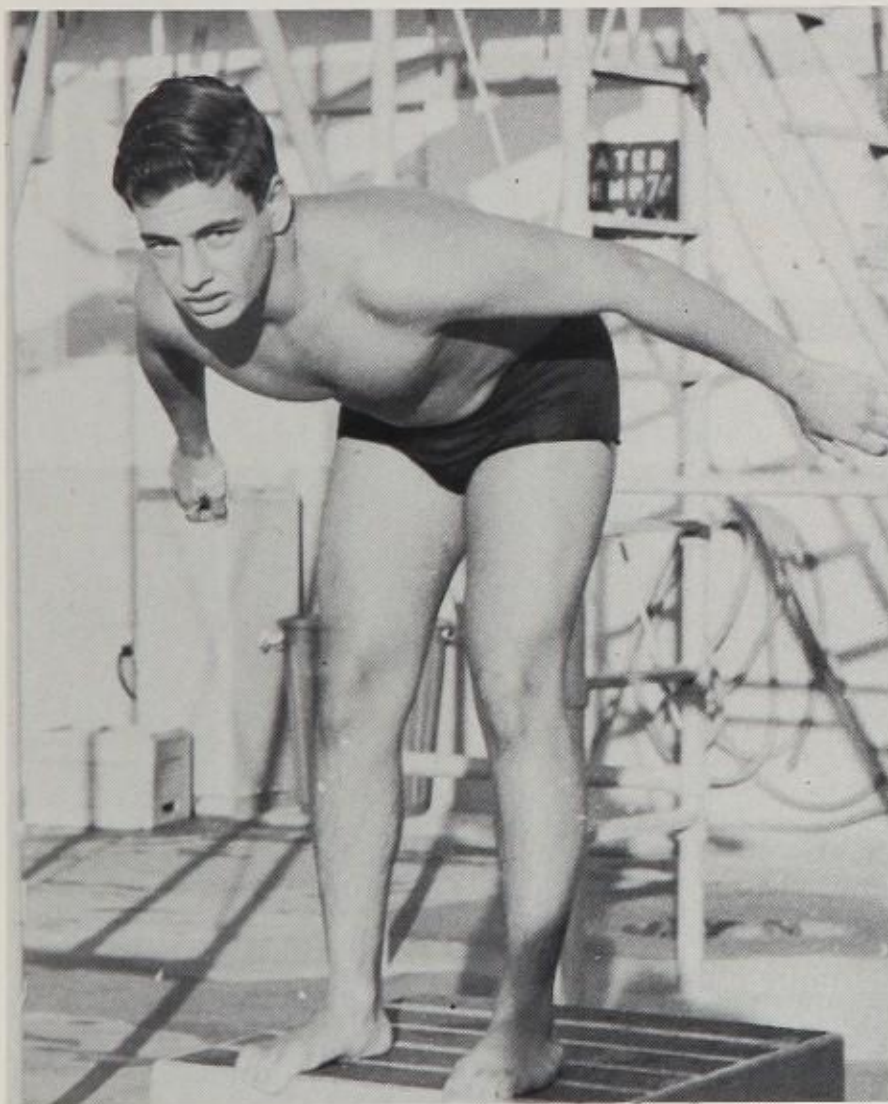

Karl Hoffman swims the butterfly and sprints and also competes in individual medleys.

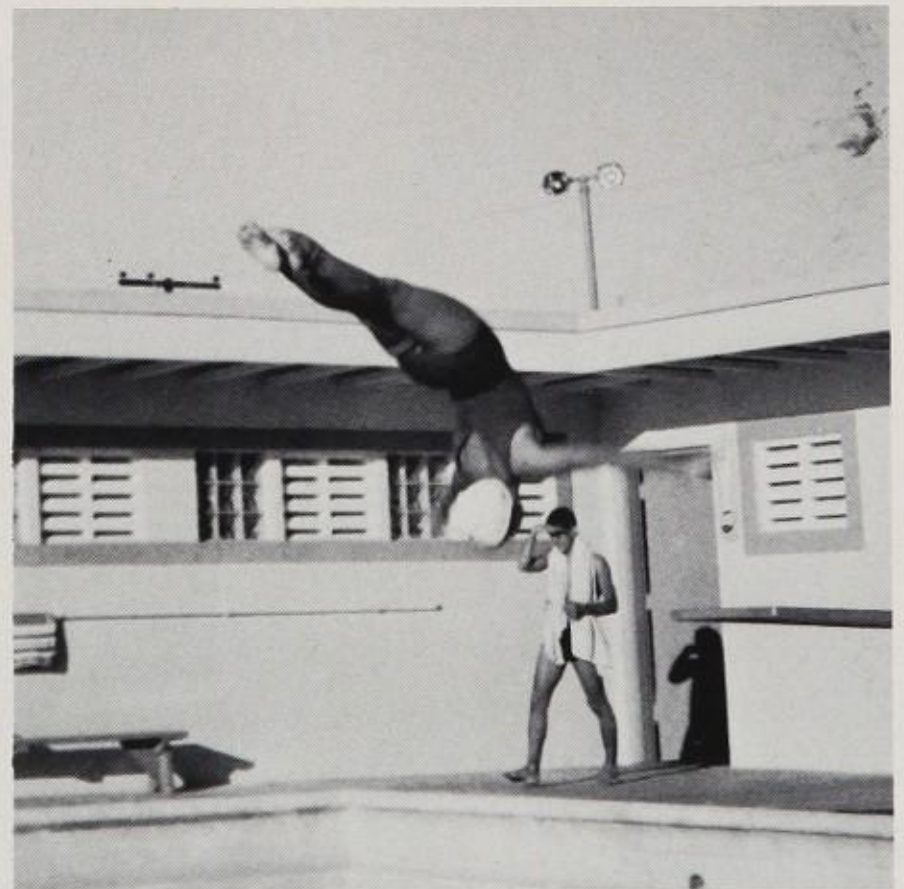

Pat Holden cuts through the water with the breaststroke.

Pete Hepp's specialties are the short sprints.

Melvin Seid swims the middle distance freestyle.

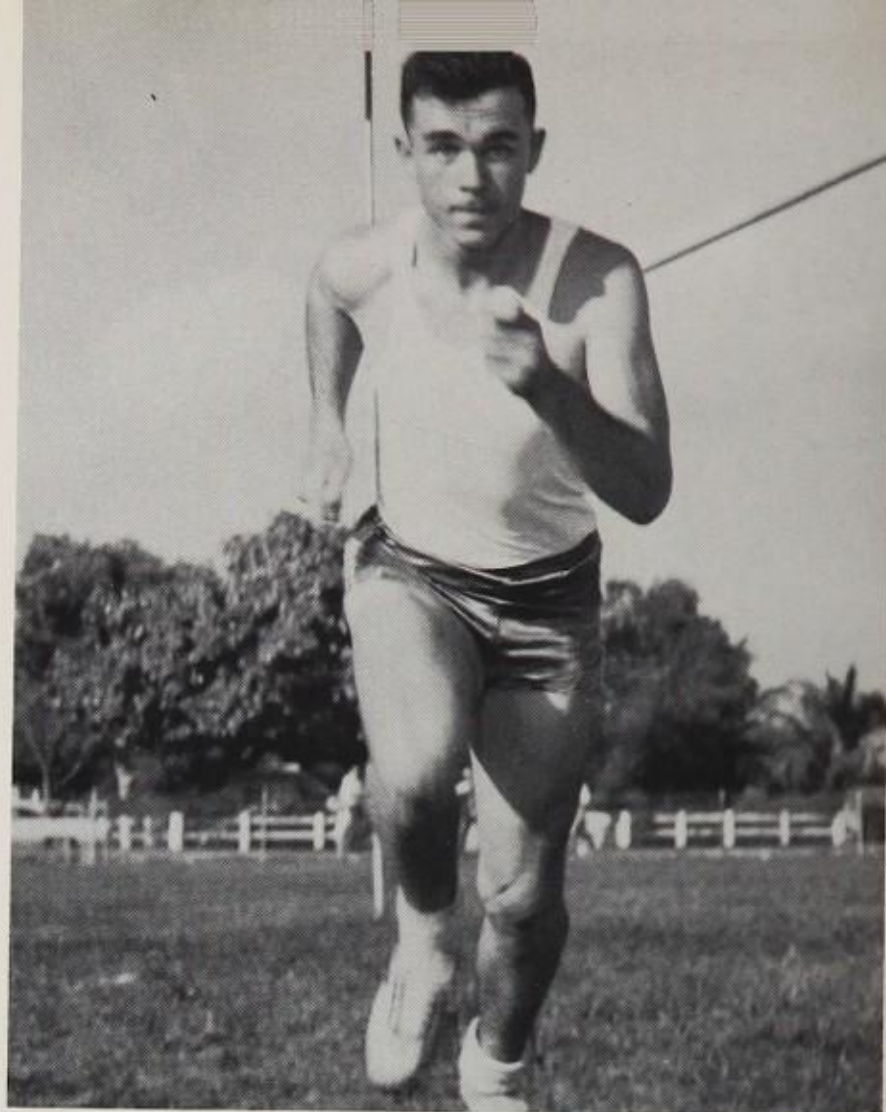

Mary Wynn, our only girl diver, practices a half gainer.

Senior J. Moore who runs the 220 and 440 is a three year veteran.

Sophomore C. Debaby, in getset position, should prove quite the sprinter in the future.

Squad Shows Promise

This years team, although young and inexperienced, displays a talent loaded future. Seniors on Coach Sullivan's squad this year are T. Lytle, D. Ozburn, B. Huddleson, G. Sandell, J. Moore, D. Edell, R. Macchiarollo, B. Graber, B. Snow, J. Muthart, and K. Osborne. Two of the most experienced members are T. Lytle and G. Sandell. Much is expected of Lytle who is the team's best quarter miler. Sandell, who is also one of the best hurdlers in the state, is also a fine relay man.

Members of the Track Team are: FIRST ROW: A. Leist, E. Donnerstein, D. Stoddard, K. Osborne, J. Muthart, L. Pilla, C. Debaby, S. Elias, G. Kay, T. Urspruch, J. Miller, T. Torres, L. Ramirez, B. Members of the girls' tennis team are: E. Chatlos, V. Casale, J. Howells, C. Castell, B. Kline, Captain N. Howells, J. Taylor, K. Schwartz, V. Stark, Mgr., Miss Veling, Sponsor.

The Tennis Team's Skill Requires Practice

Daily exercises, practice, and guidance from the coach, Miss Veling, is the schedule of the tennis team while in training for matches which began in January.

Team spirit, willingness to work, cooperation, respect and courtesy to both team members and opponents are a must for any member of the team.

To raise money, the team washed cars, sold soft drinks after school and at basketball games, and sold pennant pins. With the money, they bought new equipment including a machine which serves tennis balls for practice, and outfitted the whole team with new uniforms.

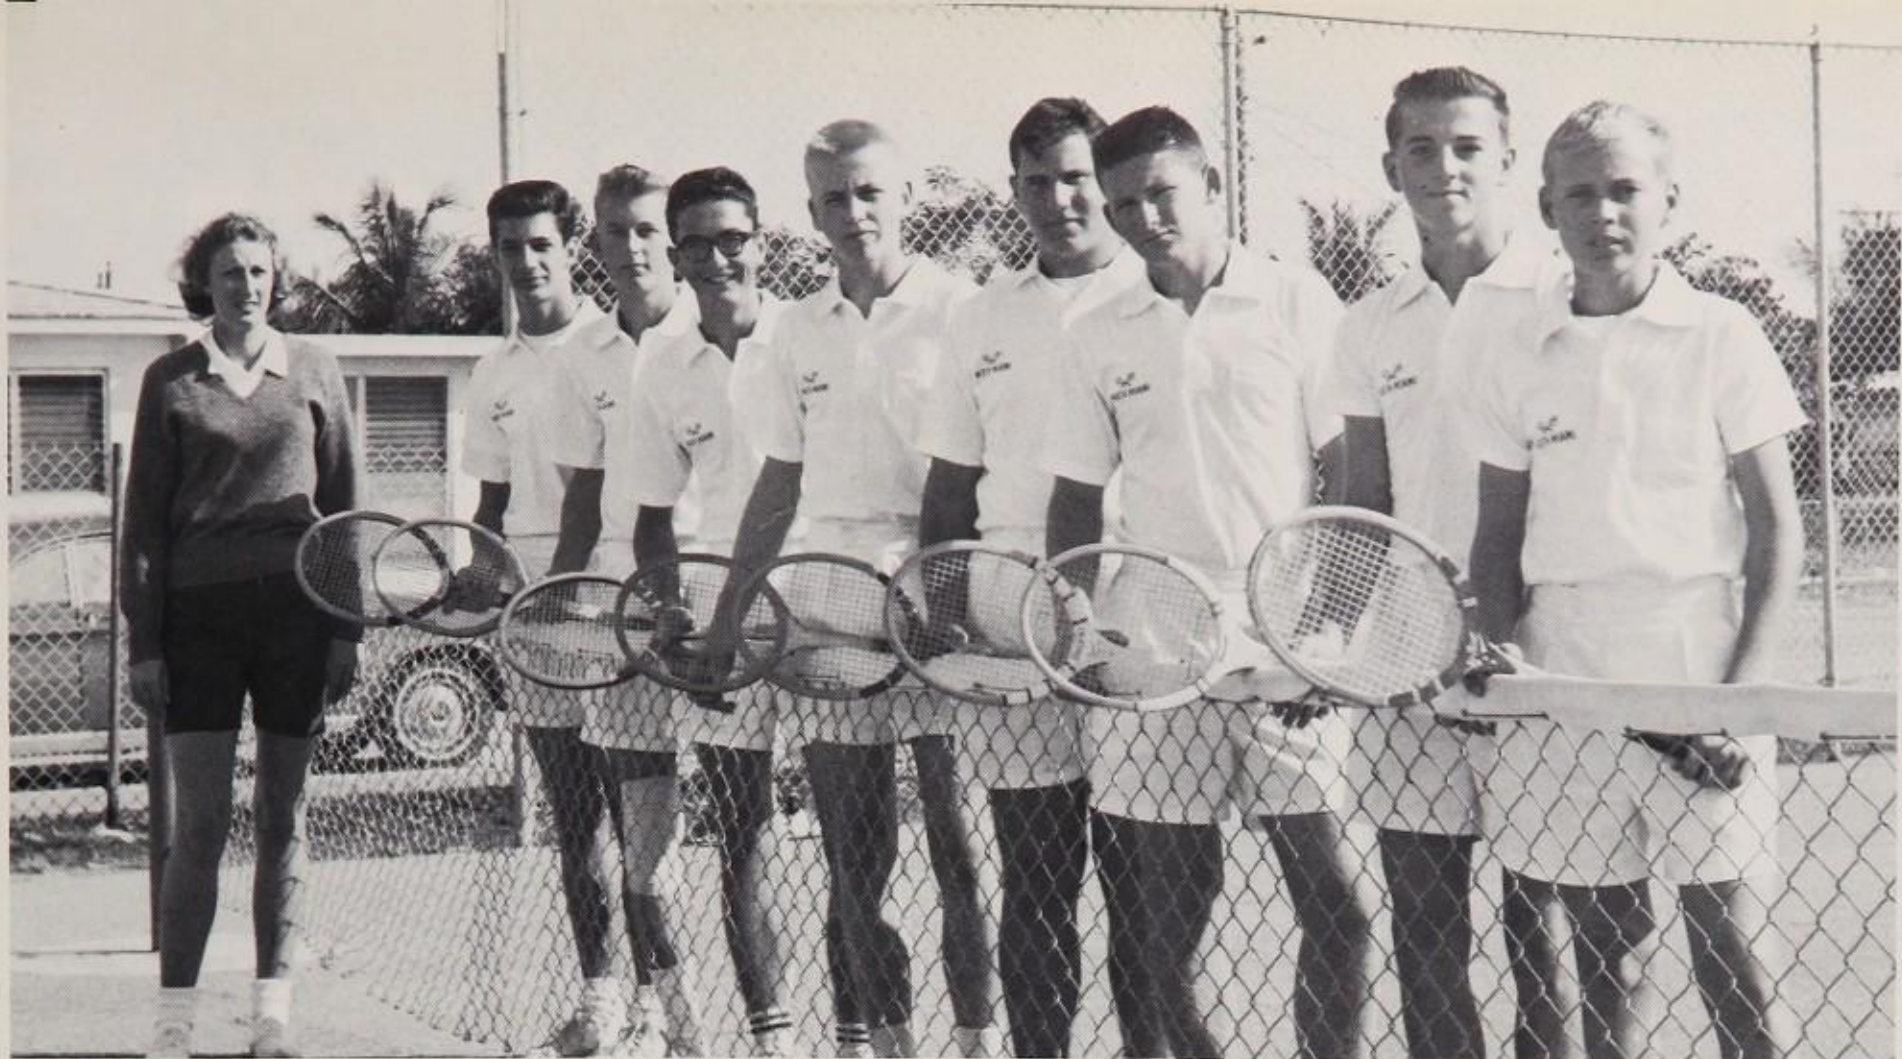

Becky Kline reaches high to return a powerful serve.

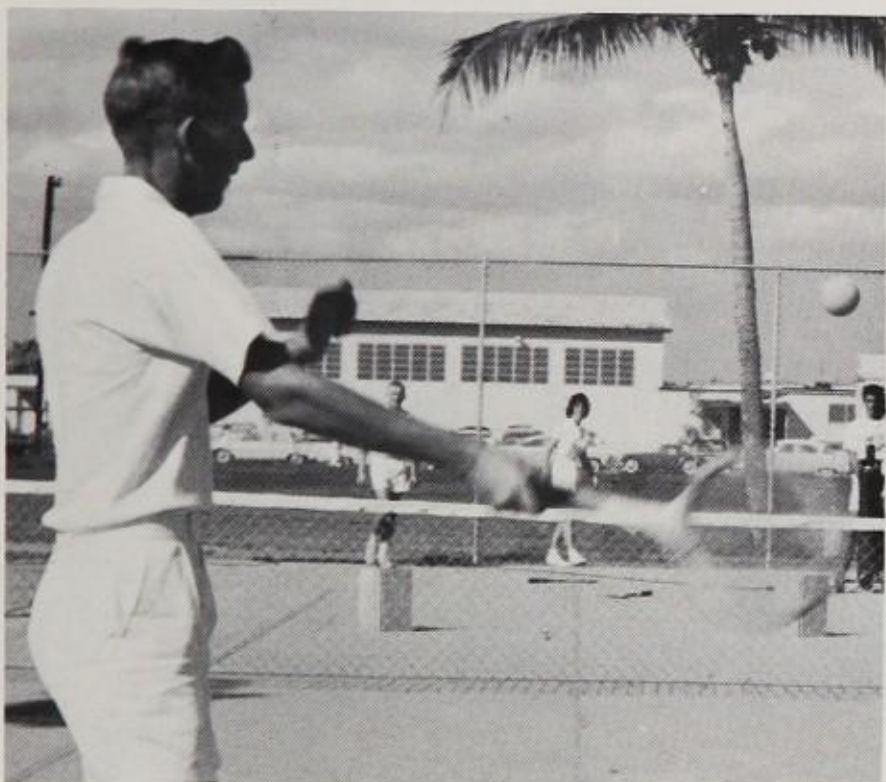

Evelyn Chatlos is practicing hard to improve her serve.

The tennis team jumps rope frequently to build their muscles and their reflexes.

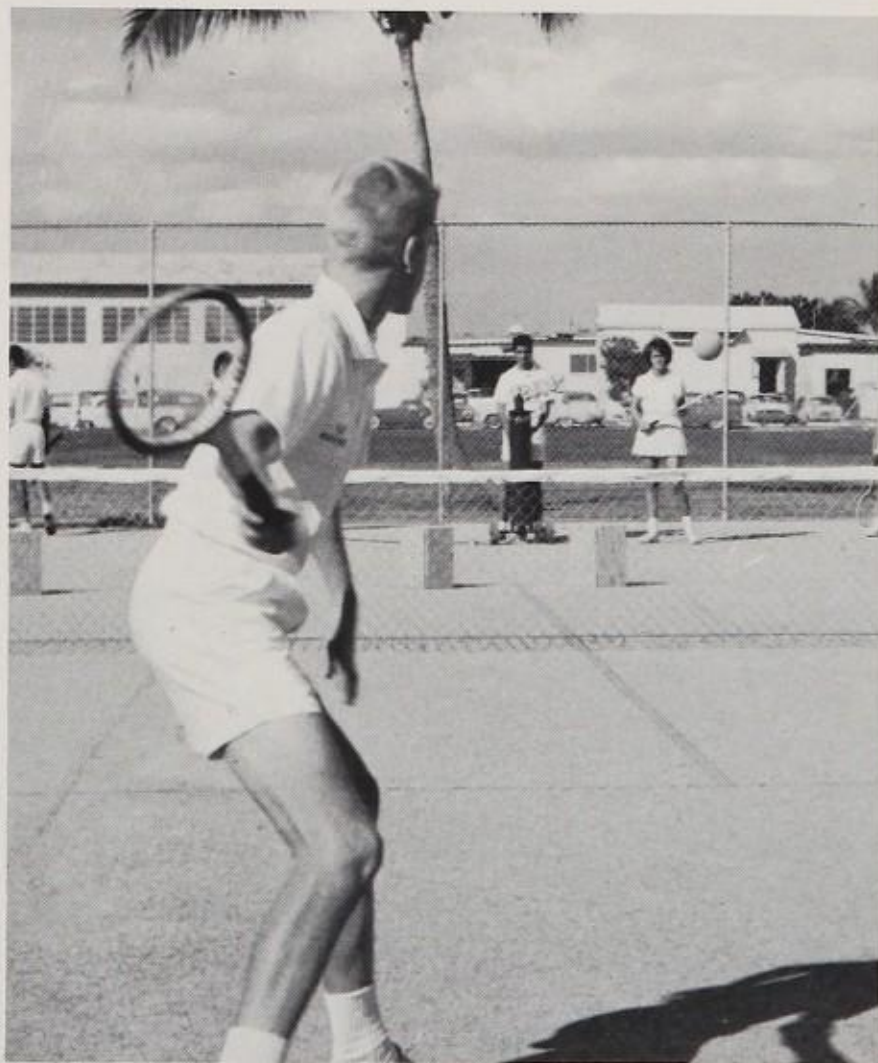

Members of the boys' tennis team are: Miss Veling, Sponsor, M. Goldberg, D. Marshall, L. Scott, Capt., N. O'Dawe, R. Crowell, J. Morrow, D. Stetson, S. Andrews.

Good use of the new serving machine is made as Dave Marshall returns a practice serve.

N. O'Dawe prepares to return a forehand shot.

Ken Heller, Lewis Wilhite, and Chris Mapes coach Mike Miller, Bruce Winkle, and David Rindone at target practice.

Rifle Team: New Sport at North Miami High

One of our newer sports teams is the rifle team. At the present time they have twelve members, but the interest in this sport is steadily growing.

The team has many sports activities during the year. Every Saturday they meet here at the school and have target practice for several hours. They have matches quite frequently in which both the boy and girl members participate. Most of these matches are out-of-town. They have traveled to such places as Key West and Tamiami.

Guiding and instructing the team are its officers: Lewis Wilhite, Ken Heller, Paul Grouleff, and Mike Miller.

Rifle Club members are: SITTING: Danny Baumgarten, Judy Carstensen, Mr. Williams and Mr. Johnson, Sponsors; Chris Mapes, and Ken Heller. STANDING: David Rindone, Mike Miller, Ken Shane, Lewis Wilhite, Bruce Winkle, Paul Grouleff.

Head of all the girls' sports is Mrs. Bradd.

The girls' "A" volleyball team poses after their tournament.

Girls interested in sports and those who excel in them participate in the extracurricular activities offered by the Physical Education Department. This year our volleyball team brought honors to North Miami High by defeating all other girl's teams for the district championship.

Sportsmanship is The Rule of Their Game

One of the many varied activities in physical education is field hockey.

Our hard working coaches are: KNEELING: Coach Hyrne, basketball; Mr. Murrell, business manager; Coach "Red" Bogart, football; Coach Cagni, basketball. STANDING:

Coach Cave, football; Coach Clark, baseball; Coach DelBello, football; Coach Sullivan, track; and Coach Herbst football.

Coaches Strive for Perfection in Sports

As we, the spectators, watch a sports event, few of us realize the time, practice, and hard work that went into that particular event.

Throughout the year many of our students participate in such sports as football, basketball, baseball, and track. Too often the winning credit goes to the team members rather than the coaches.

These faculty members are out on the field every afternoon giving freely of their time and knowledge to help the students make their sport a success.

Coaches Bogart, Cave, DelBello, and Herbst are interested in making our football team the best in the state. They start training the boys in the spring

for the big fall games.

Coaches Cagni and Hyrne are trying their best to re-gain the basketball state championship for North Miami High.

The "spectators' sport", baseball, is headed by Coach Clark who has readied his boys to play any and all other teams.

Coach Sullivan has some of the fastest running students around Miami on his track team.

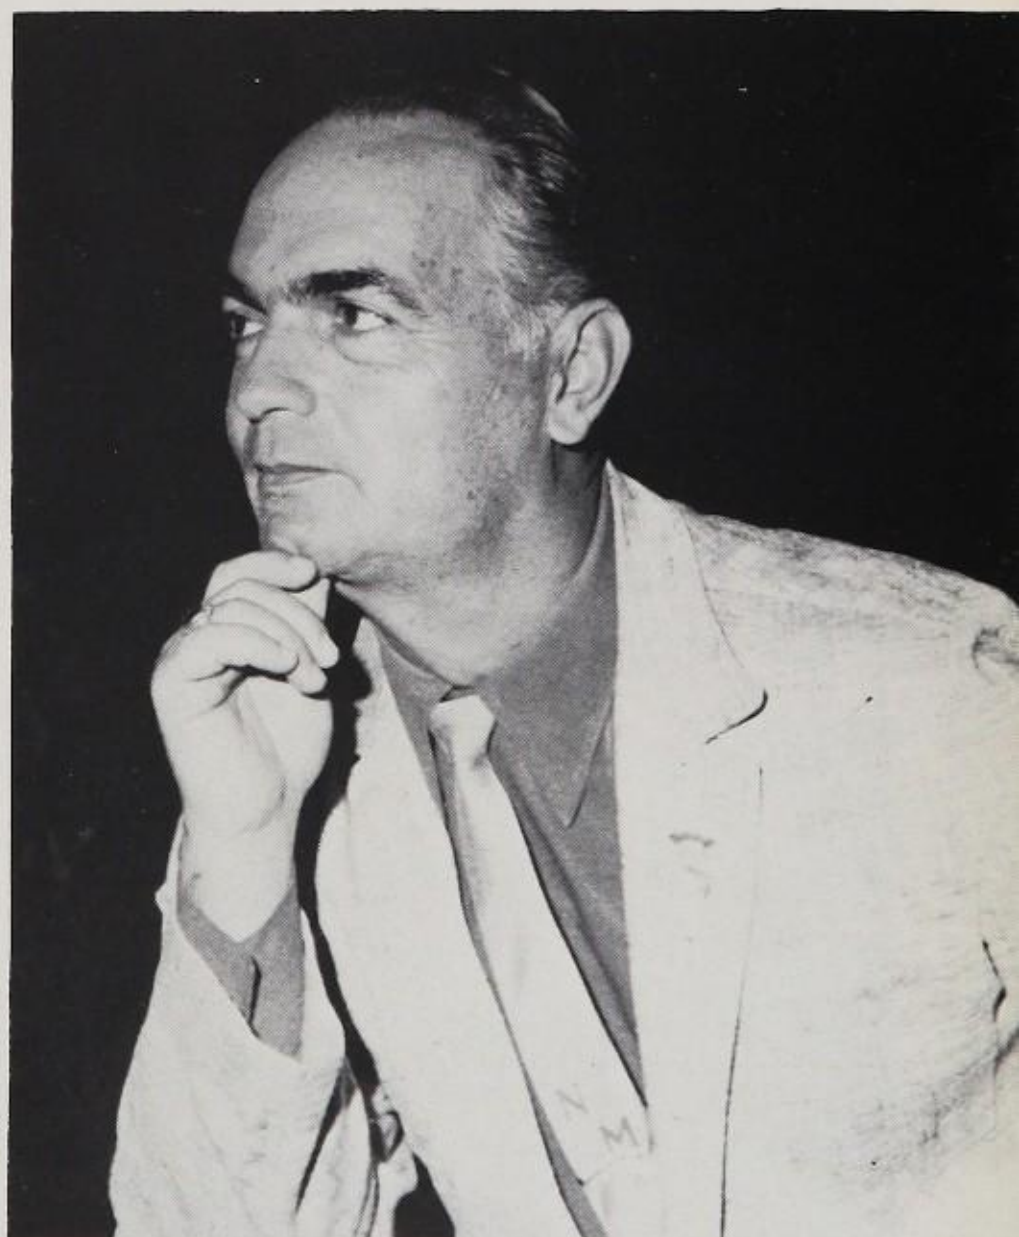

And Mr. Murrell, as business manager, incites school spirit and good sportsmanship into all the sports.

Cheerleaders line up to cheer the team to victory.

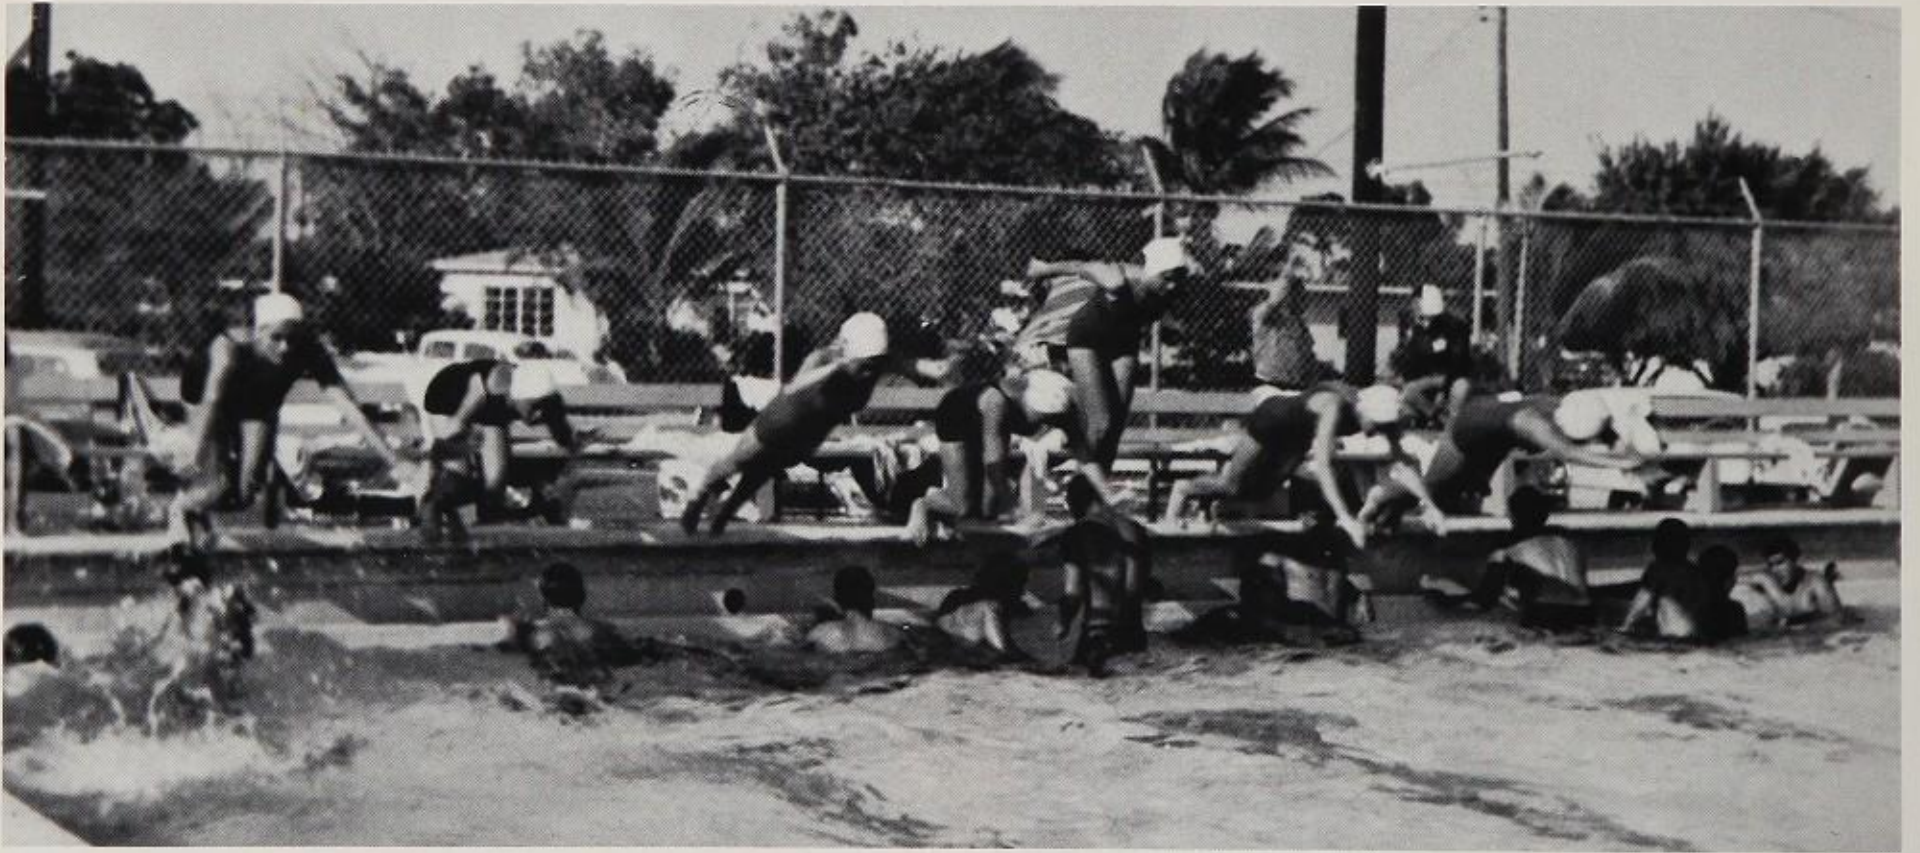

Mr. Rice watches with interest as game progresses.

Coral Gables majorettes added sparkle to that game.

Members of the sophomore and junior classes start their football practice early in the spring.

When given the signal the girl's swimming team dives in at another day of practice.

Track men and football players alike practice during March.

Even on the chilliest of days the swimming teams practice for their upcoming meets.

Our pole vaulter, Jim Muthart, tries his vaulting once more before the Edison meet.

Batting is the most important skill in baseball; and practice makes perfect.

FEATURES

Our education doesn't consist of all work or all play alone. Just as classroom instruction leaves lasting traces, so our extra-curricular activities round out our education and leave memories which will become even closer to us as we grow older.

All the activities featured in this section were not present at the start of our school. They were added year by year at the students' suggestions, and as the school added the tenth through twelfth grades.

Sharing in these activities through the years have brought the students closer together, giving them a feeling of pride in their school and fellow students.

Young people putting forth their supreme effort for achievement in their fields exemplifies the spirit of improvement at North Miami Senior High.

Pat Edwards, Diane Lessner, Diane Denning, Flora Jo Chandonnet, and Glenda Daniels wait nervously before the game. As tradition would have it, the cheerleaders and Student Council decorated the Homecoming Court Float with white love-seats, baby palms and red roses.

Diane Patterson casts the spell over the Thoroughbreds on Sorrota's winning float.

Sub-Debs and Key came in second with their float "Can Those Thoroughbreds".

Third place winner was Honoria's "Honoria Sweeties".

Tri-Hi-Y and Hi-Y's floats "A Little Bit of Heaven."

Tri-G used a roman theme for their float.

"Storybook Land" comes to North Miami through Anchor's float.

Jr. Exchange members let Hialeah know what will be happening to their football players on the field.

Homecoming 1961

November 22, 1961. This is a date that will stand out in the minds of many for years to come. This was the night of our 1961 homecoming game, parade, and dance.

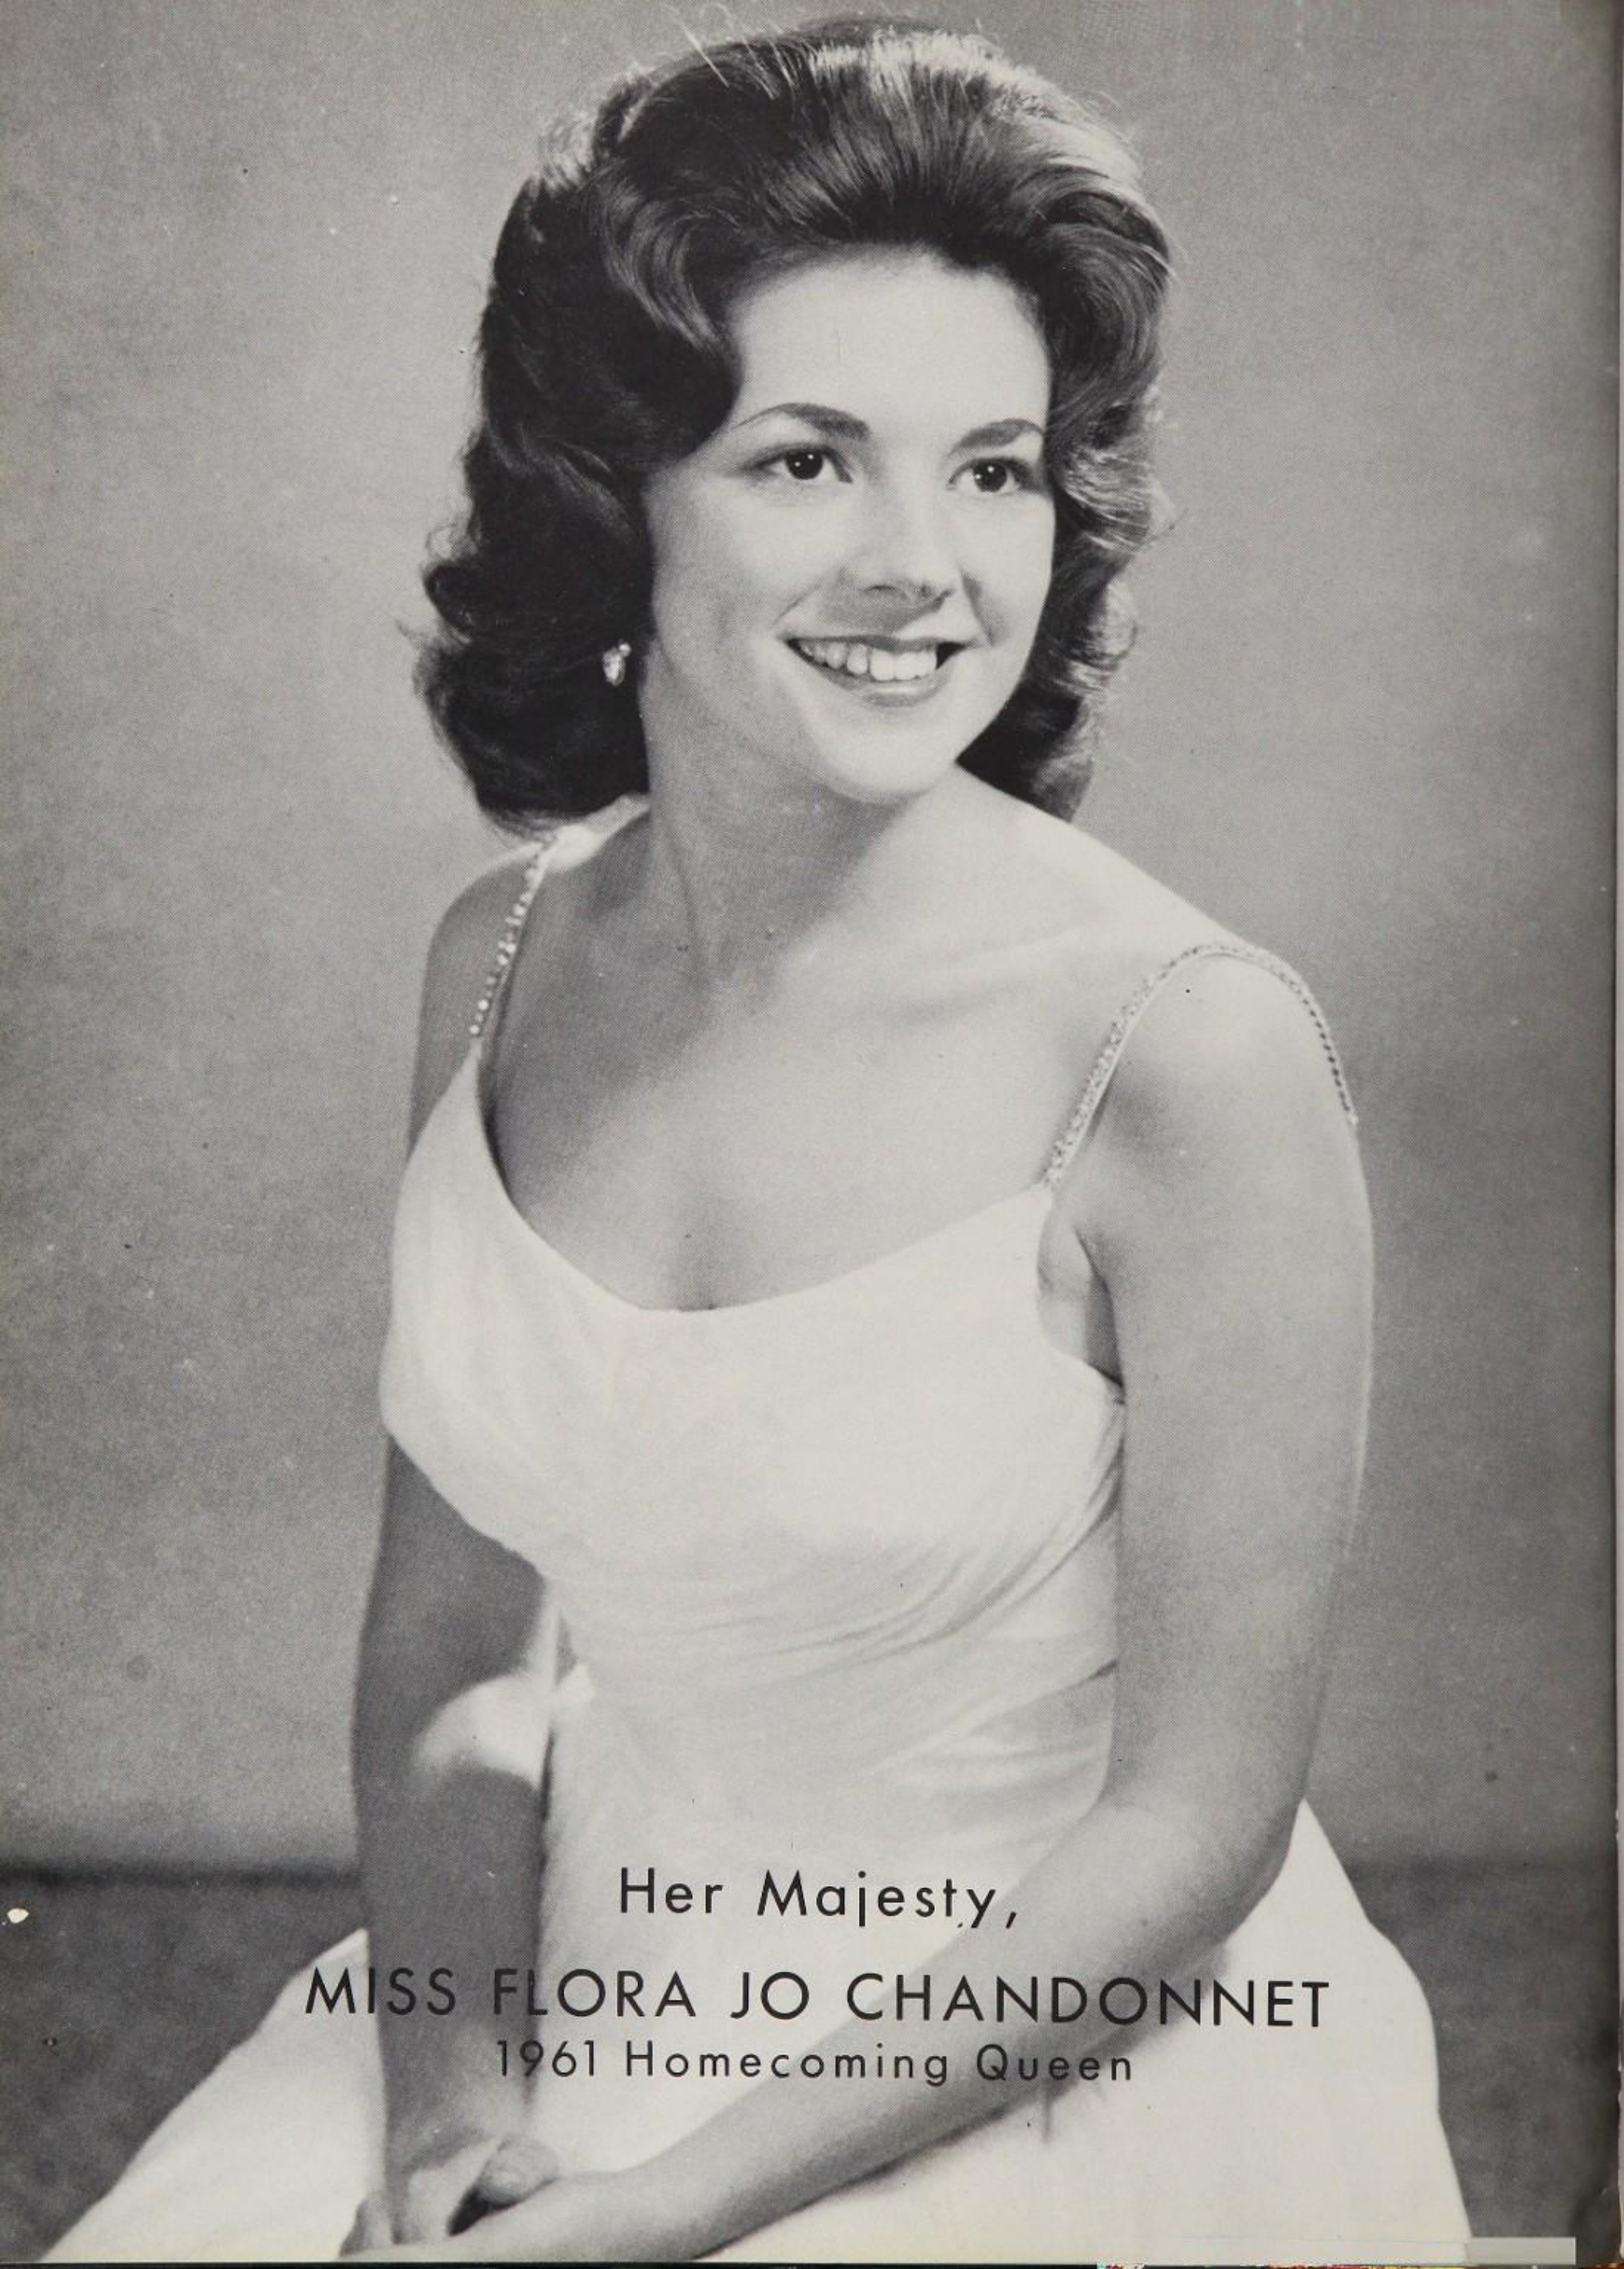

The festive activities began with the traditional parade through North Miami. Eight of our clubs participated with beautiful floats ending with the homecoming court on a float bedecked with roses.

The game with Hialeah started the tension which steadily built up until Miss Flora Jo Chandonnet was crowned our Homecoming Queen by Miss Candy Collins, 1960 Homecoming Queen.

We will always remember the dance which followed our victory over Hialeah 13-6, when the winners of the float contest were announced: 1st place, Sorrota; 2nd place, Sub-Debs & Key Club; and 3rd place, Honoria.

Beta members show true "Pioneer Spirit."

Everybody seems pleased as Flora Jo receives her congratulations from Bert DuBois, her escort.

Mr. Rice chats with parents about the game proceedings.

North Miami was really out to beat Hialeah this year.

Diane Denning, Bill Coleman, Glenda Daniels and Bert DuBois nervously try to converse before half-time.

Everybody gets into the act as students decorate the goal posts.

Diane Lessner, Dave Trathen, and Pat Edwards watch the game as tension mounts up.

"Let's fight, fight, fight!!" yells Michelle Newman, cheerleader captain.

Flora Jo Chandonett beams with happiness as she begins her reign.

Drum major, Bentley Shellahammer, strikes up the band as they play "Miss America".

Richard Chamberlain and Raymond Massey graciously judge our "Miss Conestoga" contest.

Miss Joan Patrick and Richard Chamberlain decorate the Blair Hospital Yule tree.

North Miami High School
800 N.E. 137th Street
North Miami, Florida

Dear Miss Hook:

After careful judging by Mr. Massey, Miss Patrick and myself, we have selected contestant #2 as our choice for Miss Conestoga -- 1962.

Needless to say, it was a difficult decision for us and we hope that it meets with your approval.

May we extend our best wishes to the entire student body of North Miami High School and ask that you continue to watch the "Doctor Kildare" series over our Miami outlet, WCKT.

Best wishes for 1962 and always.

Sincerely yours,
Richard Chamberlain

Being pronounced a "Pioneer" at the end of the year in the Conestoga is the greatest single honor that can be bestowed upon a senior here at North Miami High School.

These students are chosen for their outstanding traits and characteristics which are unequalled by any other member of the student body. A selected committee of administrative and faculty personnel meet in a secret session in the middle of the academic year and select eight students, four girls and four boys.

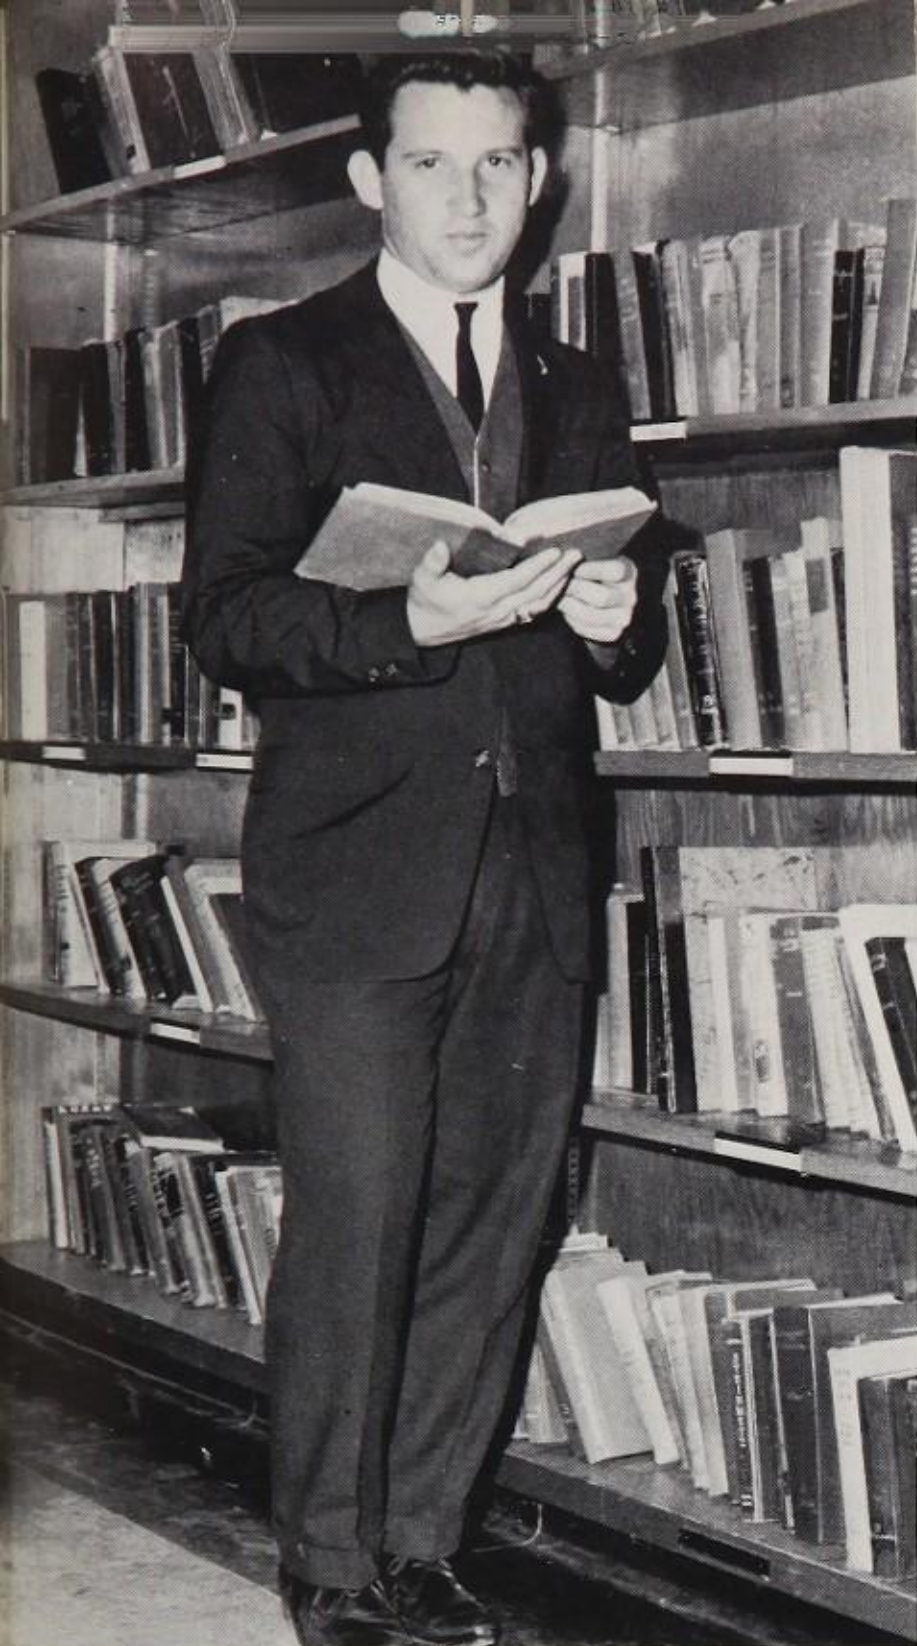

Pioneers

Mary Howard Lipscomb

The "Pioneer" is the symbol of perfection: each student in his own right has achieved the highest standard in high school.

Dianne Patterson

Barbara Schoenberger

Jay Beskind

Jay Beskind has served our school well in the last three years. He has served as sophomore class vice-president, Beta Honor Society's sergeant-at-arms, and senior class vice-president. During his years at North Miami, Jay has been a member of the National Honor Society, the Spanish Club, and is president of Key Club. Jay's interests vary from playing of the violin and clarinet to water skiing and sports in general. He has been of community service in helping with the Cancer Society Drive, Muscular Dystrophy Drive, and the March of Dimes.

Diane Denning

Many activities, many duties, and many responsibilities, but Diane Denning still has time to be friendly and helpful. Diane, a member and now vice-president of Sub-Debs has contributed much to the school. She has brought honors to the school through the Honor Garde, the Concert Choir, and the Pioneers vocal ensemble. The sweetheart of the Honor Garde also is interested in the Latin Language and has received several awards in this field. With all these activities Diane stays on the Dean's list and is an active member of National Honor Society and Beta.

Don Dickerson

Representing North Miami High as good will ambassador, Don Dickerson has sown the seed of friendship both here and abroad. Don has served on our Student Council as president of the Inter-Club Council, and as a delegate to several conventions. In other extra-curricular activities, Don has been the chairman of the Christmas Ball and the Foreign Student Carnival. Among Don's special interests and hobbies are hunting, fishing, skiing, and traveling. Don has served the community as honorary councilman for North Miami, and has received the American Legion Award.

Mary Howard Lipscomb

Radiating warmth and sincerity, Mary Howard quickly makes even a total stranger feel at ease. Her activities have reflected her sparkling personality over the years. She has worked diligently to make the proms better by serving on the sophomore and junior proms committees. Last summer Mary was elected Supreme Court Justice at Girl's State and she has received the Optimist's Club Outstanding Citizenship Award. Mary Howard has participated in many community drives and is very active in her church group.

Alan Levan

Dependable, and diligent in his work, Alan Levan has been noted for his fine work with the National Forensic League and Thespians. Alan was on the Inter-Club Council and secretary of publicity on the Student Council. Alan is the president of his youth group at his temple, and the Junior Achievement of Greater Miami. He was elected Mayor and Senator at Boy's State and vice-president of South Eastern Speech and Drama Institute. Alan has also received many first-place awards in public speaking.

Dianne Patterson

Always smiling, gay and lighthearted is Dianne Patterson, president of Sorrota. She has worked to better the school through the Student Council as Inter-Club Council representative and Student Council Representative. Her interest in music is expressed in her membership in Marching Band and Concert Band. Dianne has done extensive work in her church's Sunday School.

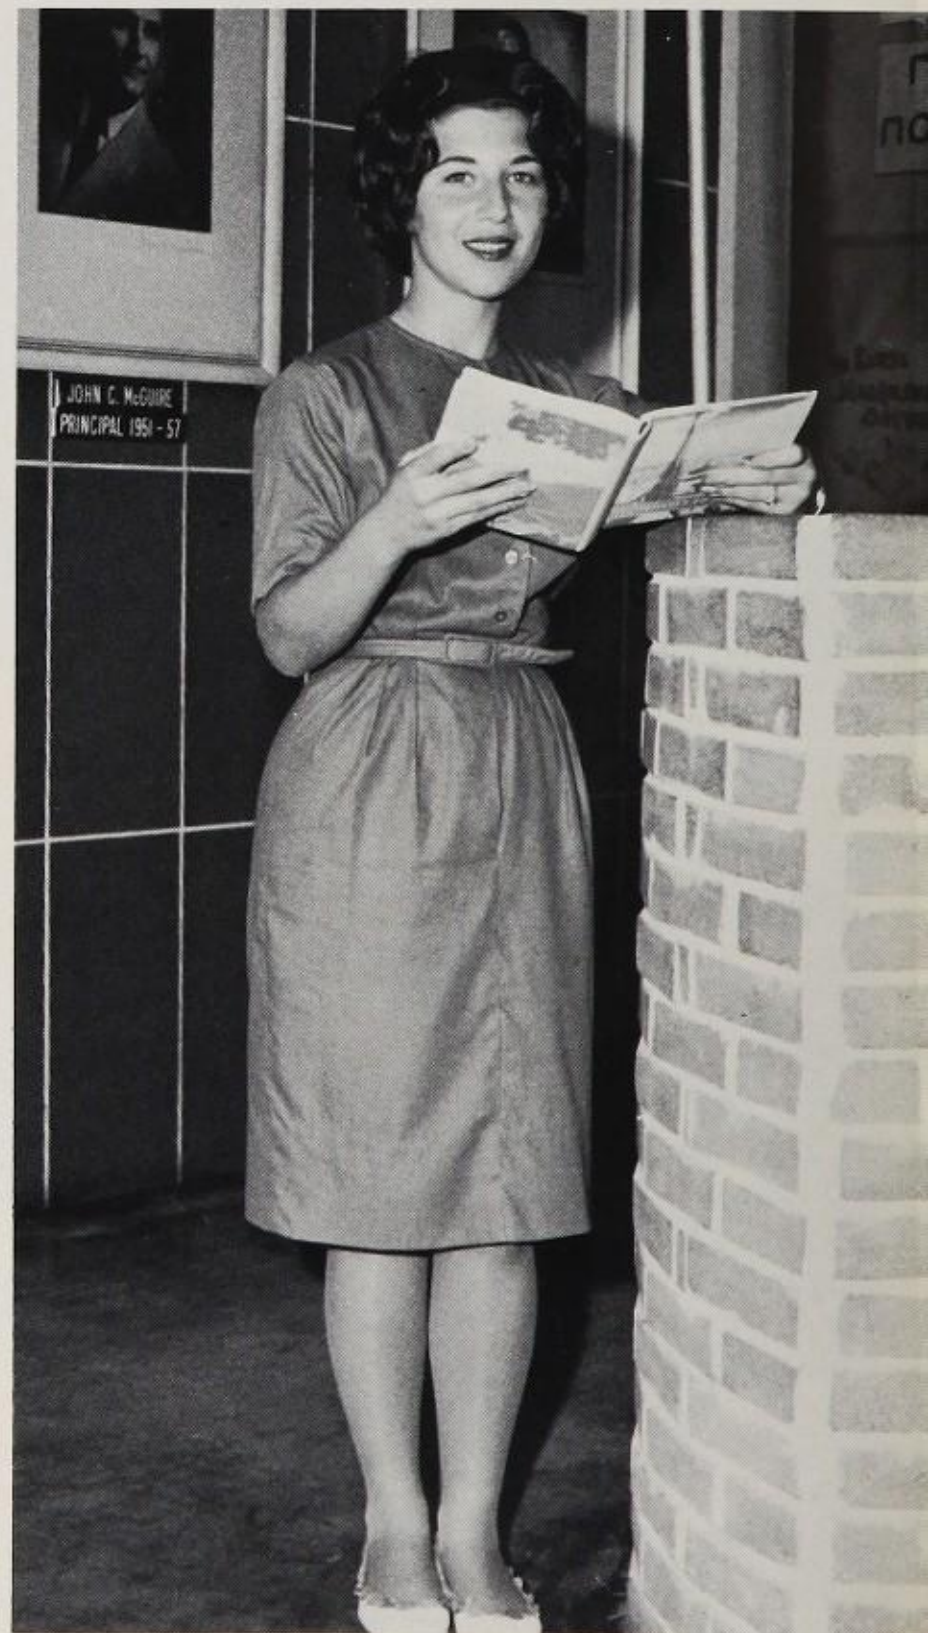

Dennis Wightman

Serving his school with pride is Dennis Wightman, Student Council president. Dennis has worked efficiently as sophomore class president, junior class representative, member of the Inter-Club Council, Career Day chairman, and as a Key Club member to make the school life more interesting throughout the years. Out of school, Dennis enjoys sports and music. He is an active member of the young people's society at his church and he was one of the six boys to attend Boy's State from our school.

Barbara Schoenberger

Handling the money for a class is one of the many tasks which Barbara Schoenberger has undertaken in the last three years. She is also treasurer of Beta. She has worked hard to serve her school and community through Honoria, Student Council, and Honor Garde. Barbara is active in her religious youth group and was a volunteer for the Multiple Sclerosis Society. Among the honors which she has obtained are being a graduation Herald and a finalist for the Foreign Exchange Student Program.

Representatives of Boys' State and Girls' State are: Mary Lipscomb, Alan Levan, Bob Labbe, Dennis Wightman, Paul Gysan, Frank Jones, Jay Beskind, and Joanne Hoschar.

Students Receive Practical Governmental Experience at Boys' and Girls' State

By observing how our government functions, students can better appreciate their democratic government. The finest way a high school student may accomplish this is by being a delegate to Boys' or Girls' State.

From our delegates to Girls' State, Mary Lipscomb was elected Supreme Court Justice and Joanne Hoschar was a representative to the House of Representatives.

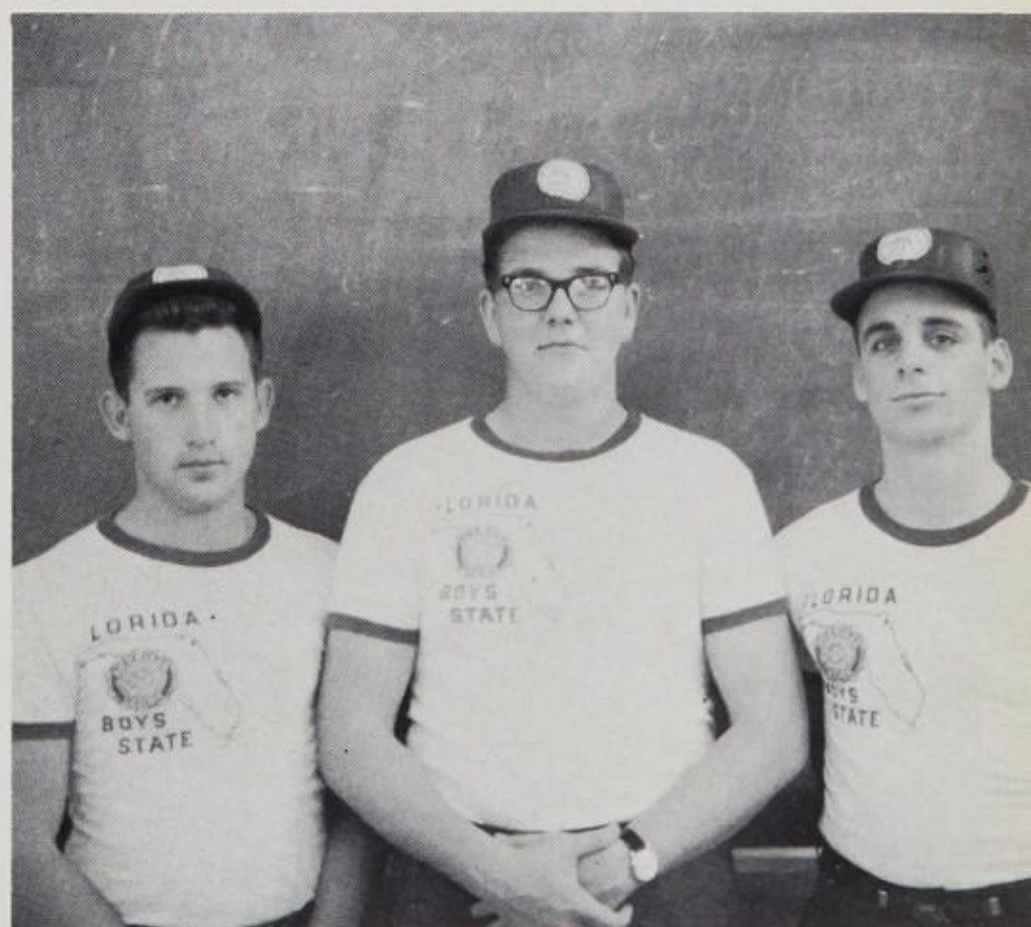

Mary Lipscomb and Joanne Hoschar hold Girls' State Pennant.

Alan Levan was elected mayor and senator, and Jay Beskind held the offices of councilman and senator at Boys' State.

The democratic spirit of nomination and election was foremost through sessions of Boys' and Girls' State.

Jay Beskind, Frank Jones, and Alan Levan show off their Boys' State shirts and caps.

CLASSES

In 1951 E. L. Constance Junior High boasted of a student body of 1,334. Now in 1962, North Miami Senior High points with pride at a present enrollment of 3,357.

This growth in the number of students is typical of the growth of all facets of our school.

A decade has gone, but student's memories have lingered. Those first students have vivid recollections of their new, unfinished building. They adjusted to the newness, realizing the growth that was yet to come. This growth was not only due to the addition of building blocks to an unfinished building, but to advancement in pride and love for a new school which can rest only in each student.

The years saw an addition in student enrollment which brought the traditions and policies that have become as much a part of our school as the students who attend the classes each day.

When, after 7 years, the seventh-ninth grades were dropped, we became North Miami Senior High, grades ten-twelve. This high school had its beginning as a junior high and evolved into a senior high. This change was like the change that our tenth graders experience from their first day of attendance in high school to their graduation day. Their last three years of education see the greatest progress and growth of their entire educations. The moments in the classroom, working with the other students and teachers, prepare young people for productive lives in society. Gay moments, along with the serious, all contribute to lasting memories. These memories are compounded each year for the student, all part of his individual growth, all part of the growth of our school.

Alma Mater

*O'er the fair Atlantic shore,
The sun fills each new day
With bright hopes now
And more each morrow
For the Green and Gray.
To thee we pledge our loyalty
To thee our mind and heart
From thy radiant
Green and Gray
Our love will ne'er depart.*

Working diligently for the class of '62 are: Miss Mastropaolo and Mr. Herbst, Sponsors; and officers: Jay Beskind, Vice-President; Barbara Schoenberger, Treasurer; Diane Smith, Secretary; and Tony Corbo, President.

Song—"I May Never Pass This Way Again"

I'll give my hand to those who cannot see
The sunrise or the falling rain.
I'll sing my song, to cheer the weary along;
For I may never pass this way again.

I'll share my faith with every troubled heart
For I shall not have lived in vain.
I'll give my hand, I'll sing my song,
I'll share my faith because I know
That the time is now to fulfill each vow —
For I may never pass this way again.

Leading the class of '63 are: Cecilia Luska, Corresponding Secretary; Ralph Tisdale, Vice-President; Cathy Garrett,

Recording Secretary; Dennis Damiano, President; and Maxine Levine, Treasurer.

Juniors Are Busily Waiting to Become Seniors

Beginning their second year at North Miami High, with their sophomore year finally behind them, the juniors are well into their high school years. The junior's hard work through the years is rewarded by their successful yearly projects.

They have sponsored a magazine drive to raise money for the Junior-Senior Prom, and the following year's Senior Banquet. A Junior Class dance was held in the cafeteria to further raise funds for their activities.

Having completed their second year in high school, now on the verge of becoming seniors, they can be proud of past achievements, and look forward to new and exciting experiences.

The Junior Class aided by Mr. Nordmeyer, Sponsor, has achieved a successful year's work.

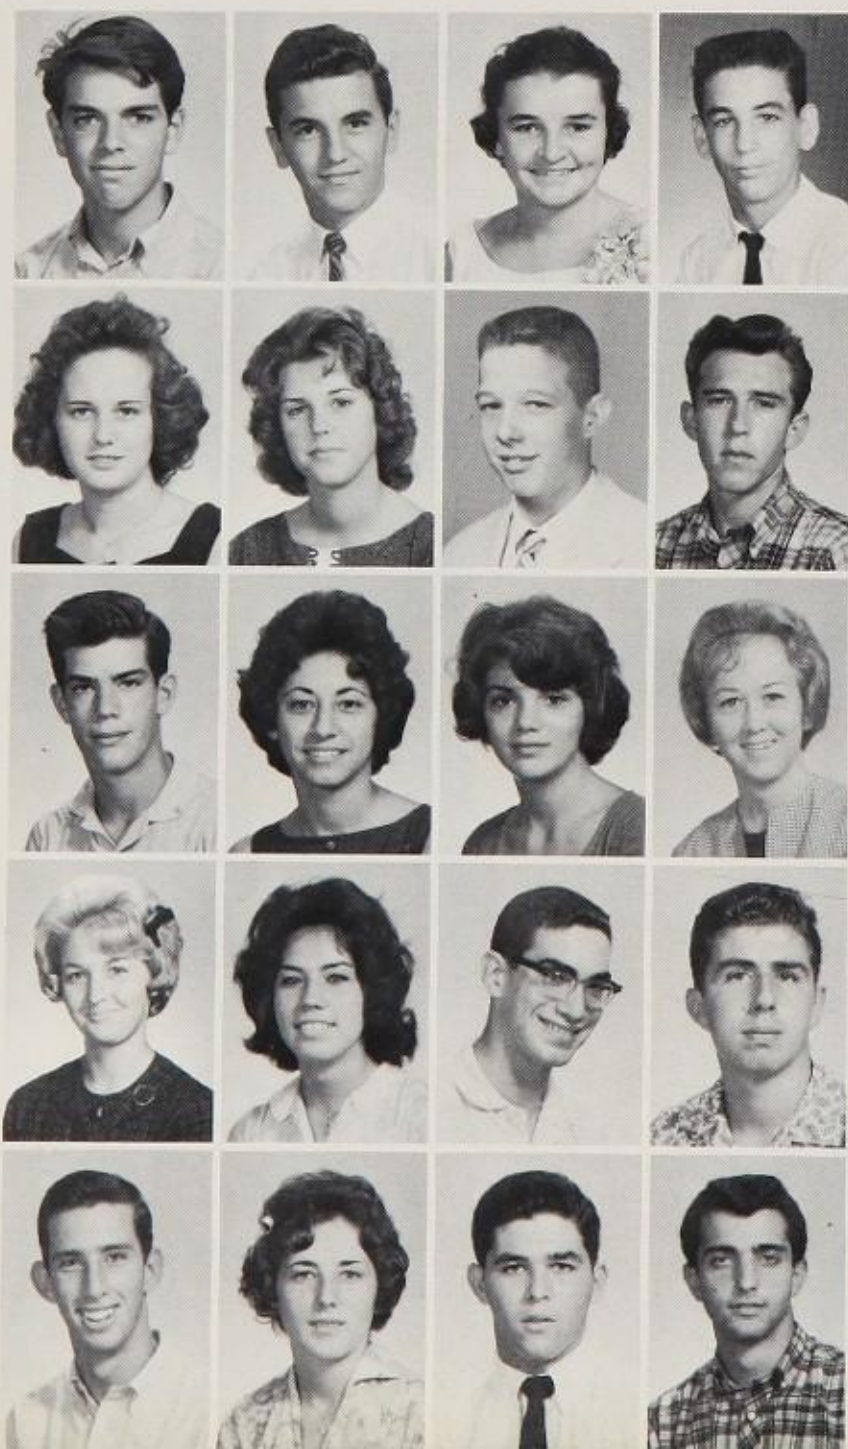

Mrs. Sloan is a proud sponsor of the Junior Class.

The emotions that arise at a football game are expressed on these students faces.

Mrs. Grantano, sponsor; Mr. Miller, Sponsor; Sylvia Pfotenhauer, Corresponding Secretary; Dennis Newman, Vice President; Sharon Murphy, Recording Secretary; Jerry

Weiss, Treasurer; and Don Smith, President are officers of the Sophomore class.

Sophomores Thrill to New Experience Upon Entering High School

1261 students thrilled to a new experience this year as they entered the halls of North Miami High as sophomores. Eagerly, they began the school year, meeting with the problems of a new schedule and new teachers, experiencing excitement at their first high school football game, and showing great spirit for their new school, North Miami High, which they will always remember. Now, by the end of the year, these students are

no longer awed sophomores, they are students advancing their education, proud of their school, and wise in the ways of North Miami High.

During the progress of the year, after they had become familiar with the routine of the school, they elected their class officers, appointed cabinet officers, collected class dues, and truly became an organized part of North Miami High.

Regardless of what grade the student is in,
the school spirit is the same.

We sincerely wish to thank our advertisers for their faith in our yearbook by advertising with us.

Progress cannot be made without the help of our friends and co-workers, or efforts far surpass individual striving. Many people working together for a common goal, achieve this goal more efficiently and in less time.

It is for these reasons we need our advertisers. We both form a team for the production of a yearbook; the student providing journalism talent and our advertisers supporting them. Both parts are essential for the finished product.

FLORIDA FLAIR FASHIONS

GRADUATE INTO FLORIDA'S FUTURE!

An education at one of Florida's outstanding institutions of higher learning will prove a valuable asset in the years ahead.

Remember also, that every Florida "learning hour" can be transformed into Florida "earning power". No other state offers more promise for action-minded, well-trained young people. Reddy Kilowatt suggests that you make a study of the growing opportunities in the Sunshine State and find out why so many Florida grads find Florida ideal for a lifetime of profitable "home-work".

Where People ^{most likely to succeed} come First to save for their future...

Many high school graduates will be in college this fall because they had the foresight to save at FIRST FEDERAL. Others will be on their way to financial security because of their regular savings habits. In the years to come they'll find it's easier to make the grade because of the healthy habit of thrift.

It's not too late to resolve your own plans for success in life. Best way is to save at FIRST FEDERAL of Miami—where your dollars earn at the maximum rate, insured up to \$10,000 by an agency of the United States Government.

Why not start saving soon...
